**[High and Mighty](#) Mar 26 2022 SUVs have taken over America's roads. Ad campaigns promote them as safer and "greener" than ordinary cars and easy to handle in bad weather. But very little about the SUV's image is accurate. They poorly protect occupants and inflict horrific damage in crashes, they guzzle gasoline, and they are hard to control. Keith Bradsher has been at the forefront in reporting the calamitous safety and environmental record of SUVs, including the notorious Ford-Firestone rollover controversy. In *High and Mighty*, he traces the checkered history of SUVs, showing how they came to be classified not as passenger cars but as light trucks, which are subject to less strict regulations on safety, gas mileage, and air pollution. He makes a powerful case that these vehicles are even worse than we suspect--for their occupants, for other motorists, for pedestrians and for the planet itself. In the tradition of *Unsafe at Any Speed* and *Fast Food Nation*, Bradsher's book is a damning exposé of an industry that puts us all at risk, whether we recognize it or not.**

**[What Branches Grow](#) Jun 16 2021 Top 5 Category Finalist - 2020 Kindle Book Awards! A boldly imagined, exhilarating quest through post-apocalyptic America, where human nature is torn between the violent desperation to survive and the desire to forge connection. Thirty-five years ago, the world was ravaged by war. Delia, a tough-as-nails survivalist, travels North in search of a future. Gennero is tortured by his violent past and devotion to his hometown. Ordered to apprehend Delia, he follows her into the post-apocalyptic landscape. The wasteland is rife with dangers for those seeking to traverse it: homicidal raiders, dictatorial leaders, mutated humans, and increasingly violent and**

hungry wildlife. What Branches Grow is an unflinching depiction of life after civilization, where, above all else, trust is the hardest thing to achieve and give. The survivors have an audacious dream of a better life, but their quest may end up being a fruitless endeavour in a world openly hostile to hope. For fans of Fallout, Mad Max, and The Road. Action and adventure are rounded off with a slow-burn romance, dark comedy, and a dog companion.

**The Red-Hot Chili Cook-Off Oct 28 2019 More Than the Chili's Heating Up Cadillac, Texas**  
Carlene Lovelle, co-owner of Bless My Bloomers lingerie shop, found a pair of fancy red-silk panties in her husband's briefcase, and all hell is breaking loose. She custom-made those fancy bloomers herself—and she remembers the bimbo who bought them. If her husband had a lick of sense, he'd known there are no secrets in a town like Cadillac. Carlene's cohorts—and their mamas—plan to exact revenge on Lenny Joe where it'll hurt the most: break his ten-year winning streak at the prestigious Red-Hot Chili Cook-Off. Never before has a woman dared to compete. But the ladies of Bless My Bloomers are cooking up a storm...and it seems the whole town is taking sides in the showdown. Welcome to Cadillac, Texas, where the chili is hot, the gossip is hotter, and friends stick by each other, no matter what the challenge. **When A Rook Takes The Queen** May 04 2020 Chicago Tribune Reporter Larry McKay has his hands full. He has been assigned to investigate the recent assassination of Chicago's Mayor Janice Kollar in a tumultuous summer that has included riots, looting, and a city out of control. With Mayor Kollar's long list of political enemies, McKay doesn't know where to start. But he soon discovers a weekly gambit at St. Simeon's Church Rectory on West 79th Street between two of Chicago's most notable individuals; Former grand chess master and now Catholic priest, political activist Fr. Colin J. Fitzgerald, and organized crime boss Anthony 'Little Tony' DiMatteo. Their weekly chess matches have allowed 'Fr. Fitz' to become the new family consigliere, and he is now Little Tony's most trusted advisor. Together, they have been plotting ways to circumvent the recent city violence using 'The Outfit's' brutal methods to control its gangs and outlaws and bring peace back to the Windy City. But their unusual plan to restore peace to an already violent city begins to unravel, delving the Second City deeper and deeper into an uncontrollable state of intense chaos. McKay's life is now in danger, as the 'Chicago Gambit' of real-life players are now all out to permanently silence the Tribune reporter from blowing up the city's biggest crime story since the St. Valentine's Day Massacre.

***Best Seat in the House*** Jul 06 2020 USA Today Bestseller Jack Nicklaus II shares stories, insights, and lessons he's learned from his father, the "Golden Bear," that will delight golf fans of all ages, encourage fathers, and inspire readers to focus on what's most important in life: family. *Best Seat in the House*, written with New York Times bestselling author Don Yaeger, gives us eighteen valuable lessons that Jack Nicklaus II learned from his father, PGA champion Jack Nicklaus. Although the "Golden Bear," as he is known by fans, is widely regarded as the best golfer of all time, with a record number of PGA major championships, his life and values show that true legacy lives on through your children, grandchildren, and others we are blessed to call family and friends. For the first time, the public is given the opportunity to see what made Jack Nicklaus an off-course success, including how he and his wife, Barbara, fashioned fifty-plus years of marriage, understanding that they both had to give of themselves "at least 95 percent of the time" the importance of having boundaries and limits that everyone in the family agrees on how Nicklaus taught his son Jack, who worked as his caddie for several years, to value his competitors and treat them as he would hope to be treated the need to be connected to what we'll leave behind: our legacies One June day, Jack Nicklaus II had just completed his second round in a Palm Beach County Junior Golf Association tournament and was sitting at the scorer's table, signing his scorecard, when somebody told him his dad was on the telephone. He was a little frustrated because he didn't want to be bothered on such an important day, but his dad wanted to know how he had played, so Jack II spent the next twenty minutes detailing every hole and every shot. Afterward, his father said, "Jackie, would you like to know how your dad did today?" Of course he wanted to know, and he felt a little guilty for not asking. "Well, I just won the US Open." It was Father's Day 1980, and on that day Jack II learned a valuable lesson that he carried with him into adulthood: family is more important than anything in the

world.

**The Car Book Aug 07 2020**

**The Cadillac Story Oct 09 2020** The Cadillac story is more than the story of a car company. It is, in many ways, the story of the American automobile industry itself—which, as much as any industry, drove America's growth in the twentieth century and defined who we are as a people. For generations of Americans, Cadillac epitomized expansive prosperity. This illustrated history of Cadillac presents all the triumphs and failures of the marque's last sixty years; from the good times, through the disastrous 1980s, and up to the current reconstitution of the brand.

**Naptime with Theo and Beau Dec 23 2021** It all started when a loving mother posted a few pictures of her son, Beau, and their new puppy, Theo, napping together on her popular blog Momma's Gone City. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers can't beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown

on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.

**Customers for Life Feb 10 2021** In this completely revised and updated edition of the customer service classic, Carl Sewell enhances his time-tested advice with fresh ideas and new examples and explains how the groundbreaking "Ten Commandments of Customer Service" apply to today's world. Drawing on his incredible success in transforming his Dallas Cadillac dealership into the second largest in America, Carl Sewell revealed the secret of getting customers to return again and again in the original Customers for Life. A lively, down-to-earth narrative, it set the standard for customer service excellence and became a perennial bestseller. Building on that solid foundation, this expanded edition features five completely new chapters, as well as significant additions to the original material, based on the lessons Sewell has learned over the last ten years. Sewell focuses on the expectations and demands of contemporary consumers and employees, showing that businesses can remain committed to quality service in the fast-paced new millennium by sticking to his time-proven approach: Figure out what customers want and make sure they get it. His "Ten Commandants" provide the essential guidelines, including: • Underpromise, overdeliver: Never disappoint your customers by charging them more than they planned. Always beat your estimate or throw in an extra service free of charge. • No complaints? Something's wrong: If you never ask your customers what else they want, how are you going to give it to them? • Measure everything: Telling your employees to do their best won't work if you don't know how they can improve.

**The Good Cousin Who Lives on 18th Street Sep 27 2019** The Good Cousin Who Lives on 18th Street By: R. M. Nunez My name is Ricardo Moises Nunez. I was born on February 6, 1990 in Staten island New York. My mother is from Ecuador and my father is from Honduras. I have one brother and one sister. I'm half Honduran, Ecuadorian and American. I grew up in a nice neighborhood, but as I got older, it changed to a bad neighborhood filled with gangs, and violence. In High School I was involved with many gang affiliated street fights and was asked to be in a gang which I refused. I was very afraid growing up. I saw many violent things in high school. I had to fight to survive. I became used to it all. I even bought a gun for protection and retaliation. I never killed any one but I thought about it many times. I wanted to kill my enemies but I never did. I threw the gun away and my parents moved me to Florida because they knew if I stayed in New York, I would probably get killed or kill someone or go to jail. In Florida, I got into boxing and I graduated from high school. Then I moved back to New York. As I was growing up, I would write many stories and poems. Then one day I decided to write about my life growing up. Somehow some way later in life at the age of 26, I got sick and was diagnosed with a mental illness called schizophrenia. It was very hard for me and my family. We didn't know what to do. We eventually heard about Nami national alliance on mental illness. My family and I went to family meetings to learn more about my condition. Those meetings helped us a great deal as far as how to cope with the symptoms of this horrible incurable illness. I began to take medication for my schizophrenia. I would hear voices and have hallucinations. It was very hard and still is

very hard to live this way. Even though I suffer I am thankful to God for everything in my life even for my mental illness. I always wonder and still wonder what caused my schizophrenia. Maybe it was all the fights growing up, maybe too many hits to my head. I never sold drugs or took drugs. I guess it's just meant for me to be like this. I feel it is my mission from God to help people with sicknesses. Even though you are sick and no matter what illness you have, you can still follow your dreams

What Griffin doesn't know is that Cheyenne is not only sick with pneumonia, she is blind. How will Cheyenne survive this nightmare, and if she does, at what price? Prepare yourself for a fast-paced and hard-edged thriller full of nail-biting suspense. This title has Common Core connections.

**Alternadad Nov 09 2020** With the publication of *Alternadad*, Neal Pollack became the spokesperson for a new generation of parents. Pollack, a self-styled party guy known mostly for outrageous literary antics, recounts how he and his wife became responsible parents without sacrificing their passion for pop culture. From an ill-fated family trip to the Austin City Limits Festival, to yanking his son out of an absurd corporate gymnastics class, to dealing with the child's ongoing biting problem, Pollack captures the wonders, terrors, and idiocies of parenting today. *Alternadad* is both an engaging and amusing memoir of fatherhood, and a fascinating portrait of a new version of the American family. From the Trade Paperback edition.

***The Riches of This Land* May 16 2021** A vivid character-driven narrative, fused with important new economic and political reporting and research, that busts the myths about middle class decline and points the way to its revival. For over a decade, Jim Tankersley has been on a journey to understand what the hell happened to the world's greatest middle-class success story -- the post-World-War-II boom that faded into decades of stagnation and frustration for American workers. In *The Riches of This Land*, Tankersley fuses the story of forgotten Americans-- struggling women and men who he met on his journey into the travails of the middle class-- with important new economic and political research, providing fresh understanding how to create a more widespread prosperity. He begins by unraveling the real mystery of the American economy since the 1970s - not where did the jobs go, but why haven't new and better ones been created to replace them. His analysis begins with the revelation that women and minorities played a far more crucial role in building the post-war middle class than today's politicians typically acknowledge, and policies that have done nothing to address the structural shifts of the American economy have enabled a privileged few to capture nearly all the benefits of America's growing prosperity. Meanwhile, the "angry white men of Ohio" have been sold by Trump and his ilk a theory of the economy that is dangerously backward, one that pits them against immigrants, minorities, and women who should be their allies. At the culmination of his journey, Tankersley lays out specific policy prescriptions and social undertakings that can begin moving the needle in the effort to

make new and better jobs appear. By fostering an economy that opens new pathways for all workers to reach their full potential -- men and women, immigrant or native-born, regardless of race -- America can once again restore the upward flow of talent that can power growth and prosperity.

**Cadillac Escalade 2018: Learning the Essentials Nov 02 2022** The first Cadillac Escalade dates back to 1999 and was the first SUV released by the luxury vehicle manufacture. **Matt Keegan Aug 19 2021** This is the first significant publication to explore the output of Matt Keegan, the New York-based artist known for his work across mediums, as well as independent publishing including the acclaimed editioned art journal North Drive Press. This monograph expands on a recent solo exhibition by the artist at Rogaland Kunstsenter; Stavanger, Norway, titled "Portable Document Format." The show was organized as an idiosyncratic retrospective, with Keegan remaking sculptures dating from 2006 to 2015, initially fabricated in Sheetrock and steel, in cardboard. Like the exhibition, the publication serves both as a project and a reference for the artist's work. Essays by Tom McDonough and John Miller theorize Keegan's production, while interviews with Sara VanDerBeek and Anna Craycroft underscore the artist's ongoing engagement with his peer group. Furthered by contributions from colleagues Uri Aran, Leslie Hewitt and James Richards, situated alongside full-color installation photos and reproductions of work from the past decade, **Matt Keegan: OR** provides a solid introduction and layered overview of the artist's multifarious practice.
