The Last and the First May 19 2021 The first English translation of celebrated Russian writer Nina Berberova's debut novel: an intense story the struggle over the future of émigré life On a crisp September morning, trouble comes to the

Gorbatovs' farm. Having fled the ruins of the Russian Revolution, they have endured crushing labour to set up a small farm in Provence. For young Ilya Stepanovich, this is to be the future of Russian life in France; for some of his Paris-dwelling countrymen, it is a betrayal of roots, culture and

the path back to the motherland. Now, with the arrival of a letter from the capital and a figure from the family's past, their fragile stability is threatened by a plot to lure Ilya's step-brother Vasya back to Russia. In prose of masterful poise and restraint, Nina Berberova

dramatises the passionate internal struggles of a generation of Russian émigrés. Translated into English for the first time by the acclaimed Marian Schwartz, *The Last and the First* marks a unique contribution to Russian literature.

Hunt Jul 21 2021 Bo Wafford is an avid hunter, fisherman, father, and grandfather, with five great-grandchildren. After living and traveling over much of the world during his life, he now spends his days in Mt. Vernon, Texas, within four miles of where he was born. He grew up in Northeast Texas, the son of a farmer, spending as much time picking cotton as in school. A desire to find adventure in his life led him to enlist in the Air Force. Bo served twenty-one years in the United States Air Force, retiring in 1974. The next phase of life led him to a career as a hunting guide. He guided and hunted all over the world, including Australia, Uruguay,

Alaska, and many more locations. He still guides occasionally at the world famous Y.O. Ranch, Mountain Home, Texas, where he guided throughout his career. Among hunters he has guided over the years, Bo is known as The Legend. "From First Life to the Last Hunt" chronicles the hardships of his early years and a life full of adventures. Bo guarantees every story to be true and authentic, most of the time.

Is Your Service Business at Risk? The Internet is going to dramatically change service contracting. Online service features that engage the customer with thoughtful

information will become competitive table stakes. The benchmarks set by Amazon in retail and Uber in car services are warning shots across the bow of your business. If you study these lessons and learn to engage your customers online, your business will thrive even in the face of new age, tech-savvy competition. In *The Digital Wrap*, ServiceTrade founder and CEO Billy Marshall lays out a step-by-step process that any service contracting company can implement. This book will show you how to:

- Increase the perceived value of your services and add additional revenue streams
- Make it easy for your technicians to provide world-

class service with no added cost

- Streamline your marketing efforts and expenses and grow the value of your brand
- Ensure the future of your company, no matter who else tries to enter your market

If you are looking for ideas to take your business to the next level, then read this book. Patrick Lynch, President and CEO, The Hiller Companies An eye-opening, entertaining and informative book that zeros in on customer-focused relationships ... guides contractors through current "best practices" for marketing in an age where everyone is seeking the attention of the customer. James Graening, CEO, B2B Sales Excellence The

Horses Came First, Second and Last Dec 26 2021 With an astounding eighteen medals in eight international championships and team gold medals at the Olympic Games in 1976 and 1984, Jack Le Goff created the standard by which modern-day equestrian teams are measured. But Le Goff's techniques could be unforgiving-tough, brutal, and abrasive-earning him critics as well as converts. In this, his autobiography, Le Goff tells the whole story, from impoverished

beginnings in Morocco, to the tragic death of his father, to his successes as a competitive equestrian. Readers will enjoy a behind-the-scenes look at the inner workings of high-level international equestrian sport, as well as an entire section devoted to Le Goff's much admired and extremely successful training philosophy.

If You're Not First, You're Last Nov 05 2022 During economic contractions, it becomes much more difficult to sell your products, maintain your customer base, and gain market share. Mistakes become more costly, and failure becomes a real possibility for all those who are not able to make the transition. But

imagine being able to sell your products when others cannot, being able to take market share from both your competitors, and knowing the precise formulas that would allow you to expand your sales while others make excuses. *If You're Not First, You're Last* is about how to sell your products and services—despite the economy—and provides the reader with ways to capitalize regardless of their product, service, or idea. Grant shares his proven strategies that will allow you to not just continue to sell, but create new products, increase margins, gain market share and much more. Key concepts in *If You're Not First, You're Last* include:

Converting the Unsold to Sold
The Power Schedule to Maximize Sales
Your Freedom Financial Plan
The Unreasonable Selling Attitude
The First Shall Be Last Jul 01 2022 Painting vivid pictures in narrative and verse, Belton explores scripture through the lens of servant leadership and translates the language of faith into the language of the workplace. Often used in secular work environments, servant leadership is nonetheless rooted in universal spiritual truths. This book uses the Bible as a leadership manual, applying a filter of servant leadership and offering real-world guidance for our work lives. In bite-sized

chapters, twenty scriptural themes are examined from a unique and personal perspective, with original poetry providing a distinctive counterpoint to the material. The study questions included in each chapter make the book a relevant resource for private reflection or group discussion.

The First Shall Be Last:

Servant Leadership in Scripture strives to meet the reader at the intersection of spirituality and work, presenting new insights into the practicality of scripture and the sacredness of work.

The magic of summer comes to life in this “heartfelt” (School Library Journal) middle grade

debut about an eleven-year-old girl who must save the future by restarting time after she realizes that her wish to relive the last day of summer may not have been such a great thing after all. What if you could get a do-over—a chance to relive a day in your life over and over again until you got it right?

Would you? After finding a mysterious set of paints in her backpack, eleven-year-old Haleigh Adams paints a picture of her last day at the New Jersey shore. When she wakes up the next morning, Haleigh finds that her wish for an endless summer with her new friend Kevin has come true. At first, she’s thrilled, but Haleigh soon learns that staying in one

place—and time—comes with a price. And when Haleigh realizes her parents have been keeping a secret, she is faced with a choice: do nothing and miss out on the good things that come with growing up or find the secret of the time loop she’s trapped in and face the inevitable realities of moving on. As she and Kevin set out to find the source of the magic paints, Haleigh worries it might be too late. Will she be able to restart time? And if she does, will it be the biggest mistake of her life?

The First and Last Science

Nov 24 2021 "The back-stage people must be so used to not only seeing beauty but also constructing it that they never seemed to even glance at Kristen and the other models. But with Michelle it was different. With her, one didn't see beauty, but rather felt oneself in the presence of the Beautiful itself. The truth of beauty. For a long while, in human consciousness, beauty, truth and the good were so associated with one another as to be the same thing. Hah.

Well, we now know that beauty can be deceptive, the good situational, and the truth as ugly as hell." And the truth is about to get a lot uglier than even the veteran heroes could have imagined. With the now sisterless Seraphim returned and out for the blood of the world, with the inhuman future of sentient machine-souls archiving the vast billions of surplus spirits washed up on their post-historical shores, and with the major nations of the world gutted and paranoid, the beloved comrades embark on a climactic series of adventures that will take the very presence of the future to resolve the future of the present. Completing a major narrative

arc for Kristen-Seraphim, book seven careens forward into the very crucible of human vanity and desire: immortality. That the enduring cast and crew that readers have come to know take into their ambit the world leaders themselves, is not even the most stunning event. The heroes had never known exactly what their lives really meant, thus providing the truer mystery that must be solved, lest all, including themselves, be lost.

Unite the Tribes Oct 31 2019

Every day, customers see the results of companies where fiefdoms have formed and silos create divisional or departmental strife: poor sales and profits, and lackluster

products. It's not hard to see that such companies are headed for an early grave. Regardless of the manner in which company fractures manifest themselves, tech leaders must find a way to rid their workplaces of the divisions that threaten to undermine their company's productivity, profits, and survival. That's why, in *Unite the Tribes: Leadership Skills for Technology Managers*, Christopher Duncan, bestselling author of *The Career Programmer*, provides corporate leaders with a ten-point plan for joining their company's divided ranks together in a way that helps employees achieve their goals

while also accomplishing those of the company. Using the metaphors of the company as empire and the groups that form within companies as tribes, Duncan explains that the formation of tribes within an empire is unavoidable. After all, regardless of the situation in which they find themselves, human beings are social creatures who align themselves with those whose goals and motivations match their own. That's why the accountants hang together in the break room, while developers talk shop and geek culture in a watering hole down the street. Yet the job of leaders is to build a cohesive, powerful, and enduring empire by bringing all

groups together in service to a shared, inspiring mission. And that goes double for tech companies, where breakthroughs create new landscapes on a daily basis. In *Unite the Tribes*, you will learn: How to build alliances and a spirit of unity across all levels of the company to achieve higher employee morale, greater profits, and increased productivity. How to come up with strategies that win market share as well as the hearts and minds of your employees. How to manage conflict. Why self-interest rules the day and how knowing another's wants and needs helps you achieve goals of your own. *Unite the Tribes* will show you, the visionary

leader, how to establish an empire by convincing your tribes of a simple but crucial truth: Alone, you are weak and vulnerable. United, you are invincible. What you'll learn Readers of *Unite the Tribes* will learn: Practical, down-to-earth approaches to problem solving and productivity that make sense to corporate leaders who have to do real work in the real world. How to arrive at a plan for uniting the disparate groups that operate within their company when faced with the daily reality of office politics, maneuvering, ambition, incompetence, and short-term thinking. How to convey the company's purpose to

employees in a way that is realistic and meaningful so that all workers can contribute to the company's greater good. Who this book is for Those serving in leadership or managerial capacities (i.e., those overseeing one or more employees) at technology companies plagued with division and dysfunction will find the solutions they need to rally their employees to join forces in *Unite the Tribes*. In addition, leaders and managers of companies whose cohesion is still healthy yet is being threatened with fracture will be provided with real-world strategies for reinforcing the glue that holds their company together in this practical,

applications-driven guide.

Early 3 Rs Jun 07 2020
This practical, reader-friendly textbook for preservice and in-service early childhood education and early literacy courses provides "how-to-do-it" instructions for promoting emergent literacy in reading, writing, and arithmetic from preschool into the primary

grades. Early 3 Rs answers the question: "What can I SAY and DO to give each child the best possible start on the 3 Rs?" With the strategies and materials in this book, a teacher can give personalized direct instruction in the 3 Rs to a beginner, in just a few minutes a day. The early chapters tell how to prepare a young child for reading, writing, and arithmetic. Subsequent chapters show how to give a beginner an early start on learning the 3 Rs. All strategies begin with the oral approach (from phonemic awareness to "arithme-talk") and then progress to print that is personally meaningful to a young child. Early 3 Rs: *

Includes arithmetic as a component of early literacy. * Gives developmentally appropriate methods for direct teaching of the 3 Rs. * Provides scripts of what the teacher can say to promote early learning. * Helps education students in field-based classes offer personalized instruction. Early 3 Rs is written to be very reader friendly: the approach is intentionally eclectic; the writing deliberately avoids heavy theory; the goal is to provide an easy-to-use, highly practical and accessible guide for those who work in early childhood education settings. *First and Last Love* Feb 25 2022 The many thoughts and gratifying memories recounted

in this volume began in 1924 and ended in 2013. The memories are of the author's development as a songwriter and the many talented and likeable people he got to know. The locale is mainly New York City, with important time spent as a composer at a Catskill Mountain resort. Many of the thoughts are about the changing popular music scene in America.

First Love, Last Love Aug 02

2022 A powerful story of two sisters, and the love that changed their lives It wasn't a privileged childhood, but it was a happy one. Sybil and Lizzie Cream, brought up in a fisherman's cottage on the edge of the cold North Sea were content to leave privilege where it belonged: with their

friends the Wintertons. Christina Winterton was the same age as Sybil and the two girls were inseparable, but it was Lizzie whom Ralph Winterton, three years older, found irresistible. Then war came to East Anglia, and so did Manchester-born Fenn Kitzmann now of the American Army Air Force. At their first meeting he is attracted by Sybil's subtle charm, but before he sees her again her own personal tragedy has struck, and he finds her changed almost out of recognition...

Literary Supplement "An excellent writer essentially timeless."-John Gross, Sunday Telegraph "The perfect elegiac postscript not only arresting but original."-Anthony Howard, Sunday Times Part meditation, part commonplace book, First and Last Things is an attempt by a writer of great distinction and strong convictions to take stock of his beliefs and values. Here, Richard Hoggart considers the big questions without shortchanging readers with easy answers. He examines problems (as he sees them) of faith; the mysterious origins of conscience; the importance of family and friends; the value of literature; the nature of memory; and the

need, in old age, to find some value in existence. To these issues, and many others, the author brings a lifetime of rich experience and a mind well stocked with the best that has been written by those who have gone before. What emerges above all in this work is Richard Hoggart's love of, almost obsession with, quotations from great authors, especially, of course, Shakespeare. He muses on the business of capitalism and democracy, noting a reluctant conclusion that democracy is the least worst form of government, and that capitalism is its inevitable partner, but one which democratic societies should

treat with "a very long spoon." He argues that market and consumer driven societies are inevitably led to relativism, head-counting, and populism. The result is a book that is introspective without being self-absorbed, that is thought-provoking but never preaching, that is, profound without being portentous. First and Last Things is a work that the young should read, if only to discover how much there is still to understand, and one that the old will treasure. Richard Hoggart was educated at Leeds University. Later, as professor of modern English literature at Birmingham University, he founded the Centre for Contemporary Cultural Studies.

He has authored or edited twenty-seven books, including *Between Two Worlds: Politics, Anti-Politics, and the Unpolitical*, *The Uses of Literacy*, and *The Tyranny of Relativism*, all available from Transaction.

You Are Not My 'first' Dec 14 2020 This is an episode from my life turned into a fiction.

Everyone has a love story to tell, but I had many. So I thought about writing one. This story deals about the relation of Jancy and 'I'. The central character is 'I'. This character is nameless because everyone who reads this is the central character. I think everyone can find similar situations from their life, in this story. This is because our basic instincts and emotions are almost same. Happiness, sorrow, love, hope, anger, rage, revenge, sexual

appetite; everyone has these feelings. Our relation was on the boundary line of friendship and love. We know each other from childhood. We didn't get the right time and opportunity to express love. Love is a complicated word. It has different meanings in different contexts. We were entirely different from each other. Also our families, prevailing life conditions, financial status and the most important our castes were totally different. So we had some real barriers in between us. But our relation develops by teasing, abusing, hurting (not physically) and silent care. Whenever we try to stop our relation, it starts from there with a new face.

Whenever we want to start a new phase, it will stop automatically. Years passed and a lot of things happened in our lives. When I thought Jancy is going to propose me; she told about a proposal she got from her office. I sensibly forced her to go ahead with that proposal. Our society indirectly taught us a lot of rubbish. One such thing is sacrifice in love. To hell with sacrifice! Life is a wonderful film with lots of twists and surprises. It becomes more beautiful when hardships and difficult times come to it.....
Last of Its Kind - First of This Kind: Aug 22 2021 It was a tale of two cycles. The 1990 Senate election landscape rewarded popular incumbents and was

largely devoid of national themes. There were colorful, headline grabbing moments and a near-shocker or two yet all but one Senator seeking another term was granted it. The 1992 landscape had no such clarity. A downward economy sparked the call for new ideas and backlash from the Clarence Thomas-Anita Hill sexual harassment hearings started a furious movement that led to the "Year of the Woman." Both themes converged to set the stage for "change." The precursor was an unexpected race in Pennsylvania between those two cycles that, but for a plane crash would not have happened. This book profiles

the most competitive races of those cycles. Readers will become acquainted with the issues, personalities and the men and women who personified the status quo, change and everything in between.

Introduction Hello there, if you made it this far into this I just want to thank you for wanting to know more about me. So without further adieu this is the poetry of my life. I have been writing since I was around 14 or 15 years of age, but I have been very vocal about what I want to do with my life and that is writing any and everything. I have had a passion for writing since I was 12 as far as I can remember. Writing will always be my first and last true love in my life. I have seen how much my writing has matured over the years and I am very proud of the pieces you will read

throughout this book. I am still writing but the very last poem is my latest piece and I am so grateful for the opportunity to share the world with my talent. Many people will look at this and judge or say these poems are not good and I am okay with that, I know that throughout the obstacles in my life the only thing that kept me sane was my writing and my ability to write and for a while I wasn't writing. I thought I had lost the passion or even worse the gift of being able to write and it took me a minute to know that that wasn't true. I have told my life in more ways than one in my poetry and you will see that as you read them in this book. It took me a long

time to find the strength to create this book. I hope you really take in my work and understand me a little more. Thank you for willing to read and understand me through my poetry, this was a long overdue project for me. Can you believe it? Can you believe it? that at 13 I was depressed Can you believe it? that I'm afraid of my past coming back to haunt me Can you believe it? that at 14 I was happy Can you believe it? that my happiness didn't last long Can you believe it? that I turned to pain as a way out Can you believe it? that I turned to music as a way out also Can you believe it? that at 15 I fell in love Can you believe it? that my first love hurt me deeply

can you believe that for a brief second I was happy Can you believe it? that I was still turning to pain and music as a way out Can you believe it? that i'm still 15 and I'm still afraid of my past Can you believe it? that I'm now afraid for my future Life and love I once met a girl who at 15 fell in Love with a guy who was 19 they dated for a month and it was the worst month of her life she realized that she was in love but he wasn't when they broke up she was heart broken she kept it all inside she had other boyfriends but she didn't want them she wanted him by the time she was single he found someone new and fell in love again heartbroken she

begin to go to pain and music to deal with the heartbreak of losing the one she loves Knowing the unknown What is love? Love is laughing so hard you can't Breath Love is smiling till it hurts Love is crying till you can't cry no More What is life? Life is tears Life is smiles Life is mistakes and lessons What is me and you? I don't know what you and me is Is it love? is it forever? Is it never? I don't know Do you know what me and you are? Do you know if it is love? if it is Forever? If it is never? do you know? In life there is a sense of the Unknowing You never know what life holds for us So you chose your path in life Love is unknowing You could mistake

love for lust Love won't last forever In both love and life There is a sense of the unknowing Can you figure it out Invisible girl invisible girl that's me no one can see me invisible is me invisible girl that's me no one can hear me invisible is me invisible girl that's me the ghost of darkness invisible is me invisible girl that's me proud of it invisible is me invisible girl that's me embracing it invisible is me I am I am pretty smart funny I am an actor a singer a poet I am a writer a painter a song writer I am different human undefined Human Human This one word has a lot to say can it be defined Human It defines anybody who can define it

everybody can Human can be a person dead or alive so can it be defined Human it can be defined it defines me I am H.U.M.A.N Dead dreams I have high hopes in my life I want to be an actor some day I have the skills to do a lot of things I have low hopes in my life I do not think I can be a poet or actor some day I do not think I have the skills for that I have no hope in my life I think I am still the indivisible girl I have no hope in my life I have no dreams My dreams are dead Blinded by the past Blinded by the fear. Blinded by the past Chained away from the future Blinded by the pain of the past Blinded by the hate of the past Chained by the fear You can

see the future It's in your hands, but the past holds you back Why? Cause you can't let go of the past. Let the past go Let the love in Stop being blind and love him He's worth it. He's earned the key to your heart. Love is Love is A 4 letter word that has no meaning Love is A 4 letter word nobody knows the true meaning of Love is a 4 letter word that lost meaning in the world Love is A 4 letter word that people use to destroy hearts Love is a 4 letter word and nothing more but a 4 letter word My first You are my first friend you are my first crush you are my first boyfriend you are my first love you are my first broken heart you are my first physical scar

you are my first emotional scar you are my first you are my last Second chance Cutting her wrists deeper and deeper she is about ready to leave leave this earth and never come back she looks up and she can see god He says it is not your time it is not your time to be with me Her mother beating on her bedroom door Her mom kicks the door down she sees her baby passed out on the floor bleeding she calls 911 She wakes up in a hospital bed She got a second chance A second chance at life Harsh reality Nigga claim he loves me Cares for me Only want me Left so many times Then came right back Talking about he'll never leave again. But turns around

and threats to leave How do I live like this? Wanna leave? But I know I'll be right back A vicious cycle I'm stuck in How do I get out of it? Don't know what to do. Tired of this life Trying to figure out what to do Know I love him Know I can't live without How do I live? I can't believe a word he says I can't trust his word Tired of the cycle I'm in Just wanna scream out Just wanna break out of it Don't know how? Don't know what to do anymore. You was the same nigga I stayed up for Same nigga I put up with All the accusations from you All the fights All the name calling I stayed and you go and break my heart Did what you accused me of doing And what makes it

worse with an ex of yours. Got me analyzing my body Figuring out the pain I'm feeling Hating myself Feeling so ugly wishing for the dream to be over Sadly it's not a dream, it's a harsh reality. Nobody knows Nobody knows the pain I go through to coop Nobody knows How much blood I see every time Nobody knows why I go through it Nobody knows the pain of my past Nobody knows Why I'm afraid of my past Nobody knows why my future is just as scary as my past Nobody knows And i'm not ready to tell why Loving an old flame Loving and old flame all over again.... The irony in that My ex bf is my baby... I'll always love him My old love refurbished Into a

deeper love Into a deeper connection. Into something stronger and solid Loving him all over again Loving my best friend all over again.... I fall deeper in love everyday All over again He does no wrong I have not hate for anything he does I love everything about him I'm happy again with him Yay I am me I am Not a normal girl I am an undefined girl I am Not a normal girl I am an emo girl I am Not a normal girl I listen to rock music and love it I am Not a normal girl I am just me The voices Voices in my head screaming Voices screaming for help As death comes near the voices get louder Bright lights shining, more voices But maybe it's all

In my head No one knows I'm dying No one knows I am here in this position No one cares enough to see Voices in my head screaming out Voices screaming for help As death grows near The voices in my head grow silent. Life flashing before my eyes Wishing that dying was faster Painless, but slow death An inner war Everyday there is a war inside me My heart and my mind fighting My heart screams out louder Than my mind, but there's still war My heart and mind fight everyday My mind can say one thing My heart another Screaming at the top of their lungs at each other And then silence is left As one battle has ended, but the war

hasn't It's an everyday battle Between my heart and mind Everytime the battle ends I'm left to decide who's right? My heart or my mind Who I should listen to? My heart or my mind. I somehow mistakenly choose my mind My mind I always seems to listen to My heart always seems to silence or cage it, but never free it. I have a heart caged away. I have a heart screaming to be listened to A heart wanting to be free. There's a war inside me everyday A war I can only stop by freeing my heart from its cage Love, scary? Love, scary? Maybe There's always something to be afraid Love is one Love, hurtful? No, it may seem like it but no It's peaceful

to love in caged It's beautiful. Love, scary? Yeah, but it's worth it. Loving someone unconditional and uncaged is worth it Questions Question after question swirl in my mind everyday Question after question form in my head that I am and was to scared to ask you and them Hate fueling up in my body everyday since the day Hate pouring out of me at people that dont deserve it For so long I have been afraid of the dark For so long I have been afraid of you... of myself and how far this razor can go For so long I have been guilty of it all. Question after question make shape in my mind everyday Question after question runs through my mind

like a track star everyday
Depression is getting stronger
and stronger as time goes by
Life goes on and time goes on
without a care in the world for
us humans and our emotions
To afraid to speak to you or
anyone about the incident To
afraid everyday to sleep in the
dark every night My fear and
hatred and anger and
depression takes over and
overwhelms me like boulders
daily Question after question
pushed deeper and deeper into
the back of my mind Question
after question cloud my mind
like a thick fog Long nights and
rough mornings get harder and
harder to deal with All the
booze and drugs in the world
don't help clear the fog On a

daily basis I look for some type
of numbing to just be okay for
one night Just in search of one
night of bliss and peace..... Just
one night Long distance love
story I was hurting when you
came along I didn't know how
it should feel to be loved I tried
to be perfect, but no one is
perfect We ain't perfect, but
the love we share is perfect
Our date, I'll never forget Even
if I do you will be the to help
me remember I get a heart
push when your name comes
across my phone Still got a
crush on you even though you
are mine A queen on my
throne, next to you my king
Wishing everyday to touch your
face The distance is killing me
Our love with each FaceTime

call Asking the man upstairs for
a different type of love Took me
months to see I had what I was
praying for Been through hell
and back for someone who
didn't want me for years I know
if we go through hell, we will
reach heaven So far away from
each other I need you here I
need to know your feelings
Sucky ass distance, stronger
love I miss sleeping on the
phone with you at night Your
voice, my Lullaby I can't
imagine life without you All I
want is you I don't know what
I'll do without you my love
Probably lose my mind We a
secret nonetheless Society
would judge us Society would
try to destroy us One day we
will see each other The

distance won't be so bad soon enough Miles apart yet stronger together Sucky ass distance, stronger love Acknowledgements Thank you to everyone that has inspired me throughout my life and was my inspiration behind every piece you just read. I would also like to thank my family and friends who have always supported me and encouraged me to continue my craft, couldn't have done it without you. This book was a dream come true for me and in a million years I never thought I would actually finish it at my age. Thank you to everyone that has read it, hopefully you can understand me and my life a little better. Thank you for

taking the time to read this book, I am so grateful and humbled to finally see my dream come to life, I can't say thank you enough to everyone. *Last First Snow* May 31 2022 "Forty years after the God Wars, Dresediel Lex bears the scars of liberation--especially in the Skittersill, a poor district still bound by the fallen gods' decaying edicts. As long as the gods' wards last, they strangle development; when they fail, demons will be loosed upon the city. The King in Red hires Elayne Kevarian of the Craft firm Kelethres, Albrecht, and Ao to fix the wards, but the Skittersill's people have their own ideas"--

Deadcore Sep 10 2020
DEADCORE: 4 HARDCORE ZOMBIE NOVELLAS Join authors Randy Chandler, Ben Cheetham, Edward M. Erdelac, and David James Keaton as they unleash the carnage while breathing new life, and death, into the zombie genre. FANGORIA MAGAZINE REVIEW "As the book's title indicates, DEADCORE achieves all extremes. Violent, perverse, depraved—and, as such, quite recommended." THE STORIES DEAD JUJU BY RANDY CHANDLER He's the mystery man on the news. Where he shows up, the shit goes down. The dead are rising, the immigration issue has reached the boiling point, the living are

screwed, and unspeakable acts are being performed upon all involved. In this tale of *Zombies Gone Wild*, yes the dead walk but just where the hell are they going and why? *Dead Juju* gives you the hardcore truth, if you're ghoul enough to handle it. *NIGHT OF THE JIKININKI* BY EDWARD M. ERDELAC After a comet is observed in the western sky of feudal Japan, a murdered inmate rises from the dead and attacks his fellow prisoners. Three disparate men: a casteless bandit, a mad, child-eating monk, and a renowned but sadistic samurai band together to escape the walled and moat-surrounded prison as it fills with the walking and

ravenous dead. *ZEE BEE & BEE (A.K.A. PROPELLER HATS FOR THE DEAD)* BY DAVID JAMES KEATON At a "Zombie Bed & Breakfast" tourist trap, guests pay for the thrill of a staged zombie assault during an apocalyptic scenario, acted out by sluggish hotel workers who are well-versed in the zombie genre. But soon the script doesn't go as planned, the guests become uncooperative, and the actors are taking their roles very seriously these days. *ZOMBIE SAFARI* BY BEN CHEETHAM Survivors of a zombie apocalypse have carved out new existences on islands, only visiting the mainland to hunt zombies. But things start to go

wrong. Zombies don't die as they should. Hunters go missing. A trip that's supposed to be fun turns into a struggle for survival as four men make a discovery that causes them to question not only what it means to be a zombie, but what it means to be human. [The Last and the First](#) Feb 02 2020 The first English translation of celebrated Russian writer Nina Berberova's debut novel: an intense story of family conflict and the struggle over the future of émigré life On a crisp September morning, trouble comes to the Gorbatovs' farm. Having fled the ruins of the Russian Revolution, they have endured crushing labour to set

up a small farm in Provence. For young Ilya Stepanovich, this is to be the future of Russian life in France; for some of his Paris-dwelling countrymen, it is a betrayal of roots, culture and the path back to the motherland. Now, with the arrival of a letter from the capital and a figure from the family's past, their fragile stability is threatened by a plot to lure Ilya's step-brother Vasya back to Russia. In prose of masterful poise and restraint, Nina Berberova dramatises the passionate internal struggles of a generation of Russian émigrés. Translated into English for the first time by the acclaimed Marian Schwartz, *The Last and*

the First marks a unique contribution to Russian literature. *From Last to First* Apr 29 2022 With the exciting sport of fencing steadily becoming more mainstream in the UK, US and around the world, parents are spending thousands each year to help and encourage their children to train and excel in this unique Olympic sport. Fencing can be a mysterious world to the uninitiated, and parents and young fencers will have many questions about the sport, the fencer's potential and the dos and don'ts. *From Last to First* aims to answer all these questions and many more. Written by a team comprising

Jon Salfield, a leading Youth Development and High Performance coach (London Olympics 2012), and Daniela I. Norris, an experienced author and fencing-parent of an international youth fencer, with input from Strength and Conditioning and Psychology experts, and a foreword from a multiple champion and highly-regarded author, it is meant for anyone who wants to know how to support their young fencer from the start of their fencing adventure, all the way through to success at international competitions.

Knightingale Mar 05 2020 Evil has plagued this world since the dawn of creation seeking to gain control. One

family was given supernatural abilities with the sole purpose of protecting the things in this world that evil must never take possession of. Samantha Nelson knew she was cursed. She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with

a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it

takes is one warning sign of danger to convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.
