La formación de mediadores para la promoción de la lectura Jul 28 2019 En la promoción de la lectura, como en la animación a la lectura, sobre todo cuando los destinatarios de las mismas son niños o adolescentes, es muy importante la figura del mediador, papel que, en esas edades, suelen cumplir adultos con perfiles específicos (padres, maestros o bibliotecarios, aunque, en buena lógica, deberíamos considerar también como tales a los editores y a los libreros). El mediador es el puente o enlace entre los libros y esos primeros lectores que propicia y facilita el diálogo entre ambos. El Máster de Promoción de la Lectura y Literatura Infantil de la Universidad de Castilla-La Mancha que se puede cursar desde la red y a distancia, tiene como objetivo básico la formación de especialistas que puedan trabajar en los campos del desarrollo de hábitos lectores y en programas de animación a la lectura, es decir, la formación de mediadores. Los contenidos teóricos de referencia de dicho Máster que aquí se ofrecen los hemos agrupado en cinco partes, que se corresponden con los cinco módulos teóricos que los alumnos cursan durante el primero de los dos años de estudios: Literatura infantil y juvenil, Lenguaje literario y creatividad, Narración infantil y discurso, Evolución psicológica y maduración lectora y Lectura y sociedad. Bibliotecas.

Leopoldo Alas (Clarín) Dec 25 2021 Novelist-critic Leopoldo Alas's reputation suffered neglect and silent reproval during much of the twentieth century, especially under the Franco regime, but his reputation has now achieved classic status in Spain. Clearly related to this is the great increase in the number of translations - Julian Barnes called *La Regenta* 'the foreign classic tardily discovered'. This bibliography picks up where the first one left off in 1984. It is divided into primary material and secondary material. Primary material includes: Anthologies and Selections; Criticism; Novels; Short Story Collections; Plays; Correspondence; Prologues; Reprints; Translations; and Miscellaneous, with two new categories: autograph manuscripts and iconography.

Enciclopedia del español en los Estados Unidos Feb 12 2021 **CONTENIDO:** El español en cifras - El español por países - La enseñanza del español como lengua extranjera - Lenguas cooficiales - El papel de la comunidades autónomas - Presente y futuro del español - Literatura - Ciencia - Música y artes escénicas - Artes plásticas - Cine - Miradas cruzadas - Medios de comunicación e Internet - América no hispanohablante - Europa - Asia - Internet - El Instituto Cervantes 15 años.
