You've Got a Book in You Sep 03 2022 Writing a book is fun and easy--yes, FUN AND EASY--but it may not always feel that way. How do you find the time to write? How do you keep momentum? How do you deal with the horror of showing anyone a single sentence of your work-in-progress? The answers remain fun and easy, and author Elizabeth Sims will take your hand, dispel your worries, and show you how it's done in this stress-free guide to accomplishing your dream of writing your book. In You've Got a Book in You, Elizabeth is that encouraging voice guiding you through the entire process, from finding the right time and place to gathering all of your creative tools to diving right in and getting it done--page by page, step by step. It's easier than you think, and it all starts right here, right now. "This guide is witty, warm, and wise--and wonderfully down-to-earth as well. Elizabeth Sims doesn't just tell you that you've got a book in you, she shows you how to pour it out using your own creative spirit, common sense, and persistence." ~Lori L. Lake, author of The Gun Series and The Public Eye Mystery Series "If you're searching for the spark of inspiration to get started writing a book, and the nourishment to sustain you to THE END, Elizabeth Sims's You've Got a Book in You will show you how to find it in yourself." ~Hallie Ephron, award-winning author of There Was an Old Woman "You won't find an easier-to-follow or more inspirational writing guide." ~L.J. Sellers, author of the bestselling Jackson mysteries "By focusing the high beams of her intelligence (and humor!) on the twisty trail of book-writing, in You've Got a Book in You, Elizabeth Sims proves herself a true writer's friend. As she guides you from the creation of a "working title" through her (brilliant!) "Making-It-Better Process," this well-established pro plays her most impressive cards--stacking the deck in favor of YOU!" ~Jamie Morris, Director, Woodstream Writers "Elizabeth Sims packs a twelve-week writing course into 280 pages. Inspirational and yet extremely hands-on, You've Got a Book In You will give newbies confidence to forge ahead and will remind veteran writers why they began writing in the first place--for the joy of it. I won't be surprised when the brilliant terms 'stormwriting' and 'heartbrain' become part of every writer's lexicon." ~Julie Compton, author of Tell No Lies and Keep No Secrets "The book is encouraging and inspiring, practical and witty. As a seasoned writer, I appreciate the reminders about the importance of putting yourself on a writing schedule. No more excuses. The many 'writing blasts' are very helpful and will get any writer out of the starting blocks. I especially enjoyed the section, 'Writing with the Masters.' What better way to get inspired, get a feel for different styles, and get jump-started on your writing? Excellent advice that I plan to incorporate in my future classes. I concur with Sims that 'writer's block' is greatly exaggerated. Is there any other profession that claims such a phenomenon? 'Excuse, me, but

I have 'book-keeping block,' 'playing music block,' or 'painting block' today? I don't think so. Get yourself on a schedule, read some Sims, write with the masters, and you'll be on your way. You'll be glad you met this friend on your journey to becoming a successful writer." ~Gesa Kirsch, Ph.D., Professor of English, Director of Valente Center for the Arts and Sciences, Bentley University

What Did You Get from Christmas Jun 07 2020 “Don Easterling is a great coach, but he is also an outstanding speaker for any occasion - if you haven’t heard him you should - he is terrific!” - Jim Valvano “Don Easterling is not only one of the greatest swim coaches ever, he is one of the finest storytellers and writers I have ever known. He is a national treasure, a man of superb wit, spirit and charm. He is motivator par excellence, my mentor and dearest friend who has enriched my life and that of so many others. These stories are a must read for all who treasure the values and lessons of life that we all cherish.” - Mark Bernardino, Head Swim Coach University of Virginia “As his athlete, fellow coach and friend, I have been clearly inspired by Coach Easterling’s passion for story telling and his gift of finding the words to motivate us all.” - Beth Harrell, Head Swimming Coach North Florida University “I remember vividly receiving my first Christmas Story in 1990. It came none too soon. Christmas training of my freshman year in college was tough and a heart warming, inspirational and entertaining story was certainly welcomed. Your Christmas stories have delighted for decades. In the busy world we live in: They remind us that reflection inspires & heals; They teach us to find joy in the little things; They truly remind us how to get in the Christmas spirit. The art of story telling is one of many arts that you have mastered. Nothing gets us in the spirit like your stories. They are timeless and will be enjoyed by many for generations to come.”- David Fox, Goldman Sachs, Olympic Gold Medalist “As Coach Don tells his story you follow along with your own story because he has taken you back to a time forgotten until the echoes come flooding back. When the story is read and I have a couple of laughs and wipe away the tears, I carefully fold the story back up and place it safely back in its’ envelope and I take a moment to say, “Thanks Coach”.” - Doug Russell, 2-time Olympic Gold Medalist

You Had Me at Goodbye Apr 29 2022 I'll just hold my breath, fancy pants ... Oh no. This is so not happening. Her whole life Kat Taylor has been reaching for the brass ring and coming away with nothing but sore knuckles. Not this time. Her flighty Aunt Lila gave her a charming house on Martha's Vineyard for the summer, and now some arrogant, amused, and, okay, surprisingly hunky, British author named Lawrence Kendall says he has a claim to the same cottage! If he thinks that just because he's suave and good-looking and ... and ... has that hairy chest and great accent that he can woo her into leaving, well, he can die trying.

You Had Me at Hockey Mar 05 2020 Can a spirited, down-to-earth influencer get an uptight hockey player out of his shell? Josh I am a warrior. That’s been my motto since I recovered from a near-death accident when I was younger. Now I enjoy my nice, settled life in Dallas playing pro hockey—a boring life is better than being dead. I’m not a party guy or an adventurer; I like my routine and peace and quiet. So being traded to New York is the worst possible change that could happen. And meeting unfiltered and fascinating Sara Carrington throws my life into even more chaos. Sara I’ve been considered weird my whole life, which is why I’m still a virgin, but I’ve turned it into a career with my YouTube videos. Who knew people would love watching me talk about my zits, taste-test meatless burgers, and try to learn TikTok dances! Now I’m launching a podcast. Getting hockey star Josh Heller as a guest will help gain listeners for sure. I expect a bearded jock with no teeth and nothing to say, but I get a hot as H-E-

double-hockey-sticks grouch with a surprisingly dirty mind. My mission to make him laugh is successful, but I want to know why he's so uptight underneath that panty-dropping smile. Maybe I can teach Josh to have some fun . . . and maybe he can teach me a thing or two along the way. . . . USA Today bestselling author Kelly Jamieson's epic Bears Hockey series can be read together or separately: MUST LOVE DOGS . . . AND HOCKEY YOU HAD ME AT HOCKEY Don't miss any of Kelly's captivating reads: The Wynn Hockey series: PLAY TO WIN • IN IT TO WIN IT • WIN BIG • FOR THE WIN The Aces Hockey series: MAJOR MISCONDUCT • OFF LIMITS • ICING • TOP SHELF • BACK CHECK • SLAP SHOT • PLAYING HURT • BIG STICK • GAME ON The Bayard Hockey series: SHUT OUT • CROSS CHECK The Last Shot series: BODY SHOT • HOT SHOT • LONG SHOT The standalone novel: DANCING IN THE RAIN

So you think you've had a bad day Dec 26 2021 The title of this book is taken from one of the hilarious stories in the book. All of the stories are written about events that have happened to me and others. The clogged drain story is about a secretary who was constipated and took a laxative, then went to work not feeling well. When she sits down on the great white throne, it practically explodes under her. The skunk story will make you wish you had a pet skunk that doesn't stink. My uncle's mule story is so unique and funny you might fall off your chair. Each one is unique and was chosen because it was extra funny or was in some way exciting or otherwise interesting. The Alzheimer's story really gives you food for thought. There are no everyday, run-of-the-mill experiences. Every one of them will either make you laugh, make you cry, or give you something interesting to contemplate. You'll enjoy the shoplifting story. It makes you ask, "Are there really people like that?" Yes, there really are! To avoid confusion about the name Lauren, let me explain. My mother named my older brother, Lauren, after her older brother, Lauren, Jesse's brother. Then I named my middle son, Lauren, after my older brother, Lauren. Therefore, there are three generations of Laurens mentioned in this book. Hope you don't get too confused.

Forget You Had a Daughter - Doing Time in the Bangkok Hilton Jan 27 2022 Sandra Gregory seemed to have the perfect life in Bangkok - until illness, unemployment and political unrest turned it into a nightmare. Desperate to get home by any means possible, she agreed to smuggle an addict's personal supply of heroin. She didn't even make it onto the plane. In this remarkably candid memoir, Sandra Gregory tells the full story of the events leading up to her arrest, the horrific conditions in Lard Yao prison, her trial in a language she didn't understand and how it feels to be sentenced to death. Sandra finally resumed her journey home some four and a half years later, when she was transferred to the British prison system and had to adapt to a new, yet equally harsh, regime. Following relentless campaigning by her parents - who refused to forget they had a daughter - she was pardoned by the King of Thailand and released in 2000. Forget You Had a Daughter is the extraordinary story of an ordinary British woman who made a mistake that changed the rest of her life.

You Gotta Have Balls Feb 13 2021 A Brooklyn kid hustles his way to the top of a sports marketing and memorabilia empire Brandon Steiner went from a kid who sat in the nosebleed seats at Yankee and Shea Stadiums to CEO of Steiner Sports Marketing Inc., one of the largest sports marketing and memorabilia companies in the United States, with an inventory of more than 10,000 collectibles. You Gotta Have Balls details Steiner's multiple entrepreneurial adventures, where he has both learned and taught others his fair share of "rules." Along the way, he developed some of the most innovative approaches to business—methods that many of today's companies would be wise to observe and employ themselves. You Gotta Have Balls follows Steiner on his pathway to success by demonstrating the business philosophies that allowed him to become the powerful magnate that he is. These ideals include: First to market is everything Ask "What Else?" when working with clients to enhance relationships and elicit more business Don't expand just for the sake of expanding; do it in areas and industries where your passion lies How to train employees while they're in the minor leagues to prepare them for the majors Learn to clearly identify ways to help others rather than sell to them, to align employees and partners with their strengths, and to discover a path where you're most likely to succeed.

The Gangbuster - To Catch a Gangster, You Have to Live Like One Sep 10 2020 'Four million quid. There it was, inches away from me on a hotel table. Not in conventional currency, but in the world's deadliest commodity. Heroin.' As part of Scotland Yard's undercover team, it was Peter Bleksley's job to infiltrate some of the capital's most dangerous gangs and bring them down. For ten years, he went deeper into the criminal underworld than any cop had before him. Meeting with dealers, gangland leaders and members of the IRA and the Mafia, he lived the life of the Great Pretender, constantly changing his identity to ensure his cover was never blown. Whilst undeniably thrilling work at times, it came at a heavy price. The more successful he was at bringing criminals to justice, the longer the list of those who wanted revenge became. Even now, Peter looks over his shoulder in case someone should wish to act on an old threat. In The Gangbuster, Bleksley draws us into the world of drugs, violence and covert operations he inhabited for so long in the pursuit of justice. Now a renowned policing and crime expert seen

on the BBC and as the Chief on Channel 4's *Hunted*, Peter Bleksley reputation still precedes him the world over. **What If You Had Animal Hair?** Oct 04 2022 If you could have any animal's hair, whose would you choose? If I Can't Have You, No One Can Nov 12 2020 Lady Killer Richard Namey, 26, drug abuser and woman-beater, had already threatened a previous girlfriend with a gun, but she'd gotten away. Sarah Rodriguez, 21, wasn't so lucky. On April 16, 2002, in Orange County, California, she and her true love, Matt Corbett, 20, were forced off the road by Namey, who shot them both at point-blank range with a .357. Sarah was killed. Corbett was paralyzed for life. Real Hero After a 42-mile chase, Namey was finally cornered in a drainage tunnel by a police dog. He pleaded manslaughter, claiming he'd really meant to kill himself in front of Sarah. No deal. The man he faced was not your average deputy district attorney: Dennis Conway had pulled himself out of a wayward life torn by seemingly insurmountable tragedy and into law school. He knew all about guys like Namey--and exactly where to find the holes in his story. The verdict: first-degree murder, life sentence. Score one for the good guys. Includes 16 pages of shocking photos.

You Had Me at Pet-Nat Jul 09 2020 From the publisher of Pipette Magazine, discover a natural wine-soaked memoir about finding your passion—and falling in love. It was Rachel Signer's dream to be that girl: the one smoking hand-rolled cigarettes out the windows of her 19th-century Parisian studio apartment, wearing second-hand Isabel Marant jeans and sipping a glass of Beaujolais redolent of crushed roses with a touch of horse mane. Instead she was an under-appreciated freelance journalist and waitress in New York City, frustrated at always being broke and completely miserable in love. When she tastes her first pétillant-naturel (pét-nat for short), a type of natural wine made with no additives or chemicals, it sets her on a journey of self-discovery, both deeply personal and professional, that leads her to Paris, Italy, Spain, Georgia, and finally deep into the wilds of South Australia and which forces her, in the face of her "Wildman," to ask herself the hard question: can she really handle the unconventional life she claims she wants? Have you ever been sidetracked by something that turned into a career path? Did you ever think you were looking for a certain kind of romantic partner, but fell in love with someone wild, passionate and with a completely different life? For Signer, the discovery of natural wine became an introduction to a larger ethos and philosophy that she had long craved: one rooted in egalitarianism, diversity, organics, environmental concerns, and ancient traditions. In *You Had Me at Pét-Nat*, as Signer begins to truly understand these revolutionary wine producers upending the industry, their deep commitment to making their wine with integrity and with as little intervention as possible, she is smacked with the realization that unless she faces, head-on, her own issues with commitment, she will not be able to live a life that is as freewheeling, unpredictable, and singular as the wine she loves.

You Had a Job for Life Sep 22 2021 Absentee owners. Single-minded concern for the bottom line. Friction between workers and management. Hostile takeovers at the hands of avaricious and unaccountable multinational interests. The story of America's industrial decline is all too familiar - and yet, somehow, still hard to fathom. Jamie Sayen spent years interviewing residents of Groveton, New Hampshire, about the century-long saga of their company town. The community's paper mill had been its economic engine since the early twentieth century. Purchased and revived by local owners in the postwar decades, the mill merged with Diamond International in 1968. It fell victim to Anglo-French financier James Goldsmith's hostile takeover in 1982, then suffered through a series of owners with no roots in the community until its eventual demise in 2007. Drawing on conversations with scores of former mill workers, Sayen reconstructs the mill's human history: the smells of pulp and wood, the injuries and deaths, the struggles of women for equal pay and fair treatment, and the devastating impact of global capitalism on a small New England town. This is a heartbreaking story of the decimation of industrial America.

Amazon Reviewer 'A must read for all parents! Absolutely loving this book. Joanna has a no frills, relaxed attitude towards parenting and brings fun into it. She made me realise that we don't need to question ourselves as much as we do.' Amazon Reviewer 'It's expert advice but advice that's accessible and smart and actually kind of fun. All the exercises are easily implemented and kids respond to them immediately. A parenting book can seem like "work" after a long day, but this book is well broken down so that whatever crisis you're dealing with today you can jump straight to the few pages (and solutions) about that issue.' Amazon Reviewer 'Simple and effective. Totally love this book, such simple creative and inspiring ideas on how to just come back to your kids in this crazy busy world we live in. Fabulous chapter on relationships covering how to stay connected to your partner which I feel gets left out from other books I've read.' Amazon Reviewer 'A gentle and kind book...Certainly think it can help parents that feel they can't find their own way back.' Goodreads Reviewer

I Have a Story to Tell You Jun 19 2021 *I Have a Story to Tell You* is about Eastern European Jewish immigrants living in Montreal, Toronto, and Winnipeg in the early twentieth century. The stories encompass their travels and travails on leaving home and their struggles in the sweatshops and factories of the garment industry in Canada. Basing her work on extensive interviews, Seemah Berson recreates these immigrants' stories about their lives in the Old Country and the hardship of finding work in Canada, and she tells how many of these newcomers ended up in the needle trades. Revealing a fervent sense of socialist ideology acquired in the crucible of the Russian Revolution, the stories tell of the influence of Jewish culture and traditions, of personal—and organized—fights against exploitation, and of struggles to establish unions for better working conditions. This book is a wonderful resource for teachers of Canadian, Jewish, and social history, as well as auto/biography and cultural studies. The simplicity of the language, transcribed from oral reports, makes this work accessible to anyone who enjoys a good story.

You Had Me at Woof Dec 02 2019 Look out for Julie's new book, *The Almost Legendary Morris Sisters*. The hilarious and heartfelt chronicle of a woman learning the secrets of love, health, and happiness from some very surprising teachers: her dogs. Julie Klam was thirty, single, and working as a part-time clerk in an insurance company, wondering if she would ever meet the man she could spend the rest of her life with. And then it happened. She met the irresistible Otto, her first in a long line of Boston terriers, and fell instantly in love. *You Had Me at Woof* is the often hilarious and always sincere story of how one woman discovered life's most important lessons from her relationships with her canine companions. From Otto, Julie realized what it might feel like to find "the one." She learned to share her home, her heart, and her limited resources with another, and she found an authentic friend in the process. But that was just the beginning. Over the years her brood has grown to one husband, one daughter, and several Boston terriers. And although she had much to learn about how to care for them—walks at 2 a.m., vet visits, behavior problems—she was surprised and delighted to find that her dogs had more wisdom to convey to her than she had ever dreamed. And caring for them has made her a better person—and completely and utterly opened her heart. Riotously funny and unexpectedly poignant, *You Had Me at Woof* recounts the hidden surprises, pleasures, and revelations of letting any mutt, beagle, terrier, or bulldog go charging through your world.
