Sonia Sotomayor Apr 14 2021 Provides a first person account of the life and accomplishments of Sonia Sotomayor.

Sonia Sotomayor Jun 28 2022 The inspiring and timely story of Sonia Sotomayor, who rose up from a childhood of poverty and prejudice to become the first Latino to be nominated to the US Supreme Court. Before Supreme Court Justice Sonia Sotomayor took her seat in our nation's highest court, she was just a little girl in the South Bronx. Justice Sotomayor didn't have a lot growing up, but she had what she needed -- her mother's love, a will to learn, and her own determination. With bravery she became the person she wanted to be. With hard work she succeeded. With little sunlight and only a modest plot from which to grow, Justice Sotomayor bloomed for the whole world to see. Antes de que la magistrada de la Corte Suprema Sonia Sotomayor llegara al máximo tribunal de nuestra nación, no era más que una niña en el South Bronx. La magistrada Sotomayor no tuvo mucho durante sus primeros años, pero sí tuvo lo que contaba -- el amor de su madre, la voluntad de aprender y su propia determinación. Con valentía se hizo la persona que quería ser. Con trabajo arduo triunfó. Con un poquito de sol en un solarcito donde crecer, la magistrada Sotomayor floreció para que todo el mundo la vea.

Breaking In Nov 29 2019 “I knew she’d be trouble.” So quipped Antonin Scalia about Sonia Sotomayor at the Supreme Court’s annual end-of-term party in 2010. It’s usually the sort of event one would expect from such a grand institution, with gentle parodies of the justices performed by their law clerks, but this year Sotomayor decided to shake it up—flooding the room with salsa music and coaxing her fellow justices to dance. It was little surprise in 2009 that President Barack Obama nominated a Hispanic judge to replace the retiring justice David Souter. The fact that there had never been a nominee to the nation’s highest court from the nation’s fastest growing minority had long been apparent. So the time was ripe—but how did it come to be Sonia Sotomayor? In *Breaking In: The Rise of Sonia Sotomayor and the Politics of Justice*, the veteran journalist Joan Biskupic answers that question. This is the story of how two forces providentially merged—the large ambitions of a talented Puerto Rican girl raised in the projects in the Bronx and the increasing political presence of Hispanics, from California to Texas, from Florida to the Northeast—resulting in a historical appointment. And this is not just a tale about breaking barriers as a Puerto Rican. It’s about breaking barriers as a justice. Biskupic, the author of highly praised judicial biographies of Justice

Antonin Scalia and Justice Sandra Day O'Connor, now pulls back the curtain on the Supreme Court nomination process, revealing the networks Sotomayor built and the skills she cultivated to go where no Hispanic has gone before. We see other potential candidates edged out along the way. And we see how, in challenging tradition and expanding our idea of a justice (as well as expanding her public persona), Sotomayor has created tension within and without the court's marble halls. As a Supreme Court justice, Sotomayor has shared her personal story to an unprecedented degree. And that story—of a Latina who emerged from tough times in the projects not only to prevail but also to rise to the top—has even become fabric for some of her most passionate comments on matters before the Court. But there is yet more to know about the rise of Sonia Sotomayor. *Breaking In* offers the larger, untold story of the woman who has been called "the people's justice."

My Beloved World Feb 22 2022 #1 NATIONAL BESTSELLER • A “searching and emotionally intimate memoir” (The New York Times) told with a candor never before undertaken by a sitting Justice. This “powerful defense of empathy” (The Washington Post) is destined to become a classic of self-invention and self-discovery. The first Hispanic and third woman appointed to the United States Supreme Court, Sonia Sotomayor has become an instant American icon. In this story of human triumph that “hums with hope and exhilaration” (NPR), she recounts her life from a Bronx housing project to the federal bench, a journey that offers an inspiring testament to her own extraordinary determination and the power of believing in oneself. Here is the story of a precarious childhood, with an alcoholic father (who would die when she was nine) and a devoted but overburdened mother, and of the refuge a little girl took from the turmoil at home with her passionately spirited paternal grandmother. But it was when she was diagnosed with juvenile diabetes that the precocious Sonia recognized she must ultimately depend on herself. She would learn to give herself the insulin shots she needed to survive and soon imagined a path to a different life. With only television characters for her professional role models, and little understanding of what was involved, she determined to become a lawyer, a dream that would sustain her on an unlikely course, from valedictorian of her high school class to the highest honors at Princeton, Yale Law School, the New York County District Attorney’s office, private practice, and appointment to the Federal District Court before the age of forty. Along the way we see how she was shaped by her invaluable mentors, a failed marriage, and the modern version of extended family she has created from cherished friends and their children. Through her still-astonished eyes, America’s infinite possibilities are envisioned anew in this warm and honest book.
