She Reads Truth Feb 24 2022 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a

rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

Fair Play Nov 23 2021 AN INSTANT NEW YORK TIMES BESTSELLER A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the "shefault" parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family--and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. "Winning" this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space--the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

One Thousand Gifts Jan 14 2021 More than 1.5 million copies sold! What if you discovered that the life you already have is the life you've always wanted? What if joy is possible right where you are? New York Times

bestselling author Ann Voskamp invites you to embrace everyday blessings and embark on the transformative journey of chronicling God's gifts. How can you find joy in the midst of deadlines, debt, drama, and even the death of loved ones? What does the Christ-life really look like when your days are gritty, long, and sometimes even dark? How is God even here? "It is in the dark that God is passing by . . . our lives shake not because God has abandoned but the exact opposite. God is passing by. God is in the tremors. Dark is the holiest ground, the glory passing by. In the blackest, God is closest, at work, forging His perfect and right will. Though it is black and we can't see and our world seems to be free-falling and we feel utterly alone, Christ is most present to us..." In *One Thousand Gifts*, Ann Voskamp invites you to discover a way of seeing that opens your eyes to ordinary amazing grace, a way of living that is fully alive, and a way of becoming present to God that brings deep and lasting joy. It's only in the expression of gratitude for the life we already have, we discover the life we've always wanted . . . a life we can take, give thanks for, and break for others. Come to feel and know the impossible right down in your bones: you are wildly loved by God. As Ann invites you into her own beautiful, heart-aching moments of amazing grace, she gently teaches you how to: Biblically lament loss and turn pain into poetry Intentionally embrace a lifestyle of radical gratitude Slow down and catch God in the moment Not a book merely to read, *One Thousand Gifts* is an invitation to engage with truths that will serve up the depths of God's joy and transform your life forever. Leave pride, fear, and control behind, and abandon yourself to the God who overflows your cup.
