The Hawaiian Language and Hawaiian-English Dictionary Dec 25 2021
Da Kine Dictionary Aug 21 2021 Because Pidgin, like other languages, is constantly evolving, "Da Pidgin Guerrilla" asked people in Hawai'i and beyond to contribute their favorite Pidgin words, with definitions, sentences, and origins The result is this illustrated collection, which also reveals where (and when) contributors "wen grad."

An English-Hawaiian Dictionary Mar 28 2022

A Dictionary of the Hawaiian Language Sep 29 2019 Excerpt from A Dictionary of the Hawaiian Language: To Which Is Appended an English-Hawaiian Vocabulary In 1836 "A Vocabulary of Words in the Hawaiian Language" was published by Lorrin Andrews. The evident usefulness of this list of about 6000 words led its author to prepare "A Dictionary of the Hawaiian Language" which was issued in 1865. Andrews' dictionary had long been out of print and increasing interest in Polynesian linguistic studies, the need of an authoritative reference book for the spelling, pronunciation, and definition of Hawaiian words, led to arrangements for the preparation of a new Hawaiian dictionary under the direction of the Board of Commissioners of Public Archives. A legislative act of 1913 made provision for "compiling, printing, binding, and publishing in book form a dictionary of the Hawaiian language" in which was to be given "the correct pronunciation of the ancient and modern Hawaiian words and phrases and their respective equivalents or meanings in the English language." As a necessary step in the preparation of a dictionary the Board of Archives transcribed all the words appearing in Andrews' Dictionary. These totaled about 15,000 typewritten cards. Following this preliminary work consideration was given to the selection of a compiler on whom might be placed the responsibility for preparing the desired manuscript. Rev. Henry Hodges Parker was chosen and financial arrangements made whereby he was released from other obligations for the five years following the date of appointment, January 1, 1915. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Handy Hawaiian Dictionary Sep 02 2022

Bikol Dictionary May 18 2021 The Bikol language of the Philippines, spoken in the southernmost peninsula of Luzon Island and extending into the island provinces of Catanduanes and Masbate, is presented in this bilingual dictionary. An introduction explains the Bikol alphabet, orthographic representation (including policies adopted in writing Spanish and English loan words), foreign sounds in Bikol, and Bikol phonology. A section on the use of the dictionary outlines affixes, tenses, verbal and nonverbal stress, combined affix forms, the causative series "pa-," "mang-" and "pang-" series, "pang-" as a nominal, "maki-" and "paki-" series, "hing-" series, unintentional action, ability series, "magin," and plural nouns, verbs, and adjectives. The Bikol-English and English-Bikol dictionary sections follow.

Nā Kua'āina Aug 28 2019 The word kua'āina translates literally as "back land" or "back country." Davianna Pōmaika'i McGregor grew up hearing it as a reference to an awkward or unsophisticated person from the country. However, in the context of the Native Hawaiian cultural renaissance of the late twentieth century, kua'āina came to refer to those who actively lived Hawaiian culture and kept the spirit of the land alive. The mo'olelo (oral traditions) recounted in this book reveal how kua'āina

have enabled Native Hawaiians to endure as a unique and dignified people after more than a century of American subjugation and control. The stories are set in rural communities or cultural kīpuka—oases from which traditional Native Hawaiian culture can be regenerated and revitalized. By focusing in turn on an island (Molokaʻi), moku (the districts of Hana, Maui, and Puna, Hawaiʻi), and an ahupuaʻa (Waipiʻo, Hawaiʻi), McGregor examines kuaʻāina life ways within distinct traditional land use regimes. The ʻōlelo noʻeau (descriptive proverbs and poetical sayings) for which each area is famous are interpreted, offering valuable insights into the place and its overall role in the cultural practices of Native Hawaiians. Discussion of the landscape and its settlement, the deities who dwelt there, and its rulers is followed by a review of the effects of westernization on kuaʻāina in the nineteenth century. McGregor then provides an overview of social and economic changes through the end of the twentieth century and of the elements of continuity still evident in the lives of kuaʻāina. The final chapter on Kahoʻolawe demonstrates how kuaʻāina from the cultural kīpuka under study have been instrumental in restoring the natural and cultural resources of the island.

Hawaiian Dictionary Nov 04 2022 "This standard work of reference... continues offering the happy blend of grammar and lexicon." --American Reference Books Annual For many years, Hawaiian Dictionary has been the definitive and authoritative work on the Hawaiian language. Now this indispensable reference volume has been enlarged and completely revised. More than 3,000 new entries have been added to the Hawaiian-English section, bringing the total number of entries to almost 30,000 and making it the largest and most complete of any Polynesian dictionary. This new edition is more than a dictionary. Containing folklore, poetry, and ethnology, it will benefit Hawaiian studies for years to come.

The Hawaiian Word Book Jul 28 2019

Hawaiian Language Jul 08 2020 Hawaiian Language: Past, Present, Future presents aspects of Hawaiian and its history that are rarely treated in language classes. The major characters in this book make up a diverse cast: Dutch merchants, Captain Cook's naturalist and philologist William Anderson, ʻŌpūkahaʻia (the inspiration for the Hawaiian Mission), the American lexicographer Noah Webster, philologists in New England, missionary-linguists and their Hawaiian consultants, and many minor players. The account begins in prehistory, placing the probable origins of the ancestor of Polynesian languages in mainland Asia. An evolving family tree reflects the linguistic changes that took place as these people moved east. The current versions are examined from a Hawaiian-centered point of view, comparing the sound system of the language with those of its major relatives in the Polynesian triangle. More recent historical topics begin with the first written samples of a Polynesian language in 1616, which led to the birth of the idea of a widespread language family. The next topic is how the Hawaiian alphabet was developed. The first efforts suffered from having too many letters, a problem that was solved in 1826 through brilliant reasoning by its framers and their Hawaiian consultants. The opposite problem was that the alphabet didn't have enough letters: analysts either couldn't hear or misinterpreted the glottal stop and long vowels. The end product of the development of the alphabet—literacy—is more complicated than some statistics would have us believe. As for its success or failure, both points of view, from contemporary observers, are presented. Still, it cannot be denied that literacy had a tremendous and lasting effect on Hawaiian culture. The last part of the book concentrates on the most-used Hawaiian reference works—dictionaries. It describes current projects that combine print and manuscript collections on a searchable website. These projects can include the growing body of material that is being made available through recent and ongoing research. As for the future, a proposed monolingual dictionary would allow users to avoid an English bridge to understanding, and move directly to a definition that includes Hawaiian cultural features and a Hawaiian worldview.

Hawaiian Grammar Jan 26 2022 Without question, this is the definitive grammar of the Hawaiian language. Indeed it is the first attempt at a comprehensive treatment of the subject since W. D. Alexander published his concise Short Synopsis of the Most Essential Points in Hawaiian Grammar in 1864. This grammar is intended as a companion to the Hawaiian Dictionary, by the same authors. The grammar was written with every student of the Hawaiian language in mind—from the casual interested layperson to the professional linguist and grammarian. Although it was obviously impossible to avoid technical terms, their use was kept to a minimum, and a glossary is included for those who need its help. Each point of grammar is illustrated with examples, many from

Hawaiian-language literature.

Pidgin to Da Max Nov 11 2020 An alphabetical guide to words and phrases in Hawaiian Pidgin English, with comic strips illustrating usage.

English-Hawaiian Dictionary Nov 23 2021

Carolinian-English Dictionary Oct 30 2019 Carolinian is a member of the Trukic subgroup of the Micronesian group of Oceanic languages. This is the first English dictionary of the three Carolinian dialects spoken by descendants of voyagers who migrated from atolls in the Central Caroline Islands to Saipan in the Northern Mariana Islands. This dictionary provides English definitions for almost 7,000 Carolinian entries and an English-Carolinian finder list. A special effort was made to include culturally important words, particularly those related to sailing, fishing, cooking, house building, traditional religion, and family structure. With this work, the compilers also establish an acceptable standard writing system with which to record the Carolinian language. *Ilokano Dictionary* Jan 02 2020 The Philippines series of the PALI Language Texts, under the general editorship of Howard P. McKaughan, consists of lesson textbooks, grammars, and dictionaries for seven major Filipino languages. Ilokano is an Austronesian language. It ranks third among the major languages of the Philippines, being spoken by just over 12 percent of the population. Widely spoken throughout the Philippines, Ilokano is the dominant language of most of the provinces of Northern Luzon and is used as a lingua franca by non-Ilokano speakers in this area. Settlers have also carried the language to Mindoro and to several areas in Mindanao. The Ilokano dictionary was developed under the auspices of the Pacific and Asian Linguistics Institute (PALI) of the University of Hawaii, and accompanies the Ilokano reference grammar by the same author as well as Ilokano Lessons by Bernabe, Lapid, and Sibayan. The dictionary contains some 7,000 Ilokano entries. Many of the entries are illustrated by Ilokano sentences to clarify usage.

Hawaiian Alphabet Dec 13 2020 This book is part of the Island Alphabet Books series, which features languages and childrens' artwork from the U.S.-affiliated Pacific. Each hardcover book contains the complete alphabet for the language, four or five examples for each letter, and a word list with English translations. The series was co-published with Pacific Resources for Education and Learning, a non-profit corporation that works collaboratively with school systems to enhance education across the Pacific.

Hawaiian And English Cross-age Learning Jul 20 2021

Marshallese-English Dictionary May 06 2020 The Marshallese-English Dictionary contains almost 12,000 entries giving information on an estimated 30,000 Marshallese words. Built upon the information collected in earlier dictionaries, its entries are enriched with grammatical information and illustrative sentences. Many words not previously recorded have been added, both older words dealing with the lore of the islands and newer words that reflect the changing circumstances of life today. Following the recommendations made by a committee of Marshallese leaders in 1971, the words in this dictionary are spelled along traditional lines, but spellings have been regularized phonetically by computer. An English Finder List is provided to enable the user to easily locate terms for navigation, currents, weather, food preparation, games, and other important aspects of Marshallese culture. A special section lists more than 4,000 place names in the Marshall Islands. Scientific identifications are given for the names of plants, marine life, animals, and stars and constellations. Created to fill the need for a comprehensive dictionary in programs of bilingual education in the schools of the Marshall Islands, this work will also be of use to anthropologists and linguists specialising in the Pacific.

Mamaka Kaiao Sep 21 2021 "The dictionary opens with a detailed description of how words are created by the Hawaiian Lexicon Committee with Pukui and Elbert's Hawaiian Dictionary serving as the primary written source and native speakers of Hawaiian as the primary spoken resource. The first main section contains more than 6,000 Hawaiian entries (alphabetized according to the Hawaiian alphabet) followed by their English equivalents; the second contains English language entries followed by their Hawaiian translation. Teachers and students in Hawaiian language immersion schools and high school, college, and continuing education language courses, as well as those looking for an introduction to contemporary Hawaiian, will find Mamaka Kaiao a truly invaluable resource."--BOOK JACKET.

Hawaiian Dictionary & Phrasebook Oct 03 2022 Hawaii, the fiftieth state, is one of the world's most popular destinations for travel, boasting over 7 million visitors each year. The population is enormously proud of the state's ancestral heritage, a pride reflected in the ubiquity of cultural artifacts and traditions as well as native Hawaiian's status with English

as one of the state's two official languages. This unique dictionary and phrasebook offers an excellent introduction to Hawaiian words and phrases, with sections devoted to basic greetings, food & drink, weather, weather, and assorted cultural activities. It is an ideal companion for vacationers and others interested in traditional Hawaiian culture.

An English-Hawaiian Dictionary Oct 11 2020 In addition to the words and their definitions, there are more than 3,000 phrases to illustrate the use of words and over 3,000 synonyms to broaden the vocabulary. Also includes: hints and keys to the correct pronunciation of the Hawaiian language; Vocabulary of common English Christian names and the Hawaiian equivalents; and a chronological table of events in Hawaiian history.

Da Kine Talk Oct 23 2021 Hawaii is without parallel as a crossroads where languages of East and West have met and interacted. The varieties of English (including neo-pidgin) heard in the Islands today attest to this linguistic and cultural encounter. "Da kine talk" is the Island term for the most popular of the colorful dialectal forms--speech that captures the flavor of Hawaii's multiracial community and reflects the successes (and failures) of immigrants from both East and West in learning to communicate in English.

Hawaiian Surfing Jun 26 2019 "Hawaiian Surfing: Traditions from the Past is a history of the traditional sport narrated primarily by native Hawaiians who wrote for the Hawaiian-language newspapers of the 1800s. An introductory section covers traditional surfing, including descriptions of the six Hawaiian surf-riding sports (surfing, bodysurfing, canoe surfing, body boarding, skinning, and river surfing). This is followed by an exhaustive Hawaiian-English dictionary of surfing terms and references from Hawaiian-language publications and a special section of Waikiki place names related to traditional surfing. The information in each of these sections is supported by passages in Hawaiian, followed by English translations. The work concludes with a glossary of English-Hawaiian surfing terms and an index of proper names, place names, and surf spots." --Back cover.

Illustrated Hawaiian Dictionary Aug 01 2022 Illustrated Hawaiian Dictionary is an ideal resource for beginning speakers and students of the Hawaiian language or anyone interested in Hawaiian language, history, and culture. Illustrated with line drawings, it includes over 5,000 entries in Hawaiian and English, an additional 2,500 synonyms and related words and phrases, grammar notes, and thousands of example sentences in both Hawaiian and English that illustrate practical and cultural uses of the language.

Hawaiian Names--English Names Feb 12 2021

Anatomia, 1838 (Hawaiian text with English translation) Jun 18 2021 Anatomia is the only medical textbook written in the Hawaiian language. Gerrit P. Judd, for a time the only medical missionary in the Islands, wrote the text in 1838 to teach basic anatomy to Hawaiians enrolled at the Mission Seminary (Lahainaluna School). Working from a standard elementary textbook of the time, Judd provided his students with more than a simple, straight translation. Rather than "Hawaiianize" Latin or English names and terms, he devised new vocabulary and explained medical functions and practices in words that would be readily understood by a Hawaiian. Judd's use of Hawaiian terms and descriptions gives us insights into native cultural and healing practices in the early decades of the nineteenth century. Anatomia is a valuable addition to the growing collection of translations on native health and will be greatly appreciated by linguists, historians, and students of Hawaiian language and culture.

New Pocket Hawaiian Dictionary Jun 30 2022 In a compact and portable format, this dictionary contains more than ten thousand entries, a welcome chapter on grammar explained in non-technical terms, and a pronunciation guide.

Place Names of Hawaii Mar 04 2020 How many place names are there in the Hawaiian Islands? Even a rough estimate is impossible. Hawaiians named taro patches, rocks, trees, canoe landings, resting places in the forests, and the tiniest spots where miraculous events are believed to have taken place. And place names are far from static--names are constantly being given to new houses and buildings, streets and towns, and old names are replaced by new ones. It is essential, then, to record the names and the lore associated with them now, while Hawaiians are here to lend us their knowledge. And, whatever the fate of the Hawaiian

language, the place names will endure. The first edition of Place Names of Hawaii contained only 1,125 entries. The coverage is expanded in the present edition to include about 4,000 entries, including names in English. Also, approximately 800 more names are included in this volume than appear in the second edition of the Atlas of Hawaii.

Spoken Hawaiian Apr 04 2020

Kapampangan Dictionary Feb 01 2020 The Philippines series of the PALI Language Texts, under the general editorship of Howard P. McKaughan, consists of lesson textbooks, grammars, and dictionaries for seven major Filipino languages.

A Dictionary of the Hawaiian Language May 30 2022

A Dictionary of Hawaiian Legal Land-Terms Sep 09 2020 A Dictionary of Hawaiian Legal Land-Terms is the first reference book of its kind to compile, organize, and explain critical information needed for the accurate translation and interpretation of nineteenth-century Hawaiian land-conveyance documents. Neither life-long residents nor recent newcomers should minimize the influence of Hawaii's unique history on the developments taking place in the state today. Yet for decades the study and translation of century-old documents - Royal Patents, Land Commission Awards, and deeds, to name a few - have been hampered by the lack of a comprehensive research tool. Now, in a single volume, readers have an overview of commonly used words and phrases, survey practices, and documents that were recorded in Hawaiian before the turn of the century. The book also includes Hawaii's appellate cases that have defined such terms. With the publication of A Dictionary of Hawaiian Legal Land-Terms, both professionals and non-professionals, Hawaiians and non-Hawaiians, have gained a valuable key to unlocking and understanding the past.

Learn Hawaiian at Home Feb 24 2022 Learn Hawaiian at Home is a user-friendly introduction to one of the most beautiful languages in the world. This durable, economical package includes a book and two audio cassettes, emphasizing the unique approach this program takes by including songs, written passages, and several dialogs for each chapter. Vocabulary, useful phrases, homework, dialogs, self-tests, answer key, and glossaries provide structured, self-paced lessons that are reinforced by guided practice in pronunciation.

English-Tahitian, Tahitian-English Dictionary Jan 14 2021 This is the most useful and comprehensive English-Tahitian, Tahitian-English dictionary available. The author, who was a devoted student of Tahitian for more than three decades, provides an extensive introduction to the language with detailed notes on grammar, usage, and pronunciation. This reprint edition has been re-sized to 6 inches x 9.25 inches, making it a convenient and handier alternative to larger-sized dictionaries.

The Hawaiian Language and Hawaiian-English Dictionary Apr 28 2022

ABC Cantonese-English Comprehensive Dictionary Jun 06 2020 Cantonese is spoken by an estimated 73 million people worldwide. It remains hugely influential and a source of great pride--especially for its speakers in Hong Kong, where it flourishes as the predominant language and so sets Hong Kong apart linguistically from all of mainland China. The first and most authoritative reference of its kind to be published in the last forty years, ABC Cantonese-English Comprehensive Dictionary comprises about 15,000 lexical entries that are unique to the colloquial Cantonese language as it is spoken and written in Hong Kong today. Author Robert S. Bauer, a renowned lexicographer and authority on Cantonese, has utilized language documentation resources to the fullest extent by gathering material firsthand from dictionaries, glossaries, and grammars; newspapers and magazines; government records; cartoons and comic books; film and television; websites; and native speakers striding the sidewalks of Hong Kong to capture concretely contemporary Cantonese. In addition to the Introduction, which presents an exhaustive description and analysis of Hong Kong Cantonese, this dictionary's special features include: alphabetical ordering of the lexical entries by their Jyut Ping romanized Cantonese pronunciations; parts of speech; cross-referencing with semantically related lexical items; variant pronunciations and written forms in Chinese characters and English letters; explanatory notes on social status and usage (literal, figurative, slang, jargon, humorous, obscene, obsolete, etc.); information on sociocultural, historical, and political aspects; and example sentences showing lexical usage in the context of spoken Cantonese.
