**Sepulchre** Mar 02 2020 From the New York Times bestselling author of *Labyrinth*—"a rich brew of supernaturalism and intrigue." (Kirkus Reviews) In 1891, young Léonie Vernier and her brother arrive at the home of their widowed aunt in Rennes-le-Bains, in southwest France. But nothing is as Léonie had imagined. Their aunt is young, willowy, and beautiful, and the estate is a subject of local superstition. Villagers claim that Léonie's late uncle died after summoning a demon from the old Visigoth sepulchre on its grounds... More than a century later, Meredith Martin, an American graduate student, arrives in Rennes-le-Bains while researching the life of Claude Debussy. Haunted by a Tarot reading she had in Paris—and possessing the mysterious deck of cards—she checks into a grand old hotel built on the site of a famous mountain estate destroyed by fire in 1896. There, the pack of Tarot cards and a piece of 19th-century music known as *Sepulchre 1891* hold the key to her fate—just as they did to the fate of Léonie Vernier.

*Millennium Falcon: Star Wars Legends* Jan 24 2022 Two years have passed since Jacen Solo, seduced by the dark side and reanointed as the brutal Sith Lord Darth Caedus, died at the hands of his twin sister, Jaina, Sword of the Jedi. For a grieving Han and Leia, the shadow of their son's tragic downfall still looms large. But Jacen's own bright and loving daughter, Allana, offers a ray of hope for the future as she thrives in her grandparents' care. And when the eager, inquisitive girl, in whom the Force grows ever stronger, makes a curious discovery aboard her grandfather's beloved spacecraft—the much-overhauled but ever-dependable Millennium Falcon—the Solo family finds itself at a new turning point, about to set out on an odyssey into uncertain territory, untold adventure, and unexpected rewards. To Han, who knows every bolt, weld, and sensor of the Falcon as if they were parts of himself, the strange device Allana shows him is utterly alien. But its confounding presence—and Allana's infectious desire to unravel its mystery—are impossible to dismiss. The only answer lies in backtracking into the past on a fact-finding expedition to retrace the people, places, and events in the checkered history of the vessel that's done everything from making the Kessel Run "in less than twelve parsecs" to helping topple an evil empire. From the moment the Falcon broke loose from a Corellian assembly line like an untamed creature with a will of its own, it seemed destined to seek out trouble. It wasn't long before the feisty YT-1300 freighter went from shuttling cargo to smuggling contraband. But it's a fateful rendezvous on Coruscant, at the explosive height of the Republic/Separatist uprising, that launches a galaxywide cat-and-mouse game whose newest players are Han, Leia, Allana, and C-3PO. And they're not alone: Crime lords, galactic pirates, rogue politicians, and fortune hunters alike loom at every turn of the quest—each with his or her own desperate stake in the Millennium Falcon's most momentous mission. Through the years and across the stars, from the Rim worlds to unknown points beyond, the race will lead them all to a final standoff for a prize some will risk everything to find—and pay any cost to possess. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

**The City of Mist** Nov 29 2019 "Ruiz Zafón's visionary storytelling prowess is a genre unto itself."—USA Today Return to the mythical Barcelona library known as the Cemetery of Forgotten Books in this posthumous collection of stories from the New York Times bestselling author of *The Shadow of the Wind* and *The Labyrinth of the Spirits*. Bestselling author Carlos Ruiz Zafón conceived of this collection of stories as an appreciation to the countless readers who joined him on the extraordinary journey that began with *The Shadow of the Wind*. Comprising eleven stories, most of them never before published in English, *The City of Mist* offers the reader compelling characters, unique situations, and a gothic atmosphere reminiscent of his beloved Cemetery of Forgotten Books quartet. The stories are mysterious, imbued with a sense of menace, and told with the warmth, wit, and humor of Zafón's inimitable voice. A boy decides to become a writer when he discovers that his creative gifts capture the attentions of an aloof young beauty who has stolen his heart. A labyrinth maker flees Constantinople to a plague-ridden Barcelona, with plans for building a library impervious

to the destruction of time. A strange gentleman tempts Cervantes to write a book like no other, each page of which could prolong the life of the woman he loves. And a brilliant Catalan architect named Antoni Gaudí reluctantly agrees to cross the ocean to New York, a voyage that will determine the fate of an unfinished masterpiece. Imaginative and beguiling, these and other stories in *The City of Mist* summon up the mesmerizing magic of their brilliant creator and invite us to come dream along with him.

*The Making of Star Wars, Revenge of the Sith* Jul 18 2021 An insider's tour of the making of the latest Star Wars film provides photographs from the Lucasfilm archives, portraits of its actors and creators, and a behind-the-scenes look at everything from set designs to character development to special effects magic. Simultaneous. 40,000 first printing.

**This Is How You Lose the Time War** May 04 2020 HUGO AWARD WINNER: BEST NOVELLA NEBULA AND LOCUS AWARDS WINNER: BEST NOVELLA “[An] exquisitely crafted tale...Part epistolary romance, part mind-blowing science fiction adventure, this dazzling story unfolds bit by bit, revealing layers of meaning as it plays with cause and effect, wildly imaginative technologies, and increasingly intricate wordplay...This short novel warrants multiple readings to fully unlock its complexities.” —Publishers Weekly (starred review). From award-winning authors Amal El-Mohtar and Max Gladstone comes an enthralling, romantic novel spanning time and space about two time-traveling rivals who fall in love and must change the past to ensure their future. Among the ashes of a dying world, an agent of the Commandment finds a letter. It reads: Burn before reading. Thus begins an unlikely correspondence between two rival agents hellbent on securing the best possible future for their warring factions. Now, what began as a taunt, a battlefield boast, becomes something more. Something epic. Something romantic. Something that could change the past and the future. Except the discovery of their bond would mean the death of each of them. There’s still a war going on, after all. And someone has to win. That’s how war works, right? Cowritten by two beloved and award-winning sci-fi writers, *This Is How You Lose the Time War* is an epic love story spanning time and space.

*Labyrinth of Evil: Star Wars Legends* Mar 14 2021 The war that erupted in *Star Wars: Episode II Attack of the Clones* is nearing its boiling point, as the dauntless Separatist forces continue their assault on the teetering Republic—and the diabolical triumvirate of Count Dooku, General Grievous, and their Master, Darth Sidious, fine-tune their strategy for conquest. In *Episode III Revenge of the Sith* the fates of key players on both sides of the conflict will be sealed. But first, crucial events that pave the way to that time of reckoning unfold in a labyrinth of evil. . . . Capturing Trade Federation Viceroy—and Separatist Councilmember—Nute Gunray is the mission that brings Jedi Knights Obi-Wan Kenobi and Anakin Skywalker, with a squad of clones in tow, to Neimoidia. But the treacherous ally of the Sith proves as slippery as ever, evading his Jedi pursuers even as they narrowly avoid deadly disaster. Still, their daring efforts yield an unexpected prize: a unique holotransceiver that bears intelligence capable of leading the Republic forces to their ultimate quarry, the ever-elusive Darth Sidious. Swiftly taking up the chase, Anakin and Obi-Wan follow clues from the droid factories of Charros IV to the far-flung worlds of the Outer Rim . . . every step bringing them closer to pinpointing the location of the Sith Lord—whom they suspect has been manipulating every aspect of the Separatist rebellion. Yet somehow, in the escalating galaxy-wide chess game of strikes, counterstrikes, ambushes, sabotage, and retaliations, Sidious stays constantly one move ahead. Then the trail takes a shocking turn. For Sidious and his minions have set in motion a ruthlessly orchestrated campaign to divide and overwhelm the Jedi forces—and bring the Republic to its knees. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

*Political Survivors* Nov 09 2020 In 1949, as Cold War tensions in Europe mounted, French intellectual and former Buchenwald inmate David Rousset called upon fellow concentration camp survivors to denounce the Soviet Gulag as a "hallucinatory repetition" of Nazi Germany's most terrible crime. In *Political Survivors*, Emma Kuby tells the riveting story of what followed his appeal, as prominent members of the wartime Resistance from throughout Western Europe united to campaign against the continued existence of inhumane internment systems around the world. The International Commission against the Concentration Camp Regime brought together those originally deported for acts of anti-Nazi political activity who believed that their unlikely survival incurred a duty to bear witness for other victims. Over the course of the next decade, these pioneering activists crusaded to expose political imprisonment, forced labor, and other crimes against humanity in Franco's Spain, Maoist China, French Algeria, and beyond. Until now, the CIA's secret funding of Rousset's movement has remained in the shadows. Kuby reveals this clandestine arrangement between European camp survivors and American intelligence agents. She also brings to light how Jewish Holocaust victims were systematically excluded from Commission membership – a choice that fueled the group's rise, but also helped lead to its premature downfall. The history that she unearths provides a striking new vision of how wartime memory shaped European intellectual life and ideological struggle after 1945, showing that the key lessons Western Europeans drew from the war centered on "the camp," imagined first and foremost as a site of political repression rather than ethnic genocide. *Political Survivors* argues that Cold War dogma and acrimony, tied to a distorted understanding of WWII's chief atrocities, overshadowed the humanitarian possibilities of the nascent anti-concentration camp movement as Europe confronted the violent decolonizing struggles of the 1950s.

*Jedi Trial: Star Wars Legends* Mar 26 2022 “Within twenty-four standard hours we will sit firmly astride the communications link that connects the worlds of the Republic. . . . Our control will be a dagger thrust directly at Coruscant. This is the move that will win the war for us.” With these ominous words, Pors Tonith, ruthless minion of Count Dooku, declares the fate of the Republic sealed. Commanding a Separatist invasion force more than one million strong, the cunning financier-turned-warrior lays siege to the planet Praesitlyn, home of the strategic intergalactic communications center that is key to the Republic’s survival in the Clone Wars. Left unchallenged, this decisive strike could indeed pave the way for the toppling of more Republic worlds . . . and ultimate victory for the Separatists. Retaliation must be swift and certain. But engaging the enemy throughout the galaxy has already stretched Supreme Chancellor Palpatine’s armies to the limit. There is no choice but to move against the surging waves of invading battle-droids on Praesitlyn with only a small contingent of clone soldiers. Commanding them will be Jedi Master Nejaa Halcyon—hand-picked by the Council for the do-or-die mission. And at his side, skilled young starfighter pilot Anakin Skywalker, a promising young Jedi Padawan eager to be freed of the bonds of apprenticeship—and to be awarded the title of Jedi Knight. Shoulder to shoulder with a rogue Republic army officer and his battle-hardened crew, a hulking Rondian mercenary with an insatiable taste for combat, and a duo of ready-for-anything soldiers, the Jedi generals take to the skies and the punishing desert terrain of occupied Praesitlyn—to bring the battle to the Separatist forces. Already outnumbered and outgunned, when confronted with an enemy ultimatum that could lead to the massacre of innocents, they may also be out of options. Unless Anakin Skywalker can strike a crucial balance between the wisdom born of the

Force . . . and the instincts of a born warrior. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

**Labyrinth of Ice** Sep 07 2020 National Outdoor Book Awards Winner Winner of the BANFF Adventure Travel Award “A thrilling and harrowing story. If it’s a cliché to say I couldn’t put this book down, well, too bad: I couldn’t put this book down.” —Jess Walter, bestselling author of *Beautiful Ruins* “Polar exploration is utter madness. It is the insistence of life where life shouldn’t exist. And so, *Labyrinth of Ice* shows you exactly what happens when the unstoppable meets the unmovable. Buddy Levy outdoes himself here. The details and story are magnificent.” —Brad Meltzer, bestselling author of *The First Conspiracy: The Secret Plot to Kill George Washington* Based on the author’s exhaustive research, the incredible true story of the Greely Expedition, one of the most harrowing adventures in the annals of polar exploration. In July 1881, Lt. A.W. Greely and his crew of 24 scientists and explorers were bound for the last region unmarked on global maps. Their goal: Farthest North. What would follow was one of the most extraordinary and terrible voyages ever made. Greely and his men confronted every possible challenge—vicious wolves, sub-zero temperatures, and months of total darkness—as they set about exploring one of the most remote, unrelenting environments on the planet. In May 1882, they broke the 300-year-old record, and returned to camp to eagerly await the resupply ship scheduled to return at the end of the year. Only nothing came. 250 miles south, a wall of ice prevented any rescue from reaching them. Provisions thinned and a second winter descended. Back home, Greely’s wife worked tirelessly against government resistance to rally a rescue mission. Months passed, and Greely made a drastic choice: he and his men loaded the remaining provisions and tools onto their five small boats, and pushed off into the treacherous waters. After just two weeks, dangerous floes surrounded them. Now new dangers awaited: insanity, threats of mutiny, and cannibalism. As food dwindled and the men weakened, Greely’s expedition clung desperately to life. *Labyrinth of Ice* tells the true story of the heroic lives and deaths of these voyagers hell-bent on fame and fortune—at any cost—and how their journey changed the world.

**Dark Lord: Star Wars Legends** Apr 14 2021 Throughout the galaxy, it was believed that Jedi Knight Anakin Skywalker—the Chosen One—had died on Coruscant during the siege of the Jedi Temple. And, to some extent, that was true. Anakin was dead. From the site of Anakin Skywalker’s last stand—on the molten surface of the planet Mustafar, where he sought to destroy his friend and former master, Obi-Wan Kenobi—a fearsome specter in black has risen. Once the most powerful Knight ever known to the Jedi Order, he is now a disciple of the dark side, a lord of the dreaded Sith, and the avenging right hand of the galaxy’s ruthless new Emperor. Seduced, deranged, and destroyed by the machinations of the Dark Lord Sidious, Anakin Skywalker is dead . . . and Darth Vader lives. Word of the events that created him—the Jedi Council’s failed mutiny against Supreme Chancellor Palpatine, the self-crowned Emperor’s retaliatory command to exterminate the Jedi Order, and Anakin’s massacre of his comrades and Masters in the Jedi Temple—has yet to reach all quarters. On the Outer Rim world of Murkhana, Jedi Masters Roan Shryne and Bol Chatak and Padawan Olee Starstone are leading a charge on a Separatist stronghold, unaware that the tide, red with Jedi blood, has turned suddenly against them. When the three narrowly elude execution—and become the desperate prey in a hunt across space—it’s neither clone soldiers, nor the newly deployed stormtroopers, nor even the wrath of the power-hungry Emperor himself they must fear most. The deadliest threat rests in the hideously swift and lethal crimson lightsaber of Darth Vader—behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi, survival is imperative if the light side of the Force is to be protected and the galaxy somehow, someday reclaimed. Yet more important still is the well-being of the twin infants, Leia and Luke Skywalker, the children of Anakin and his doomed bride, Padmé Amidala. Separated after Padmé’s death, they must be made safe at all costs, lest the hope they represent for the future be turned to horror by the new Sith regime—and the unspeakable power of the dark side.

The Labyrinth of the Spirits Aug 19 2021 The internationally acclaimed, New York Times bestselling author returns to the magnificent universe he constructed in his bestselling novels *The Shadow of the Wind*, *The Angel's Game*, and *The Prisoner of Heaven* in this riveting series finale—a heart-pounding thriller and nail-biting work of suspense which introduces a sexy, seductive new heroine whose investigation shines a light on the dark history of Franco's Spain. In this unforgettable final volume of Ruiz Zafón's cycle of novels set in the universe of the Cemetery of Forgotten Books, beautiful and enigmatic Alicia Gris, with the help of the Sempere family, uncovers one of the most shocking conspiracies in all Spanish history. Nine-year-old Alicia lost her parents during the Spanish Civil War when the Nacionales (the fascists) savagely bombed Barcelona in 1938. Twenty years later, she still carries the emotional and physical scars of that violent and terrifying time. Weary of her work as an investigator for Spain's secret police in Madrid, a job she has held for more than a decade, the twenty-nine-year old plans to move on. At the insistence of her boss, Leandro Montalvo, she remains to solve one last case: the mysterious disappearance of Spain's Minister of Culture, Mauricio Valls. With her partner, the intimidating policeman Juan Manuel Vargas, Alicia discovers a possible clue—a rare book by the author Victor Mataix hidden in Valls' office in his Madrid mansion. Valls was the director of the notorious Montjuic Prison in Barcelona during World War II where several writers were imprisoned, including David Martín and Victor Mataix. Traveling to Barcelona on the trail of these writers, Alicia and Vargas meet with several booksellers, including Juan Sempere, who knew her parents. As Alicia and Vargas come closer to finding Valls, they uncover a tangled web of kidnappings and murders tied to the Franco regime, whose corruption is more widespread and horrifying than anyone imagined. Alicia's courageous and uncompromising search for the truth puts her life in peril. Only with the help of a circle of devoted friends will she emerge from the dark labyrinths of Barcelona and its history into the light of the future. In this haunting new novel, Carlos Ruiz Zafón proves yet again that he is a masterful storyteller and pays homage to the world of books, to his ingenious creation of the Cemetery of Forgotten, and to that magical bridge between literature and our lives.

**The Dark Labyrinth** Oct 09 2020 Who will survive the Labyrinth of Crete? A group of English cruise-ship tourists debark to visit the isle of Crete's famed labyrinth, the City in the Rock. The motley gathering includes a painter, a poet, a soldier, an elderly married couple, a medium, a convalescent girl, and the mysterious Lord Gracean. The group is prepared for a trifling day of sightseeing and maybe even a glimpse of the legendary Minotaur, but instead is suddenly stuck in a nightmare when a rockslide traps them deep within the labyrinth. Who among the passengers will make it out alive? And for those who emerge, will anything ever be the same?

**Putin's Labyrinth** Aug 07 2020 The new Russia is marching in an alarming direction. Emboldened by escalating oil wealth and newfound prominence as a world power, Russia, under the leadership of Vladimir Putin, has veered back toward the authoritarian roots planted in Imperial/Czarist times and firmly established during the Soviet era. Though Russia has a new president, Dmitri Medvedev, Putin remains in control, rendering the democratic reforms of the post-Soviet order irrelevant. Now, in *Putin's Labyrinth*, acclaimed journalist Steve LeVine, who lived in and reported from the former Soviet Union for more than a decade, provides a penetrating account of modern Russia under the repressive rule of an all-powerful autocrat. LeVine portrays the growth of a "culture of death"—from targeted assassinations of the state's enemies to the Kremlin's indifference when innocent hostages are slaughtered. Drawing on new interviews with eyewitnesses and the families of victims, LeVine documents the bloodshed that has stained Putin's two terms as president. Among the incidents chronicled in these pages: The 2002 terrorist takeover of a crowded Moscow theater—which led to the government gassing the building, and the deaths of more than a hundred terrified hostages—seen here from new angles, through the riveting words of those who survived; and the murder of courageous investigative reporter Anna Politkovskaya, shot in the elevator of her apartment building on Putin's birthday, purportedly as a malicious "gift" for the president from supporters. Finally, a shocking story that made international headlines—the 2006 death of defector Alexander Litvinenko in London—is dramatized as never before. LeVine traces the steps of this KGB-spy-turned-dissident on his way to being poisoned with polonium-210, a radioactive isotope. And in doing so, LeVine is granted a rare series of interviews with a KGB defector who was nearly killed in strangely similar circumstances fifty years earlier. Through LeVine's exhaustive research, we come to know the victims as real people, not just names in brief news accounts of how they died. *Putin's Labyrinth* is more than an immensely readable exposé. It is highly personal, with the flavor of a memoir. It is a thoughtful book that examines the perplexing question of how Russians manage to negotiate their way around the ever-present danger of violence. It calculates the emotional toll that this lethal maze is exacting on ordinary people, even as they enjoy a dramatically heightened standard of living. Most ominously, it assesses the reopening of hostilities with the West, and the forces that are driving this major new confrontation.

*Star Wars Dark Lord* May 28 2022 Darth Vader, the evil emperor's powerful enforcer, sets out to eliminate all resistance to the Empire, a mission that reveals his true strength and role as the Emperor's iron fist.

**Pan's Labyrinth: The Labyrinth of the Faun** Feb 22 2022 A New York Times Bestseller! Fans of dark fairy-tales like *The Hazel Wood* and *The Cruel Prince* will relish this atmospheric and absorbing book based on Guillermo del Toro's critically acclaimed movie. Oscar winning writer-director Guillermo del Toro and bestselling author Cornelia Funke have come together to transform del Toro's hit movie *Pan's Labyrinth* into an epic and dark fantasy novel for readers of all ages, complete with haunting illustrations and enchanting short stories that flesh out the folklore of this fascinating world. This spellbinding tale takes readers to a sinister, magical,

and war-torn world filled with richly drawn characters like trickster fauns, murderous soldiers, child-eating monsters, courageous rebels, and a long-lost princess hoping to be reunited with her family. A brilliant collaboration between masterful storytellers that's not to be missed. "Perfectly unsettling and deeply felt, this reminded me of the best kind of fairytales wherein each chapter is a jewel that, when held up to the light, reframes how we see the world around us." —Roshani Chokshi, New York Times bestselling author of *The Star-Touched Queen* and *Aru Shah and the End of Time* "A fearless and moving adaptation of the film, and a gorgeously written, emotional, frightening parable about the courage of young women amid the brutality of war." —Michael Grant, New York Times bestselling author of *Gone*

**Beyond Post-Traumatic Stress** Jan 30 2020 When soldiers at Fort Carson were charged with a series of 14 murders, PTSD and other "invisible wounds of war" were thrown into the national spotlight. With these events as their starting point, Jean Scandlyn and Sarah Hautzinger argue for a new approach to combat stress and trauma, seeing them not just as individual medical pathologies but as fundamentally collective cultural phenomena. Their deep ethnographic research, including unusual access to affected soldiers at Fort Carson, also engaged an extended labyrinth of friends, family, communities, military culture, social services, bureaucracies, the media, and many other layers of society. Through this profound and moving book, they insist that invisible combat injuries are a social challenge demanding collective reconciliation with the post-9/11 wars.

**Labyrinth** Aug 26 2019 From "one of the bonafide rock stars of the thriller genre" (*The Real Book Spy*) comes another tour de force in the #1 New York Times bestselling FBI Thriller series following agents Savich and Sherlock as they stumble into a bizarre case that's more complicated and twisted than any they've ever encountered. On a Tuesday afternoon, Agent Sherlock is driving in downtown Washington when her Volvo is suddenly T-boned at an intersection. As her car spins out of control, a man's body slams against her windshield and then—blackness. When she finally regains consciousness in the hospital, she's told about the accident and the man she struck. No one knows yet who he is or where he is because he ran away. From DNA, they discover his name is Justice Cummings and he's a CIA analyst at Langley...and he's still missing. Meanwhile, in the small town of Gaffer's Ridge, Virginia, Special Agent Griffin Hammersmith rescues a kidnapped woman claiming her captor had probably murdered three missing teenage girls. However, the man she accuses is the local sheriff's nephew and a member of a very powerful family, reputed to have psychic powers. When the sheriff arrests Griffin and the rescued woman, Carson DaSilva, he calls Savich for help. Together they have to weave their way through a labyrinth of lies to find the truth of a terrible secret. "If there's one thing that readers can count on in a Coulter novel it is that she always delivers amazingly eerie and complex thrillers" (RT Book Reviews), and *Labyrinth* is no different. With white-knuckled pacing and shocking twists and turns, this is another electrifying novel that will sink its teeth in you.

**The Star Wars Trilogy** Dec 11 2020 A twenty-fifth anniversary edition brings together the original, complete "Star Wars" novels in a single volume that includes "Star Wars : a New Hope," "The Empire Strikes Back," and "Return of the Jedi."

**The Spanish Labyrinth** Jun 16 2021 Gerald Brenan's *The Spanish Labyrinth* has become the classic account of the background to the Spanish Civil War. Written during and immediately after the Civil War, this book has all the vividness of the author's experience. It represents a struggle to see the issues in Spanish politics objectively, whilst bearing witness to the deep involvement which is the only possible source of much of this richly detailed account. As a literary figure on the fringe of the Bloomsbury group, Gerald Brenan lends to this narrative an engaging personal style that has become familiar to many thousands of readers over the decades since it was first published.

*The Dark Lord Trilogy: Star Wars Legends* Jul 30 2022 For the first time in one thrilling volume, three novels—*Labyrinth of Evil*, *Revenge of the Sith*, and *Dark Lord: The Rise of Darth Vader*—that follow an epic chain of events: the last days of the Republic, the creation of the Empire, and the ultimate transformation of Jedi Anakin Skywalker into the notorious Darth Vader. On the planet Neimoidia, Jedi Knights Obi-Wan Kenobi and Anakin Skywalker seize an unexpected prize: intelligence capable of leading the Republic forces to the ever-elusive Darth Sidious, who is ruthlessly orchestrating a campaign to divide and overwhelm the Jedi forces. As combat escalates across the galaxy, and Darth Sidious remains one step ahead of his pursuers, the stage is set for an explosive endgame. Tormented by unspeakable visions, Anakin edges closer to the brink of a galaxy-shaping decision, while Darth Sidious plots to strike the final staggering blow against the Republic—and to ordain a fearsome new Sith Lord: Darth Vader. Once the most powerful Knight ever known to the Jedi Order, Anakin becomes Darth Vader, a disciple of the dark side, a lord of the dreaded Sith, and the avenging right hand of the galaxy's ruthless new Emperor. As a few surviving Jedi lead a charge on a Separatist stronghold, the deadliest threat still rests in the swift and lethal crimson lightsaber of Darth Vader—behind whose brooding mask lies a shattered heart, a poisoned soul, and a cunning, twisted mind hell-bent on vengeance. For the handful of scattered Jedi hunted across space, survival is imperative if the light side of the Force is to be protected and the galaxy reclaimed. *LABYRINTH OF EVIL* by James Luceno *REVENGE OF THE SITH* by Matthew Stover, based on the story and screenplay by George Lucas *DARK LORD The Rise of Darth Vader* by James Luceno

*Vietnam Labyrinth* Dec 23 2021 "The memoir of Tran Ngoc Chau, one of the few Vietnamese Army officers who also saw service in Ho Chi Minh's National Liberation Army"--Provided by publisher.

*The General in His Labyrinth* Nov 21 2021 AVAILABLE FOR THE FIRST TIME IN eBook! General Simon Bolivar, "the Liberator" of five South American countries, takes a last melancholy journey down the Magdalena River, revisiting cities along its shores, and reliving the triumphs, passions, and betrayals of his life. Infinitely charming, prodigiously successful in love, war and politics, he still dances with such enthusiasm and skill that his witnesses cannot believe he is ill. Aflame with memories of the power that he commanded and the dream of continental unity that eluded him, he is a moving exemplar of how much can be won—and lost—in a life.

*The Kentucky Cave Wars* Sep 27 2019 Eighty-two square miles of rolling hills and valleys in south-central Kentucky make up Mammoth Cave National Park, one of four National Park units in the Commonwealth. Our 26th National Park is home to an enormous labyrinth of underground passages. In fact, Mammoth Cave today is understood to be the world's longest known cave system. Over 400 miles of passages have already been discovered, yet Mammoth Cave is not the only cavern in southern Kentucky. More than 300 other cave systems are known to exist within park boundaries, with many more beyond the reach of the national park. The discovery and exploitation of many of these created opportunity and prosperity for many who would seek to compete with the world famous Mammoth Cave. Roughly one hundred years of competition between enterprising cave managers, guides, locals, outsiders, explorers,

and those loyal to one cave or another defined an era known as the Kentucky Cave Wars.

**The Han Solo Adventures: Star Wars Legends** Jul 06 2020 Han Solo's extraordinary exploits continue in this awesome trilogy. HAN SOLO AT STARS' END Han Solo trusts no one, and does no favors. But when the best illegal ship rebuilder in the galaxy disappears, Han and Chewbacca agree to go after him—after all, the Millennium Falcon needs some very special repairs. Their search pits them against powerful and ruthless enemies out to destroy them, and finally leads them to an airless speck of desolate asteroid—the Authority prison planet known as Stars' End. HAN SOLO'S REVENGE For a cool ten thousand credits, Han and Chewbacca will do just about anything—except transport slaves. For one thing, it means an instant death sentence. So when a high-paying cargo shipment turns out to be a consignment of slaves, Han and Chewie have to think fast. But Han forms a plan to turn the tables on the slavers and free the captives. Then, good deed accomplished, he scours the skies for the nasty joker who set him up—because revenge can be so sweet. HAN SOLO AND THE LOST LEGACY There's a fabled treasure at stake and a price on Han's head. So he and Chewbacca head for a planet rumored to hide undreamed-of riches. But once they get there, Han's beloved spacecraft, the Millennium Falcon, is hijacked by a band of assassins and killer robots. Their chances for survival are so slim, they might as well risk it all.

*Star Wars®: Episode III: Revenge of the Sith* Sep 19 2021 Award-winning author Patricia C. Wrede tells the final chapter of the Star Wars saga, in this incredible novel based on one of the most eagerly awaited movies of all time. The circle will now be complete: the final installment of the Star Wars saga, showing the emergence of Darth Vader, the downfall of the Jedi, and the revenge of the Sith.

**The Unifying Force: Star Wars Legends** Jun 04 2020 At long last, the New York Times bestselling series that launched the Star Wars saga into the next generation and into thrilling new territory reaches its spectacular finale. Side by side, Luke Skywalker, Han Solo, Leia Organa Solo, their children, and their comrades in the Galactic Alliance rally for their last stand against the enemy that threatens not only the galaxy, but the Force itself. The Galactic Alliance's hard-won success in countering the Yuuzhan Vong onslaught has proven all too brief—and the tide has turned once more to the invaders' advantage. Having overcome the sabotage strategies of the Jedi and their allies, the marauding aliens have pushed deeper into the galaxy and subjugated more worlds in their ruthless quest for domination. Coruscant has been remade into a Yuuzhan Vong stronghold. The remnants of the resistance are struggling to form a united front. Luke, Mara, and Jacen are missing in action. Clearly the stage is set for endgame. Now, as Han and Leia receive the chilling news that hundreds of high-ranking Galactic Alliance prisoners face slaughter in a sacrifice to the enemy's bloodthirsty gods, Luke and his team try desperately to convince the living world of Zonama Sekot to join the Jedi's final campaign against the Yuuzhan Vong. Yet even as they speak, a lone space station is all that stands between Alliance headquarters on Mon Calamari . . . and wave after wave of ferocious enemy forces waging their most decisive assault. At the same time, the Jedi's alliances throughout the galaxy are being tested—and the chances of victory jeopardized—by rogue factions determined to deploy the lethal weapon that will exterminate the Yuuzhan Vong . . . and perhaps countless other species. And among the Yuuzhan Vong themselves, the threat of revolt has reached a boiling point—as the oppressed underclass and powerful officials alike fear their Supreme Overlord's mad actions will provoke the wrath of the gods. Ultimately, for both the forces of invasion and resistance, too much has been sacrificed—and too much is at stake—to ever turn back. And now, nothing can stand in the way of seizing victory . . . or facing annihilation.

*Star Wars* Aug 31 2022 Obi-Wan Kenobi and Anakin Skywalker embark on a mission to uncover the whereabouts of the evil Sith Lord, Darth Sidious, only to become trapped in a labyrinthine web of lies, betrayal, and intrigue.

**Labyrinth of Evil: Star Wars Legends** Nov 02 2022 The war that erupted in Star Wars: Episode II Attack of the Clones is nearing its boiling point, as the dauntless Separatist forces continue their assault on the teetering Republic—and the diabolical triumvirate of Count Dooku, General Grievous, and their Master, Darth Sidious, fine-tune their strategy for conquest. In Episode III Revenge of the Sith the fates of key players on both sides of the conflict will be sealed. But first, crucial events that pave the way to that time of reckoning unfold in a labyrinth of evil. . . . Capturing Trade Federation Viceroy—and Separatist Councilmember—Nute Gunray is the mission that brings Jedi Knights Obi-Wan Kenobi and Anakin Skywalker, with a squad of clones in tow, to Neimoidia. But the treacherous ally of the Sith proves as slippery as ever, evading his Jedi pursuers even as they narrowly avoid deadly disaster. Still, their daring efforts yield an unexpected prize: a unique holotransceiver that bears intelligence capable of leading the Republic forces to their ultimate quarry, the ever-elusive Darth Sidious. Swiftly taking up the chase, Anakin and Obi-Wan follow clues from the droid factories of Charros IV to the far-flung worlds of the Outer Rim . . . every step bringing them closer to pinpointing the location of the Sith Lord—whom they suspect has been manipulating every aspect of the Separatist rebellion. Yet somehow, in the escalating galaxy-wide chess game of strikes, counterstrikes, ambushes, sabotage, and retaliations, Sidious stays constantly one move ahead. Then the trail takes a shocking turn. For Sidious and his minions have set in motion a ruthlessly orchestrated campaign to divide and overwhelm the Jedi forces—and bring the Republic to its knees.

**Star Wars: Brotherhood** Jun 28 2022 NEW YORK TIMES BESTSELLER • Obi-Wan Kenobi and Anakin Skywalker must stem the tide of the raging Clone Wars and forge a new bond as Jedi Knights in a high-stakes adventure set just after the events of Star Wars: Attack of the Clones. The Clone Wars have begun. Battle lines are being drawn throughout the galaxy. With every world that joins the Separatists, the peace guarded by the Jedi Order is slipping through their fingers. After an explosion devastates Cato Neimoidia, the jewel of the Trade Federation, the Republic is blamed and the fragile neutrality of the planet is threatened. The Jedi dispatch Obi-Wan Kenobi, one of the Order's most gifted diplomatic minds, to investigate the crime and maintain the balance that has begun to dangerously shift. As Obi-Wan investigates with the help of a heroic Neimoidian guard, he finds himself working against the Separatists who hope to draw the planet into their conspiracy—and senses the sinister hand of Asajj Ventress in the mists that cloak the planet. Amid the brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-Wan travel alone—and his former master's insistence that he listen this time—Anakin's headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-Wan, Anakin now finds himself on equal—but uncertain—footing with the man who raised him. The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together—and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face they must grow beyond master and apprentice. They must stand together as brothers.

*The National Security Enterprise* Oct 28 2019 This second edition of The National Security Enterprise provides practitioners' insights

into the operation, missions, and organizational cultures of the principal national security agencies and other institutions that shape the US national security decision-making process. Unlike some textbooks on American foreign policy, it offers analysis from insiders who have worked at the National Security Council, the State and Defense Departments, the intelligence community, and the other critical government entities. The book explains how organizational missions and cultures create the labyrinth in which a coherent national security policy must be fashioned. Understanding and appreciating these organizations and their cultures is essential for formulating and implementing it. Taking into account the changes introduced by the Obama administration, the second edition includes four new or entirely revised chapters (Congress, Department of Homeland Security, Treasury, and USAID) and updates to the text throughout. It covers changes instituted since the first edition was published in 2011, implications of the government campaign to prosecute leaks, and lessons learned from more than a decade of war in Afghanistan and Iraq. This up-to-date book will appeal to students of US national security and foreign policy as well as career policymakers.

**The Burmese Labyrinth** Feb 10 2021 A first-hand account of the complex, bloody history of Myanmar and the origins of the ethnic cleansing of the Rohingyas In 2011, Myanmar embarked in a democratic transition from a brutal military rule that culminated four years later, when the first free election in decades saw a landslide for the party of celebrated Nobel Prize winner Aung San Suu Kyi. Yet, even as the international community was celebrating a new dawn, old wars were raging in the northern borderlands. A crisis was emerging in western Arakan state where the regime intensified its oppression of the vulnerable Muslim Rohingya community. By 2017, the conflict had escalated into a military onslaught against the Rohingya that provoked the most desperate refugee crisis of our times, as over 750,000 of them fled their homes to neighbouring Bangladesh. In *The Burmese Labyrinth*, journalist Carlos Sardiña Galache gives the in depth story of the country. Burma has always been an uneasy balance between multiple ethnic groups and religions. He examines the deep roots behind the ethnic divisions that go back prior to the colonial period, and so shockingly exploded in recent times. This is a powerful portrait of a nation in perpetual conflict with itself.
