**Dogmatic Constitution on Divine Revelation**

Apr 17 2021 This document's purpose is to spell out the Church's understanding of the nature of revelation--the process whereby God communicates with human beings. It touches upon questions about Scripture, tradition, and the teaching authority of the Church. The major concern of the document is to proclaim a Catholic understanding of the Bible as the "word of God." Key elements include: Trinitarian structure, roles of apostles and bishops, and biblical reading in a historical context.

**The More Excellent Way: A Journey Through 1st Corinthians 13** Dec 02 2019

Life is complicated, so the answers must be too, right? That is all too often what we feel.

However, what if the answers are not that

complicated? Maybe there is a clear way that has been laid out for us to not only navigate life, but also thrive all along the way. "The More Excellent Way" is a 21 day journey through one of the most beloved chapters in the Bible. 1st Corinthians 13 was not simply written to be recited at weddings, it is a revelation of who God is and who we can be in Him. In this simple yet deeply impacting book, Pastor Scott Hobbs shows us how knowing the heart of God shows us who we are and that in turn unlocks the life we were created to live.

John Wesley's Sermons Feb 02 2020 Adapted from Albert Outler's 4-volume text *The Works of John Wesley*, this anthology of 50 of Wesley's finest sermons. Arranged chronologically with introductory commentary by Richard Heitzenrater.

*Practical Theology for Women* Jul 21 2021 Have you ever wanted to understand the deep things of the Word but been put off by the intimidating vocabulary of theologians? Have you assumed that studying the attributes of God is for seminary students only? Or maybe "just for men"? Have heavy doctrinal themes felt beyond you and your everyday world? If so-if you've ever thought theology was too deep, too impractical, or too irrelevant for your life as a woman-this book is for you. As author Wendy Alsup explores fundamental theological issues you've always wondered about-minus the daunting vocabulary and complex sentence structure of academic tomes-she brings them into real life... into your world... and reveals the heart of true theology. It's really about "simple yet incredibly profound stuff that affects our daily lives," she says. Stuff like faith and gaining a right knowledge of God as the foundation for wise daily living. Alsup writes: "Truly, there is nothing like a good grasp of accurate knowledge about God to enable you to meet the practical demands of your life-the practical demands of being a daughter, mother, wife, sister, or friend." Let *Practical Theology for Women* show you the everyday difference that knowing God makes.

The 5 Masculine Instincts Jun 27 2019 Don't trust your instincts—there is a better path to becoming a better man. It's no secret: today's men face a dilemma. Our culture tells them that their instincts are either toxic or salvific. Men are left with only two options: deconstruct and

forfeit masculine identity or embrace it with wild abandon. They're left to decide between ignoring their instincts or indulging them. Neither approach helps them actually understand their own masculine experiences nor how those experiences can lead them to become better men of God. The Bible doesn't shy away from the reality of masculine instincts nor all of the ways those instincts can lead to destruction. Examining the lives of five men of the Bible, *The 5 Masculine Instincts* shows that these men aren't masculine role models or heroes but are men who wrestled with their own desires and, by faith, matured them into something better. Through this book you'll discover your own instincts are neither curse nor virtue. They are the experiences by which you develop a new and better instinct—an instinct of faith. By exploring sarcasm, adventure, ambition, reputation, and apathy, *The 5 Masculine Instincts* shows you how to better understand yourself and how your own instincts can be matured into something better. This is the path by which we become better men.

*Embracing Love* Apr 05 2020 Nathan Albert stood with friends along the Chicago Pride Parade route, bearing signs of apology on behalf of Christians who had failed to represent Christ's love to the LGBTQ community. Little did he know that millions around the world would soon see him captured in an iconic photograph hugging a man in his underwear. *Embracing Love* is the story behind that photograph, the story of a musical theatre actor turned pastor who shares personal and pastoral stories of the LGBTQ community. He invites readers past the intimidation of controversy for the sake of embracing people with the love of Jesus.

A Still More Excellent Way May 31 2022 *A Still More Excellent Way* is a wonderful resource for use during the Pauline Year—and beyond. Written by Joe Durepos, the book provides readers with an inspiring introduction to the spiritual and moral wisdom of St. Paul through 52 brief selections from the apostle's writings. Each Scripture selection is accompanied by a story, reflection, or meditation that offers testimony to the unmistakably Christ-centered message found in the Pauline writings. Through the use of many twenty-first-century pop-culture references, Durepos shows how highly relevant

the letters of Paul, and their sacred words, are for us today.

**Desiring God** Aug 10 2020 Insightful and heart-warming, this classic book is written for those who seek to know God better. It unfolds life-impacting, biblical truths and has been called a "soul-stirring celebration of the pleasures of knowing God."

**Exposing the Spiritual Roots of Disease** Aug 02 2022 A Thoroughly Biblical and Compelling Case for Healing from the Best-Selling Author of A More Excellent Way Over thirty years ago, Dr. Henry Wright experienced major success in praying for people to be healed from disease. But suddenly the healing stopped. He began asking God why people weren't being healed. Through a pursuit of God's Word and truth, he began a lifelong journey of learning the spiritual roots of disease and blockages to healing. In this journey, he discovered that about 80 percent of all disease has a spiritual root issue and is a direct result of a breakdown in our relationship with God, ourselves, or others. Dr. Wright began teaching the biblical principles and truths he discovered and found great success in people's healing and recovery. He helped tens of thousands to experience wholeness in their lives. Every human being is a spirit with a soul living in a body. Therefore, this is not just about our physical health, although it greatly impacts our bodily well-being. It is about our identity in God and the freedom He desires to give us, extending from our spirits to our souls and bodies. In this book, Dr. Wright presents a thoroughly biblical and compelling case for healing. If you think you've read all you need to know about healing, it's time to take another look! The author clearly shows that disease is not a random occurrence and that science and medicine have their limitations in dealing with the spiritual roots of illnesses that inflict millions. We need healing for spirit, soul, and body. If you have recently been diagnosed with an illness or have been struggling with your health for years, there is hope and healing ahead. "I am so thankful about these physical healings. However, I'm even more thankful for the inner peace and faith that I have been experiencing. [They are] beyond description." —Sue from Maryland (healed of back pain, rheumatism, and high cholesterol) "His perfect will is that we don't get sick. But

once we're sick, the provision has been made for healing. We just need to line up with the Word of God and be transparent, and everything takes care of the rest." —Claudio (he and his wife healed of infertility; their newborn son healed of serious health issues)

**Worship** Dec 26 2021 Worship, the More Excellent Way, Delineates the Scriptural methods for worship. It reveals flagrant practices that are diametrically opposed to the orderly worship commanded by Holy Scripture. It exposes false doctrines that corrupt Biblical worship and relegates some worshippers to a place of second-class citizenship in the Church. The book, "Worship: the More Excellent Way," has grown from the need for an accurate, in depth, study of Holy Scripture to determine the

Bible way. It offers answers to such questions as: What is the Church? Who are the Blessed of God? What is a Bible Church? What is True Worship? "Worship, the More Excellent Way," reveals grammatical errors made by translators, editors, and Bible publishers that have helped create false doctrines. It deals with language conflicts and the issue of a woman's place in the worship service. "Worship, the More Excellent Way," provides Scriptural insight about the New Testament Church The body of Christ, Elements of Biblical worship, The manifestation of the spirit, Comprehensible worship, Orderly worship and How to create and maintain proper worship. It deals with the matter of authority, and it discusses "the more excellent way" of honoring God.

**His Most Excellent Way** Mar 05 2020 "His Most Excellent Way" examines the topic of "agape love," the central doctrine of the Gospel, as well as what it means to participate in the divine, sacrificial love of God. Written by longtime pastor Gary Strong, this spiritual guidebook explores being "born again." Find out how God helps the faithful, and discover the doubts, fears, and perplexities believers face in various life situations and how they find comfort in the Bible. By focusing on biblical teachings and the word of God, you'll discover how to attain perfect love; how to fulfill God's greatest desires; and how to become "born again" and begin a personal relationship with God. By broadening your own personality, it's possible to make your life more meaningful. The Scriptures convey that God's love continues to be of central importance to humanity. **Deep Learning** Jul 29 2019 An introduction to a broad range of topics in deep learning, covering mathematical and conceptual background, deep learning techniques used in industry, and research perspectives. "Written by three experts in the field, Deep Learning is the only comprehensive book on the subject." —Elon Musk, cochair of OpenAI; cofounder and CEO of Tesla and SpaceX Deep learning is a form of machine learning that enables computers to learn from experience and understand the world in terms of a hierarchy of concepts. Because the computer gathers knowledge from experience, there is no need for a human computer operator to formally specify all the knowledge that the computer needs. The hierarchy of concepts allows the computer to learn complicated concepts by building them out of simpler ones; a graph of these hierarchies would be many layers deep. This book introduces a broad range of topics in deep learning. The text offers

mathematical and conceptual background, covering relevant concepts in linear algebra, probability theory and information theory, numerical computation, and machine learning. It describes deep learning techniques used by practitioners in industry, including deep feedforward networks, regularization, optimization algorithms, convolutional networks, sequence modeling, and practical methodology; and it surveys such applications as natural language processing, speech recognition, computer vision, online recommendation systems, bioinformatics, and videogames. Finally, the book offers research perspectives, covering such theoretical topics as linear factor models, autoencoders, representation learning, structured probabilistic models, Monte Carlo methods, the partition function, approximate inference, and deep generative models. Deep Learning can be used by undergraduate or graduate students planning careers in either industry or research, and by software engineers who want to begin using deep learning in their products or platforms. A website offers supplementary material for both readers and instructors.

[1 Corinthians](#) Jun 19 2021 The church at Corinth was troubled. It was five years old, but had divisions, doctrinal problems, and all kinds of disorder. One faction tried to justify going to prostitutes, which was widely accepted in their culture. Others thought they were so spiritual that they should avoid sex in marriage in favor of celibacy. Speaking in tongues was rampant, while most other spiritual gifts were being neglected. Idolatry was reclaiming some of the new believers. Observing the Lord's Supper was a farce. This church had serious problems. More than that, many of the Corinthians resented

Paul's influence and tried to minimize his apostolic authority. This is one of his most spirited letters -- harsh in spots as Paul seeks to steer this young congregation away from pitfalls that threaten to destroy it. More than anywhere else in Paul's letters, you'll find instruction on church unity, balanced worship, the Lord's Supper, church discipline, the resurrection and Christ's coming, divorce and marriage. The Letter contains numerous notable verses: "I have become all things to all men so that by all possible means I might save some" (9:22). "No temptation has seized you except what is common to man..." (10:13). "The Lord Jesus, on the night he was betrayed, took bread..." (11:23-26). "Love is patient, love is kind..." (13:4-8). "We shall all be, changed, in a moment, in the twinkling of an eye, at the last trumpet..." (15:51-52). And many, many more.... 1

[Corinthians](#) is a long letter -- sixteen chapters -- but Paul's most important epistle for shaping the Christian church. This study explores First Corinthians in 15 lessons. Helpful thought and discussion questions make it useful for personal enrichment and by small groups and classes. Extensive research contained in the footnotes makes it a goldmine for teachers and a boon to preachers involved in sermon preparation.

Did you know that the root cause of nearly 100 autoimmune diseases is listed as unknown in medical journals? Thankfully, we can look to another source—the Bible—to understand one of the major causes of these diseases. In a clear and straightforward manner, *Exposing the Spiritual Roots of Autoimmune Diseases* reveals how to identify the root cause and start on the journey toward healing. This is a journey from the inside out. Dr. Henry

Wright's teachings, based on medical findings and powerful biblical truths, affirm that it is God's will for you to be healthy and whole—in your spirit, soul, and body. If you think you've read all you need to know about healing and prevention, it's time to take another look!

*Another More Excellent Way* Mar 29 2022 My report, *Another More Excellent Way*, reveals biblical truths never been told about God's specific instructions: "This they shall give". This book explains what's discussed all throughout the Holy Bible in both Old and New Testaments but has never been taught in the common Protestant, Catholic, or Jewish assembly in the Church Age. I have reasoned with the Lord and am proposing that "Another More Excellent Way" will provide over \$100,000 a month to every Church for all of the building, repairs, services and administration. All of these "things that be of God" will be possible under the mission of 1 John 5:7-11 and the auspice of Exodus 30:15. "The rich shall not give more, and the poor shall not give less than half a shekel, when they give an offering unto the LORD, to make an atonement for your souls." My purpose

is to restore the truth concerning all of the financial support that God so required for His house. This Half a Shekel Ministry Program Act will be distributed nationally, administered and managed by the Church in a cooperative agreement under the guidelines that God established for His nation and for His people, the chosen and the highly favored! Hello, I'm Juan. I have no bestsellers nor have I ever authored or even had published a single book. I am not a senior pastor with a congregation of 10,000 plus. Notwithstanding, I am a member of the Body of Christ and I offer my report to the Church and State in this great nation. I guarantee, that you have never heard any teaching or preaching given at any church, mass, or synagogue, on television or on radio about: "this they shall give" as "an offering unto the Lord", in this unprecedented way!

*The Better Gifts, and the More Excellent Way. A Farewell Sermon [on 2 Cor. Xii. 31, Xiv. 1].* Jan 15 2021

Reclaiming Love Jul 09 2020 In 1 Corinthians 13, Paul places love at the very center of what it means to embrace life in Christ. All other spiritual gifts are worth nothing in comparison. But the love explained in those verses is nothing short of radical. Fernando's pastoral work—in the midst of the cultural and ethnic tensions of Sri Lanka—often brought up a very real and honest question: "Can the biblical teaching about love actually be practiced?" The answer he discovered is a resounding "yes." The radical love of God is not only real, but it is the key to experiencing joy in the pain and suffering of this world. Believers must look to the Scriptures for God's teaching on the true nature of love, its divine origins, and its power for those who trust in Christ. This book offers reflections on the Bible's consistent teaching on love and shares real-life experiences of learning to love in difficult situations.

**Love** Apr 29 2022 The loneliness of existence; the empty feeling of walking through life by yourself, searching for something greater—a purpose and a meaning! We all have trodden down this path at one time or another. All generations have had to grapple with this search—be it in the youth culture of today, the 1960s hippies, or the 1360s knights in shining armor. It doesn't matter what generation the

person lived, the truth is we are all looking for love and meaning. One thinker has said that there is a God-shaped hole in each of us. Until we fill that hole with the love of God in Christ, we will continue to walk our journey lonely, empty, and confused. The good news is that God has demonstrated His love for us—sending Jesus to show us God's love, which is the more excellent way.

**Disciples' Literal New Testament** Sep 03

2022 If You Love God's Word You Will Love This New Testament! The Disciples' Literal New Testament sets you free from our artificial 460 year old chapter and verse structure, replacing it with paragraphing that reflects the flow of thought in the original Greek writings.

Paragraph headings make that flow of thought explicit to you, speeding your understanding of the NT books. This translation retains the writing style of the apostles themselves, rather than transforming their Greek ways of writing into an elegant or contemporary English writing style, as has been beautifully done so many times. It is the same translation as the author's New Testament TransLine, first published by Zondervan in 2002. Now you can read the New Testament as the original writers intended it,

and see it with a clarity formerly available only to those who could carefully study their Greek New Testament. You can even see the difference in writing style between Matthew, Mark and Luke! Used along with your standard Bible version, you will profit from both methods of translation. \*Easily grasp the relationship of the whole and the parts of each book with the big-picture overview outlines that use the words of the original author. \*Gain quick insight into the flow of thought from descriptive paragraph headings that summarize the main point of each paragraph in its context. \*You can visually follow the apostles' thinking because the 'Intelligent Paragraphing' visually displays their main and subordinate thoughts. \*The hindrance to your understanding caused by our artificial chapter and verse structure is eliminated by paragraphing based on the Greek writings. \*You will more fully appreciate the minds and thinking patterns and intent of the original writers because the translation corresponds more closely to their words and their grammar and their sentence structure. \*Deepen and expand your understanding of the New Testament by meditating on the notes containing alternative renderings, explanations of what is being said, and different views of the meaning.
