Mr. Penguin and the Lost Treasure Dec 21 2021 Dashing detective Mr. Penguin and his Adventuring gang are in for a wild ride when they're hired to find a treasure before bandits do! From Alex T. Smith's delightfully illustrated, mystery-detective series. When Bouddica Bones from the Museum of Extraordinary Objects calls for help in locating prized valuables, Mr. Penguin and his kung fu spider sidekick, Colin, swing into action. Following a map and clues, Mr. Penguin stumbles onto secret staircases, alligators, and falling toilets. Things really take a turn for the worse when Mr. Penguin learns the real crooks are closer to snatching the loot than he thought! Can Mr. Penguin foil this perilous plot and get home in time for a fish finger sandwich? Alex T. Smith's Mr. Penguin is a page-turning, illustrated middle grade series that is sure to thrill young readers looking for a good adventure and major laughs. Two color illustrations throughout.

Practical Guide to Child Protection Nov 07 2020 Identifying the most serious challenges faced in child protection work, this practical guide offers helpful solutions for frontline professionals working with children and adults. Informed by her many years on the frontline and subsequent experience writing serious case reviews, Joanna Nicolas has identified the most common pitfalls in child protection cases. The book focuses on understanding the impact of neglect, information sharing between professionals, communication with children, working with non-compliance/disguised compliance, and the impact of multiple risk factors. It offers tips for overcoming the challenges of everyday practice, such as home visits, as well as enhancing understanding of the key issues in this complex field. The evidence-informed chapters are packed with case examples and include useful reminders of the underlying principles at play. This is essential reading for social workers, health care workers, mental health workers, education professionals and related professions, such as housing and probation.

Mountjoy Prisoners Apr 24 2022

Help! I'm a Prisoner in the Library Jun 22 2019 Two girls spend an adventurous night trapped inside the public library during a terrible blizzard.

When the Innocent are Punished Jan 28 2020 There are millions of children experiencing parental imprisonment all over the world. This book is about their problems, human rights and how they are treated throughout the justice process from the arrest of a parent to imprisonment and release.

Fidalgos and Philanthropists Feb 29 2020

The Angel of Bang Kwang Prison Jun 14 2021 Susan Aldous had been on a path to self-destruction when she decided to give her life to others instead of wasting it away in Melbourne's dark underbelly. Working as a Playboy bunny girl, an admirer sponsored her to travel abroad for charity. She left a world of drugs and petty crime behind and moved to

Singapore, then to Thailand to work on a nine day project helping the socially disadvantaged. 18 years later she is still there. A single mother with no salary and few possessions, she devotes her life to helping others, visiting prisoners who have nobody else to turn to.

Prisoners of War in the Hundred Years War Mar 24 2022 This book explores the individual and complex experiences of captors and prisoners, and the practice of ransoming, in the Hundred Years War.

The Game Theorist's Guide to Parenting Oct 07 2020 As every parent knows, kids are surprisingly clever negotiators. But how can we avoid those all-too-familiar wails, "That's not fair!" and "You can't make me!?" In **The Game Theorist's Guide to Parenting**, journalist Paul Raeburn and game theorist Kevin Zollman pair up to highlight tactics from the worlds of economics and business that can help parents break the endless cycle of quarrels and ineffective solutions. Each chapter opens with a common parenting dilemma, such as determining who started a fight or who gets a bedtime story first. Then they show how carefully concocted schemes involving bargains and fair incentives can save the day. Delightfully witty, and refreshingly irreverent **The Game Theorist's Guide to Parenting** looks past the fads to offer advice you can put into action today.

A Study Guide for Neil Simon's "The Prisoner of Second Avenue" Jun 02 2020 A Study Guide for Neil Simon's "The Prisoner of Second Avenue," excerpted from Gale's acclaimed **Drama For Students**. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust **Drama For Students** for all of your research needs.

Prisoner of Infinity Aug 05 2020 **Prisoner of Infinity** examines modern-day accounts of UFOs, alien abductions, and psychism to uncover a century-long program of psychological fragmentation, collective indoctrination, and covert cultural, social, and mythic engineering. Whether it is the forces of God, government, aliens from outer (or inner) space, or the incalculable effects of childhood sexual trauma on the human psyche, premature contact with these forces compels us to create "crucial fictions." Such semi-coherent mythic narratives make partial sense out of our experience, but in the process turn us into the unreliable narrators of our own lives. Taking UFOS and the work of "experiencer" Whitley Strieber as its departure point, **Prisoner of Infinity** explores how beliefs are created and perceptions are managed in the face of the inexplicably complex forces of our existence. While keeping the question of a non-human and/or paranormal element open, the book maps how all-too-human agendas (such as the CIA's MK Ultra program) have co-opted the ancient psychological process of myth-making, giving rise to dissociative, dumbed-down Hollywood versions of reality. The New Age movement, UFOs, alien abductions, psychism, psychedelic mind expansion, Transhumanism, the Space Program - what if they are all productions devised by committee in dark rooms to serve

social, political, and economic goals that are largely devoid of true substance or meaning? Through an exacting and enlivening process of social, cultural and psychological examination and excavation, Prisoner of Infinity uncovers the most deeply buried treasure of all. The original, uncredited author of all mystery and meaning: the human soul.

Armed and Considered Dangerous Apr 12 2021 **Armed and Considered Dangerous** is a book about "bad guys" and their guns. But Wright and Rossi contend that for every suspected criminal who owns and abuses a firearm, a hundred or more average citizens own guns for sport, for recreation, for self-protection, and for other reasons generally regarded as appropriate or legitimate. **Armed and Considered Dangerous** is the most ambitious survey ever undertaken of criminal acquisition, possession, and use of guns. There are vast differences between the average gun owner and the average gun-abusing felon, but the analyses reported here do not suggest any obvious way to translate these differences into gun control policies. Most policy implications drawn from the book are negative in character: this will not work for this reason, that will not work for that reason, and so on. When experts are asked, "Okay, then what will work?" they usually fall back on the old warhorses of poverty, the drug problem, or the inadequate resources of the criminal justice system, and otherwise have little to say. This is not a failure of social science. It simply asks more of the data than the data were ever intended to provide. Several of Wright and Rossi's findings have become "coin of the realm" in the gun control debate, cited frequently by persons who have long since forgotten where the data came from or what their limitations are. Several other findings, including many that are important, have been largely ignored. Still other findings have been superseded by better and more recent data or rendered anachronistic by intervening events. With the inclusion of a new introduction detailing recent statistics and updated information this new edition of **Armed and Considered Dangerous** is a rich source of information for all interested in learning about weapon behavior and ownership in America.

Hunger, Horses, and Government Men May 14 2021 Scholars often accept without question that the Indian Act (1876) criminalized First Nations. Drawing on court files, police and penitentiary records, and newspaper accounts from the Saskatchewan region of the North-West Territories between 1870 and 1905, Shelley Gavigan argues that the notion of criminalization captures neither the complexities of Aboriginal participation in the criminal courts nor the significance of the Indian Act as a form of law. This illuminating book paints a vivid portrait of Aboriginal defendants, witnesses, and informants whose encounters with the criminal law and the Indian Act included both the mediation and the enforcement of relations of inequality.

Women, Crime and Punishment in Ireland Oct 26 2019 Focusing on women's relationships, decisions and agency, this is the first study of women's experiences in a nineteenth-century Irish prison for serious offenders. Showcasing the various crimes for which women were incarcerated in the post-Famine period, from repeated theft to murder, Elaine Farrell examines inmate files in close detail in order to understand women's lives before, during and after imprisonment. By privileging case studies and individual narratives, this innovative study reveals imprisoned women's relationships with each other, with the staff employed to manage and control them, and with their relatives, spouses, children and friends who remained on the outside. In doing so, Farrell illuminates the hardships many women experienced, their poverty and survival strategies, as well as their responsibilities, obligations, and decisions. Incorporating women's own voices, gleaned from letters and prison files, this intimate insight into individual women's lives in an Irish prison sheds new light on collective female experiences across urban and rural post-Famine Ireland.

Winter Time Jul 24 2019 This rare account from a survivor of Gypsy concentration camps during World War II relates how German Sinto Walter Winter was discharged from the German navy in 1943 on racial grounds and was deported to Auschwitz with his brother and sister. The atrocities he witnessed, including the death of his wife and unborn child, are told in stark, unflinching detail. As well as reporting horrific persecutions, Winter recalls moments of personal bravery in which he beat up an SS guard and confronted the notorious Dr. Mengele to request extra rations for starving Sinti children on his block. As the Gypsy culture is generally predisposed not to dwell on the past, this memoir tells a rare story infused with a quiet hopefulness that suggests Winter retained his spirit, courage, and sense of fairness in the face of unspeakable cruelty.

Forensic Medicine of the Lower Extremity Dec 29 2019 Publius Syrus

stated back in 42 B.C., "You cannot put the same shoe on every foot." (Maxim 596) Though written long before the advent of forensic science, Syrus' maxim summarizes the theme of **Forensic Medicine of the Lower Extremity: Human Identification and Trauma Analysis of the Thigh, Leg, and Foot**. Put simply, the lower extremity is a tremendously variable anatomic region. This variation is beneficial to forensic experts. Differences in the leg and foot can be used to establish individual identity. Analysis of damage to the lower limb can be used to reconstruct antemortem, perimortem, and postmortem trauma. As a forensic anthropologist, I analyze cases involving decomposed, burned, m-mified, mutilated, and skeletal remains. Many of the corpses I examine are incomplete. Occasionally, I receive nothing but the legs and feet; a lower torso dragged from a river; a foot recovered in a city park; dismembered drug dealers in plastic bags; victims of bombings and airline disasters; and the dead commingled in common graves. Though the leg and foot contain much that is useful in forensic analysis, before this publication, investigators faced a twofold problem. Little research that focused on the lower extremity was available in the literature, and the existing research was published in diverse sources, making its location and synthesis a daunting task.

Prisoners of Rhodesia Feb 20 2022 During the Zimbabwean struggle for independence, the settler regime imprisoned numerous activists and others it suspected of being aligned with the guerrillas. This book is the first to look closely at the histories and lived experiences of these political detainees and prisoners, showing how they challenged and negotiated their incarceration.

The Prisoner of San Jose Sep 25 2019 **The Prisoner of San Jose**, a memoir by Pierre S. Freeman, exposes the ancient mystical order of Rosae Crucis, also known as AMORC, located in San Jose. AMORC recruited Freeman, a young engineering student in Haiti, and exposed him to twenty-four years of sustained indoctrination and mind control. Having no family or friends able to substantially help him, no exit psychologist, deprogrammer, or interventionist to guide him, Freeman methodically studied the cult experience, analyzing the mind control and hypnotic procedures that were affecting his life. **The Prisoner of San Jose** is about how Freeman deprograms himself and recovers the mental and emotional stability he lost twenty-four years earlier. Most importantly, the story is about hope, and how Freeman is finally able to reclaim the liberty of his own personality.

The Armed Criminal in America Aug 17 2021

Beloved Prisoner Sep 05 2020 marketing text & author bio

Prisoner of Ice and Snow May 26 2022 In this thrilling middle-grade fantasy debut that's **Prison Break** meets **Frozen**, a girl will do anything to break her sister out of prison--even get arrested on purpose.

Oppression Aug 24 2019 Published in 1998, **Oppression** is a valuable contribution to the field of Sociology and Social Policy.

The Prisoners' World Jul 16 2021 **The Prisoners' World** seeks to make the "prisoners' voice" come alive for regular college classroom students via author narrative essays as well as over sixty prisoner essays that shed light into prisoner experiences in California and Michigan penitentiaries.

Little Prisoners Aug 29 2022 From the Sunday Times bestselling author comes a harrowing and moving memoir about two innocent and frightened 'unfosterable' children who do not know what it means to be loved. This is the third book in the series. The shock that strikes Casey and her family when Ashton and Olivia arrive is immeasurable. Two dirty, frightened little waifs stand before them, huge eyes staring around their new surroundings. Ashton - 9, Olivia - 6, have the same urchin look; hair running wild with head lice, filthy nails and skin covered in scabs. And the smell is horrific. The eldest two children of a group of five siblings, Casey had only been told they were coming two days earlier. But it was an emergency, temporary placement, and they were only due to stay a couple of weeks... Casey is desperate to help these poor, lost children, who have been taken away from their family because they were considered at risk, but before she can even start to understand the horrific things that have happened in the past, she has to teach them the most basic of behaviours. Ashton and Olivia have no barriers and no sense of what's right and wrong - her challenges begin with the toilet and eating habits. The weeks roll into months and the months roll on, but bit by bit the children are starting to feel like they truly belong to a family, for the first time. With this new found security and love, gradually they start to reveal what really happened to them and their siblings at home, and slowly Casey can help them start to rebuild their young lives.

American Dissidents: An Encyclopedia of Activists, Subversives, and Prisoners of Conscience [2 volumes] May 02 2020 Anarchists,

civil rights advocates, dissidents, and political pundits have all played key roles in shaping our nation. Examining modern-day individuals like WikiLeaks Bradley Manning and conservative video prankster James O'Keefe as well as those of prior decades like César Chávez, this book profiles controversial figures across history. • 150 profiles of 20th- and 21st-century American dissidents, subversives, and political activists • References at the end of each entry • An extensive bibliography for further research

Tiny Prisoners Jun 26 2022 Aged just two and three years old, Evie and Elliot have experienced a lifetime of abuse and neglect. Scrawny, filthy and wide-eyed with fear when they turn up on foster carer Maggie Hartley's doorstep, these young siblings have hardly set foot outside their own home. They have been prisoners, locked in a terrifying world of abuse and violence. Maggie soon realises that Evie and Elliot are lacking the basic life skills we all take for granted. The outside world terrifies them; the sound of the doorbell sends them into a panic that takes hours to abate. Gradually unlocking the truth of their heart-breaking upbringing, Maggie tells their shocking true story. From emotionally scarred and damaged little children, we see how - with warmth and dedication - Maggie transforms their lives. As this moving story unfolds, we share Maggie's joy when these children finally smile again, when they realise they do have a future after all. Discover why readers have fallen in love with Maggie Hartley "I absolutely loved this book. It is up there with one of the best. I have laughed and I have cried. I would give it ten stars if I could." - Amazon Reviewer, 5 stars "If you haven't read Maggie's books they are a must read." - Amazon Reviewer, 5 stars "Such a heart-breaking story you just can't put this book down. I have read many books of this genre and this is one of the best. Hard hitting and real... don't miss this one!" - Amazon Reviewer, 5 stars

Little Prisoners: A tragic story of siblings trapped in a world of abuse and suffering Oct 31 2022 From the Sunday Times bestselling author comes a harrowing and moving memoir about two innocent and frightened 'unfosterable' children who do not know what it means to be loved. This is the third book in the series.

From Prisoner to Prince Nov 27 2019 How should we understand the significance of the story of Joseph within redemptive history? This NSBT volume from Samuel Emadi offers a comprehensive canonical treatment of the Joseph narrative, considering Genesis 37-50 in its own literary and theological context and culminating in the New Testament's portrayal of Jesus as an antitypical, new and final Joseph.

Social Democracy and Rational Choice Oct 19 2021 Is it possible in this post-socialist world, for equity and efficiency to be reconciled? Or is a productive welfare state a contradiction in terms? This book addresses these questions in theory and in practice, using the Nordic countries as its case study. Social Democracy and Rational Choice will appeal to readers interested in comparative institutional and policy analysis, and in particular to those concerned with the future of the welfare state and the latest developments in the Nordic countries.

Dying for Rights Jan 10 2021 North Korea's human rights violations are unparalleled in the contemporary world. In *Dying for Rights*, Sandra Fahy provides the definitive account of the abuses committed by the North Korean state, domestically and internationally, from its founding to the present. *Dying for Rights* scrutinizes North Korea's treatment of its own people as well as foreign nationals, how violations committed by the state spread into the international realm, and how North Korea uses its state media and presence at the United Nations. Fahy meticulously documents the extent of arbitrary detention, torture, executions, and the network of prison camps throughout the country. The book details systematic and widespread violations of freedom of speech and of movement, freedom from discrimination, and the rights to food and to life. Fahy weaves together public and private testimonies from North Koreans resettled abroad, as well as NGO reports, the stories and facts brought to light by the United Nations Commission of Inquiry into North Korea, and North Korea's own state media, to share powerful personal narratives of human rights abuses. A compassionate yet objective investigation into the factors that sustain and perpetuate the flouting of basic rights, *Dying for Rights* reveals the profound culpability of the North Korean state in the systematic denial of human dignity.

Prisoner Dec 09 2020 24 HOURS AFTER LEAVING HIS CELL HE WAS DEAD. CAN SHE FIND OUT WHY? 'A rising star of Australian crime fiction...White's account of the murder investigation is gripping.' SUNDAY TIMES 'S. R. White is the real deal.' CHRIS HAMMER, author of SCRUBLANDS. *** From THE AUSTRALIAN TOP TEN BESTSELLER*** When a man is found savagely 'crucified' amidst a murky swamp in northern Australia, detective Dana Russo and her team

are called to a shocking scene. The victim is a convicted rapist, just released from prison, who years earlier committed an atrocious crime yards from where he was killed. Who murdered him - and why? With several potential leads, the investigation quickly becomes more complex, and sinister, than anyone imagined. And Dana realises she'll have to confront her own troubled past to understand the true motives of the killer... A twisting, compelling and utterly haunting new novel from the international bestseller, perfect for fans of Jane Harper's THE DRY and Chris Hammer's SCRUBLANDS. Praise for S. R. White: 'A taut, beautifully observed slow-burner with an explosive finish.' Peter May 'Original, compelling and highly recommended.' Chris Hammer 'A fascinating case' SUNDAY TIMES 'It draws you in - and rewards with a truly powerful ending.' HEAT 'This slow-burn novel catches light' THE SUN 'A dark and compulsive read' WOMAN & HOME

The House of Prisoners Jul 28 2022 This book deals with the house of prisoners (bit asiri) at the city of Uruk during the revolt against king Samsu-iluna of Babylon, Hammurabi's son. The political history of this brief period (ca. 1741-1739 BC) is not widely known and until now there has been no comprehensive treatment of the bit asiri. This book includes autograph copies, transliterations, and translations of 42 unpublished cuneiform tablets from various collections, collations, and detailed tables and catalogues. The analysis comprises some 410 documents dated or attributable to king Rim-Anum, one of the insurgents who attained relative independence as the ruler of Uruk. The study of this corpus reveals details about diplomatic dealings between the central power and rebel rulers, about the functioning of the house of prisoners of war, and about the individuals who participated in different echelons of the local administration. This monograph investigates what kind of organization "the house of prisoners" was, how it worked, how it interacted with other institutions, the composition of its labor force, and state management of captive and enslaved individuals.

Tiny Prisoners Sep 29 2022 Aged just two and three years old, Evie and Elliot have experienced a lifetime of abuse and neglect. Soledad Brother Feb 08 2021 Originally published: New York: Coward-McCann, [1970].

The Forever Prisoner Mar 12 2021 Some argued it would save the U.S. after 9/11. Instead, the CIA's enhanced interrogation program came to be defined as American torture. *The Forever Prisoner*, a primary source for the recent HBO Max film directed by Academy Award winner Alex Gibney, exposes the full story behind the most divisive CIA operation in living memory. Six months after 9/11, the CIA captured Abu Zubaydah and announced he was number three in Al Qaeda. Frantic to thwart a much-feared second wave of attacks, the U.S. rendered him to a secret black site in Thailand, where he collided with retired Air Force psychologist James Mitchell. Arguing that Abu Zubaydah had been trained to resist interrogation and was withholding vital clues, the CIA authorized Mitchell and others to use brutal "enhanced interrogation techniques" that would have violated U.S. and international laws had not government lawyers rewritten the rulebook. In *The Forever Prisoner*, Cathy Scott-Clark and Adrian Levy recount dramatic scenes inside multiple black sites around the world through the eyes of those who were there, trace the twisted legal justifications, and chart how enhanced interrogation, a key "weapon" in the global "War on Terror," metastasized over seven years, encompassing dozens of detainees in multiple locations, some of whom died. Ultimately that war has cost 8 trillion dollars, 900,000 lives, and displaced 38 million people—while the

U.S. Senate judged enhanced interrogation was torture and had produced zero high-value intelligence. Yet numerous men, including Abu Zubaydah, remain imprisoned in Guantanamo, never charged with any crimes, in contravention of America's ideals of justice and due process, because their trials would reveal the extreme brutality they experienced. Based on four years of intensive reporting, on interviews with key protagonists who speak candidly for the first time, and on thousands of previously classified documents, *The Forever Prisoner* is a powerful chronicle of a shocking experiment that remains in the headlines twenty years after its inception, even as US government officials continue to thwart efforts to expose war crimes. Silenced by a CIA pledge to keep him imprisoned and incommunicado forever, Abu Zubaydah speaks loudly through these pages, prompting the question as to whether he and others remain detained not because of what they did to us but because of what we did to them.

Federal Probation Sep 17 2021

Exile and Return Jan 22 2022 Many books of the Hebrew Bible were either composed in some form or edited during the Exilic and post-Exilic periods among a community that was to identify itself as returning from Babylonian captivity. At the same time, a dearth of contemporary written evidence from Judah/Yehud and its environs renders any particular understanding of the process within its social, cultural and political context virtually impossible. This has led some to label the period a dark age or black box - as obscure as it is essential for understanding the history of Judaism. In recent years, however, archaeologists and

historians have stepped up their effort to look for and study material remains from the period and integrate the local history of Yehud, the return from Exile, and the restoration of Jerusalem's temple more firmly within the regional, and indeed global, developments of the time. At the same time, Assyriologists have also been introducing a wide range of cuneiform material that illuminates the economy, literary traditions, practices of literacy and the ideologies of the Babylonian host society - factors that affected those taken into Exile in variable, changing and multiple ways. This volume of essays seeks to exploit these various advances.

Political Prisoners Nov 19 2021 As you read this, thousands of men, women, and even children are in prisons around the world, not because they have committed violence, theft, or broken drug laws, but because they spoke against their government. They are political prisoners: in some cases, they did not even intend to cross their nations' leaders-they just happened to get in the way of schemes of which they were not even aware. This book tells many stories of political prisoners, both past and present. Some of them have become leaders in their countries, like Nelson Mandela and Vaclav Havel. Some have "disappeared" and may no longer be alive, like sixteen-year-old Panchen Lama. Many of these political prisoners are people of tremendous courage and inner strength, like Wei Jingsheng, Leyla Zana, and Aung San Suu Kyi. An imprisoned Nobel Peace Prize winner, Aung San Suu Kyi has urged the world, "Please use your liberty to promote ours." The true accounts of political prisoners in this book are both heartrending and inspiring: every informed citizen of our world should know about them.
