I Came Here to Take Your Job Jun 19 2021 Originally from Estonia, this first book by Eva S. describes her years living in London before, during, and after the Brexit referendum.

Occupational Outlook Handbook Jan 15 2021

The Void Captain's Tale May 07 2020 Welcome aboard the sex-drive void ship . . . Captain Genro commands the giant spaceship Dragon Zephyr - on board are ten thousand passengers in electrocoma, a smaller number of conscious passengers eagerly utilising the ship's dream chambers - and a Pilot. In the context of space travel, the Pilot is merely a biological component in the machine. Always a woman, her function is to launch the ship into the Jump by means of a cosmic orgasm. She is a pariah, shunned by all. Void Captain Genro should never even have spoken to his Pilot, let alone tried to embark on a relationship with her. When he did so, the result was every space traveller's nightmare. A Blind Jump into the Void . . .

What Got You Here Won't Get You There Apr 29 2022 Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list

rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

Stone Cutters' Journal Aug 29 2019

Can't Get There from Here Aug 22 2021 Her street name is Maybe She lives with a tribe of homeless teens -- runaways and throwaways, kids who have no place to go other than the cold city streets, and no family except for one another. Abused, abandoned, and forgotten, they struggle against the cold, hunger, and constant danger. With the frigid winds of January comes a new girl: Tears, a twelve-year-old whose mother doesn't believe her stepfather abuses her. As the other kids start to disappear -- victims of violence, addiction, and exposure -- Maybe tries to help Tears get off the streets...if it's not already too late. Todd Strasser, author of the powerful and disturbing Give a Boy a Gun, again focuses on an important social issue as he tells a thought-provoking, heart-wrenching story of young lives lost to the streets, and of a society that has forgotten how to care.

Christmas Comes to Cedar Cove Sep 30 2019 Return to Cedar Cove for the holidays! Get cozy with two heartwarming Christmas stories featuring your favorite characters from #1 New York Times bestselling author Debbie Macomber's beloved series. A Cedar Cove Christmas Very pregnant Mary Jo Wyse arrives in Cedar Cove on Christmas Eve, but her baby's father isn't in town. Which leaves Mary Jo stranded and alone. So Grace Harding brings Mary Jo home to her nearby ranch. The Hardings have a houseful of guests, but they offer Mary Jo a room over their stable. When Mary Jo goes into labor that night, a paramedic named Mack McAfee comes to her rescue. The people of Cedar Cove join them in celebrating the birth of baby Noel. But no one has more to celebrate than Mack. Because this Christmas brings him faith, hope and love 1225 Christmas Tree Lane Beth Morehouse expects this Christmas to be one of her best. Her small tree farm is prospering, her daughters and her dogs are happy and well, and her new relationship with local vet Ted Reynolds is showing plenty of promise. But there are a few complications. First, someone left a basket filled with puppies on her doorstep, and she's determined to place them in good homes. Then she finds out her daughters have invited their dad, Beth's long-divorced ex, to come for Christmas. It will be a Christmas full of surprises!

This Here Flesh Jul 09 2020 NEW YORK TIMES BESTSELLER • In her stunning debut, the creator of Black Liturgies weaves stories from three generations of her family alongside contemplative reflections to discover the "necessary rituals" that connect us with our belonging, dignity, and liberation. "This is the kind of book that makes you different when you're done."—Ashley C. Ford, New York Times bestselling author of Somebody's Daughter "Reaches deep beneath the surface of words unspoken, wounds unhealed, and secrets untempered to break them open in order for fresh light to break through."—Morgan Jerkins, New York Times bestselling author of This Will Be My Undoing and Caul Baby "From the womb, we must repeat with regularity that to love ourselves is to survive. I believe that is what my father wanted for me and knew I would so desperately need: a tool for survival, the truth of my dignity named like a mercy new each morning." So writes Cole Arthur Riley in her unforgettable book of stories and reflections on discovering the sacred in her skin. In these deeply transporting pages, Arthur Riley reflects on the stories of her grandmother and father, and how they revealed to her an embodied, dignity-affirming spirituality, not only in what they believed but in the act of living itself. Writing memorably of her own childhood and coming to self, Arthur Riley boldly explores some of the most

urgent questions of life and faith: How can spirituality not silence the body, but instead allow it to come alive? How do we honor, lament, and heal from the stories we inherit? How can we find peace in a world overtaken with dislocation, noise, and unrest? In this indelible work of contemplative storytelling, Arthur Riley invites us to descend into our own stories, examine our capacity to rest, wonder, joy, rage, and repair, and find that our humanity is not an enemy to faith but evidence of it. At once a compelling spiritual meditation, a powerful intergenerational account, and a tender coming-of-age narrative, *This Here Flesh* speaks potently to anyone who suspects that our stories might have something to say to us.

How to Design TED-Worthy Presentation Slides (Black and White Edition) Oct 31 2019
Black & White edition This is the B&W edition of the book. All pictures inside will be in grayscale. "Reading this book changed my presentation style and my slides, both for the better - and I've been a professional speaker for over 30 years."~ Becki L. James
How to Design TED-Worthy Presentation Slides is a short, practical and step-by-step guide to creating sexy slides. It is based on an extensive analysis of some of the best TED speakers, such as Brene Brown, Daniel Pink, Amy Cuddy, Larry Lessig, Seth Godin, Bill Gates and many, many more. LEARN HOW TO BREATHE LIFE INTO YOUR SLIDES, INSTEAD OF DRAINING IT OUT OF YOUR AUDIENCE By the end of this guide, you too will be able to create sexy presentation slides that keep your audiences mesmerized. More importantly, you will be able to design presentations that breathe life into your slides, instead of draining it out of your audience. Here's just a taste of what you'll learn inside the book: •The most common mistake most presenters make - and how you can avoid it •The one principle that will make you better than 90% of most speakers •How to quickly create a presentation storyboard •Bill Gates' trick for transforming his slides from dull to dashing •The Seth Godin presentation formula •The importance of contrast •Locating and using sexy fonts •Spicing up your presentations with video •Displaying data without being dull •Ensuring consistency between slides •How to deliver a great TED talk (or any other speech or presentation) •And much, much more... "A must read...An essential tool for preparing effective, interesting and "sexy" presentations...a must read for any professional who wants to improve his communicational skills."~ Rosalinda Scalia "The lessons shared in this short book will go a long way to helping a person give better public presentations. The insights shared by Akash are like golden nuggets in a river full of info!"~ Alan Portugal "I have been teaching workshops at universities and Fortune 500 Campuses up and down the East Coast on building better presentations. Akash hits all the right notes in this book. A must read for anyone wanting to build powerful presentations."~ David Bishop "Excellent for those who want to really engage their audience. I incorporated many of the principles within and developed a more effective product presentation."~ Tom Tipps "Right on the mark. Just what I was looking for as a non-designer."~ Erik J. Zettelmeier "Make a greater impact with your presentations. While reading this book I was mentally reviewing my talks where I use PowerPoint slides. I am now changing some of those slides to make a greater impact on the listeners. These tips are easy to implement and make sense."~ John C. Erdman "As always we can expect the best from Akash and we are getting more."~ Payam Bahrampoor "This book gives practical advice. However, it does not stop there. It demonstrates how to use that advice, gives visual examples of what to do and what not to do and explains why. It turns creating a presentation from a dreaded event to one allowing creativity to flow and your passion about your subject matter to emerge on the screen through your slides."~ Pandora Training and Consulting "I will admit to rarely reviewing books. However, this book was such a step above any others I've read on the art of PowerPoint presentations, I had to give it a five star review."~ David Schwind

A Child of the Jago Aug 10 2020 Old Jago is tucked away in the East End of London,

conveniently placed so the wealthy and the fortunate can forget all about it and its unlucky residents. Dicky Perott does not have the luxury of forgetting about the ugly truth of Old Jago, because he and his family barely can afford the single-room home they live in, fighting off robbers, fleas, and the cold. Though he is just a young boy, Dicky already dreams of the day he can leave the slum forever, but first, he has to find out how. Roaming the streets daily, Dicky begs and steals to survive, and is always looking for an opportunity to improve himself. As a riveting narration paints a portrait of life in Old Jago, Dicky comes of age while believing that if he works hard and hopes even harder, he will make it out of Old Jago alive. First published in 1896, *A Child of the Jago* earned Arthur Morrison considerable fame and commercial success. Quickly becoming a bestseller, this 19th century drama is now considered to be Arthur Morrison's best work. Often praised for the authenticity in his portrayal of London's working class, Arthur Morrison provides a devastating portrayal of life in a London slum in *A Child of the Jago*. Through an incredibly visceral depiction of the setting and characters, *A Child of the Jago* is unapologetically honest and gripping. With themes of class, coming-of-age, and societal injustice, Morrison offers modern readers a rare portrayal of the poorest class in 19th century London, without omitting a single detail. With relatable characters that demand empathy and a setting that steals attention, *A Child of the Jago* remains on the mind long after the novel's conclusion. This edition of *A Child of the Jago* by Arthur Morrison now features an eye-catching new cover design and is printed in a font that is both modern and readable. With these accommodations, this edition of *A Child of the Jago* creates an accessible and pleasant reading experience for modern audiences while restoring the original wit and intrigue of Arthur Morrison's work.

Congressional Record Feb 02 2020 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States (1789-1824)*, *the Register of Debates in Congress (1824-1837)*, and *the Congressional Globe (1833-1873)*

Here to Make Friends Nov 05 2022 Skip the small talk and learn how to build a supportive community, engage with new people, and cultivate authentic, long-lasting friendships at every stage of life. It sometimes seems like everyone has a big, happy, fulfilling social life, full of lifelong friendships...except you. As we grow older and school friendships fade, it can be difficult to meet new people and cultivate meaningful friendships. How do you strike up a conversation with a stranger? How do you move from mutual acquaintances to real friends? *Here to Make Friends* has the answers to all of these questions and more. Written by a licensed therapist, this book is packed full of helpful advice and tips to overcome social anxiety and start building a stronger social circle, such as: Tips for moving past small talk Advice for getting out of your own head Suggestions for fun and memorable "friend dates" Strategies for connecting meaningfully with other people Everyone wants to feel connected. *Here to Make Friends* is the perfect companion for moving past the sometimes-lonely post-school stage and into lasting, fulfilling friendships.

I Didn't Come Here to Make Friends Oct 04 2022 In *I Didn't Come Here to Make Friends* former Bachelor "villain" and season 16 winner Courtney Robertson shares her story of love and heartbreak, and the reality of appearing on reality TV. For the first time ever, a former Bachelor contestant takes us along on her journey to find love and reveals that "happily ever after" isn't always what it seems.

Poverty, Politics, and Race Nov 12 2020 *Poverty, Politics, and Race* gives a true face to poverty, while knocking down stereotypes on race and the poor; and sheds light on how the politics of the past and present have magnified issues of race in America. The book also gives a personal look back at an important period in civil

rights in America's history and sounds an alarm at the renewed and very open racial hatred that resurfaced with the election of the first African-American U.S. President. It takes a critical look at current events affecting the lives of average Americans through the prism of a Black woman who has experienced firsthand the effects of poverty, race, and the politics surrounding both issues. The book hopefully will help remove the blinders and lead to a more honest discussion on the divisions in our country and ways we can begin to heal them.

Sea Glass Windows Apr 17 2021 Sea Glass Windows, Richard Morgan's fifth book of poetry, is a collection of his words and his wife, Pat Morgan's watercolors. The poems are accessible, sometimes humorous and often give insight to the complexity of being human. Topics include love and conflict, Superman and Santa, youth and old age.

Where Do We Go from Here? Sep 22 2021 As the characters go through their daily journeys, each one finds themselves often pondering the question: Where do we go from here? Some will realize the answer to that question, while others will be left to figure out which way to turn next. Interwoven in this novel are issues and lessons related to friendship, love, death, family secrets, betrayal, heartbreak and pure bliss. Set in the suburbs of Maryland and the Washington Metropolitan area, you'll take a ride through the characters' lives that will touch your heart and leave you wanting more.

I Love It Here Sep 10 2020 "The greatest part about your role in leadership is that it matters. The hardest part is that it matters every day. For years, Emmy Award winning speaker Clint Pulver has been the Undercover Millennial, gathering the secrets of great management from companies of all sectors and sizes. Now, he is ready to reveal the insights he has from his undercover interviews with more than 10,000 employees across the country, and show you exactly what you can do to generate higher staff engagement and retention--and build true loyalty that lasts. I Love It Here is not another leadership book written by a self-proclaimed leadership expert; rather, it's the data-driven product of intensive research with employees who knew exactly when their leaders were getting it right--and getting it wrong. By pulling back the cover on tired, "too tried and not true" leadership strategies that just aren't cutting it anymore, Clint will open your eyes to the mentorship qualities that are earning genuine employee loyalty in the world of today, along with the behaviors that--whether you know it or not--are triggering a rush for the door. By reading this book, you'll learn what one shocking factor is the number one driver of employee turnover (spoiler: it has everything to do with you!), what you can do to stop the leak, and how you can start building a team that works, right from the moment a prospective employee walks through the door. Using real-world examples from companies he has visited as an undercover retention agent, Clint will reveal in detail the best, most proven methods he has seen for identifying talent, building a sense of ownership, and developing staff in a way that helps them recognize and realize their own individual dreams. Through thoughtful and engaging chapter-by-chapter exercises, he'll guide you through each strategy, moving you seamlessly toward building an authentic culture of valuing and empowering the individual in your own workplace. Soon, you'll be recognizing possibility where others see problems, and capturing the power of small moments to create a meaningful legacy. I Love It Here is a vision of leadership that reaches beyond career to become almost like a calling: a day-by-day, moment-to-moment journey toward becoming the best for the world. Let Clint's inspiring personal stories, deep knowledge, and unique challenges help you become that beloved Mentor Manager who is remembered forever, and who knows how to bring out true passion and commitment in the people on your team. This book is your key to the solutions-based principles behind every organization that people never want to leave. Your company can be more than simply a fancy facade. It can be a place that has an authentic core built on valuing the individual--a place where people don't just survive, but thrive. I Love It Here will

show you how."--

Angels Make Their Hope Here Feb 25 2022 Russell's Knob is not paradise. But already in 1849 this New Jersey highlands settlement is home to a diverse population of blacks, whites, and reds who have intermarried and lived in relative harmony for generations. It is a haven for Dossie Bird, who has escaped north along the Underground Railroad and now feels the embrace of the Smoot family. Duncan Smoot presides as accidental patriarch, protector of his enterprising sister, Hattie, and his two rambunctious nephews. As Dossie busies herself with cleaning, cooking, and tending the chickens at Duncan's homestead, she wonders: Could this man, her rescuer -- so godlike in her eyes, so much older than she -- expect her to become his helpmeet?. Tentatively, Dossie begins to put down roots -- until a shocking act of violence propels her away from Russell's Knob and eventually into the mayhem of New York City's mean streets. With the same storytelling brio that distinguished the acclaimed novels *River*, *Cross My Heart* and *Stand the Storm*, Breena Clarke weaves a richly dramatic story of interracial harmony in the Civil War era -- and of one woman's triumph in the crucible of history.

Grow it Here, Make it Here Aug 02 2022

Ancient Ruins Jun 27 2019 Sistina awakened after millennia of dormancy, her memories in tatters and born anew. Residing in the ruins of an ancient city, she finds herself drawn into a war between two elven nations and the slaver kingdom of Kelvanis when she rescues a princess from slavery. With her domain containing hints of forgotten knowledge, Sistina becomes a dungeon, stronghold, and source of hope all at once. And perhaps, just perhaps, she could finally find love in her new life. This is a dark fantasy lesbian romance, with a focus on the dark fantasy.

You Have to Make Your Own Fun Around Here Nov 24 2021 'This atmospheric debut looks like a rural Irish coming-of-age novel, but it's cleverer, darker, more unreliable.' Daily Mail AN IRISH INDEPENDENT BEST BOOK OF THE YEAR AN IRISH INDEPENDENT CRITICS CHOICE FOR CHRISTMAS WINNER OF THE BERYL BAINBRIDGE BEST FIRST NOVEL AWARD, 2020/2021 AN IRISH TIMES, IRISH INDEPENDENT and SUNDAY INDEPENDENT 'TITLE TO LOOK OUT FOR IN 2020' Katie, Maeve and Evelyn have been friends forever. Outspoken, unpredictable and intoxicating, Evelyn is the undisputed leader of the trio. But Katie's dream of escaping their tiny rural town for a new life in Dublin confronts her with a choice: to hold onto a friendship that has made her who she is, or risk leaving her best friend behind. Told from Katie's witty, quirky perspective and filled with unforgettable characters, this moving, immersive and very funny study of sisterhood takes a keen-eyed look at the delights and complexities of female friendship, the corrosive power of jealousy and guilt, and the people and places that shape us. Compellingly readable and effortlessly sharp, fizzing with the voices of rural Ireland, this is an unmissable novel from a dazzling new talent.

Karl Polanyi and the Contemporary Political Crisis Jul 21 2021 Has politics reached breaking point? Rather than defending liberalism or abandoning it, how can a socially just and ecological alternative be built? Peadar Kirby investigates the causes of our current multifaceted global crisis by drawing on the work of Karl Polanyi. This book explores Polanyi's theory that social disruptions result from the attempt to run society according to the rules of the market. Drawing on these ideas, it outlines pathways towards an alternative future that overcome weaknesses in Marxism. Linking the ecological, political and socio-economic crises, Kirby identifies that an alternative socio-ecological model is emerging, consistent with the insights of Polanyi. *Karl Polanyi and the Contemporary Political Crisis* is an urgent intervention into key debates on the future of politics, on the low-carbon transition, on automation and on the emerging world order.

How Did I Get Here? Mar 17 2021 From the Big Bang to your birthday, and (almost) everything in between, this funny and informative book tells your story. You are one of the newest members of a family tree that goes way, way, way back to the very first life on Earth. A lot of incredible things had to happen between the beginning

of the universe and today in order to make you. The fact that you (and everyone you know) are here is nothing short of mind-boggling! Read this book to discover how it happened, and prepare to be amazed by the awesomeness of you. This clever, funny, and scientific timeline of the journey of human existence is designed to get young readers asking questions, finding answers, and marveling at the many wonders of our world, from the Big Bang, to evolution, to a brand-new baby, and more.

Make Time Mar 29 2022 From the New York Times bestselling authors of *Sprint* comes a simple 4-step system for improving focus, finding greater joy in your work, and getting more out of every day. "A charming manifesto—as well as an intrepid do-it-yourself guide to building smart habits that stick. If you want to achieve more (without going nuts), read this book."—Charles Duhigg, bestselling author of *The Power of Habit* and *Smarter Faster Better* Nobody ever looked at an empty calendar and said, "The best way to spend this time is by cramming it full of meetings!" or got to work in the morning and thought, "Today I'll spend hours on Facebook!" Yet that's exactly what we do. Why? In a world where information refreshes endlessly and the workday feels like a race to react to other people's priorities faster, frazzled and distracted has become our default position. But what if the exhaustion of constant busyness wasn't mandatory? What if you could step off the hamster wheel and start taking control of your time and attention? That's what this book is about. As creators of Google Ventures' renowned "design sprint," Jake and John have helped hundreds of teams solve important problems by changing how they work. Building on the success of these sprints and their experience designing ubiquitous tech products from Gmail to YouTube, they spent years experimenting with their own habits and routines, looking for ways to help people optimize their energy, focus, and time. Now they've packaged the most effective tactics into a four-step daily framework that anyone can use to systematically design their days. *Make Time* is not a one-size-fits-all formula. Instead, it offers a customizable menu of bite-size tips and strategies that can be tailored to individual habits and lifestyles. *Make Time* isn't about productivity, or checking off more to-dos. Nor does it propose unrealistic solutions like throwing out your smartphone or swearing off social media. Making time isn't about radically overhauling your lifestyle; it's about making small shifts in your environment to liberate yourself from constant busyness and distraction. A must-read for anyone who has ever thought, "If only there were more hours in the day...", *Make Time* will help you stop passively reacting to the demands of the modern world and start intentionally making time for the things that matter.

How To Win Friends and Influence People May 31 2022 Updated for today's readers, Dale Carnegie's timeless bestseller *How to Win Friends and Influence People* is a classic that has improved and transformed the professional and personal lives of millions. Originally published during the depths of the Great Depression—and equally valuable during booming economies or hard times—Carnegie's rock-solid, time-tested advice has carried countless people up the ladder of success in their professional and personal lives. *How to Win Friends and Influence People* teaches you: -How to communicate effectively -How to make people like you -How to increase your ability to get things done -How to get others to see your side -How to become a more effective leader -How to successfully navigate almost any social situation -And so much more! Achieve your maximum potential with this updated version of a classic—a must-read for the 21st century.

Live Well, Learn Well Feb 13 2021 Supporting student wellbeing is an absolute must if you are to develop high-achieving, well-rounded learners. After all, happy students are successful students. *Live Well, Learn Well* is packed with 90 practical ideas and strategies that will help your students progress with their studies and thrive in your secondary classroom. #Teacher5aday advocate Abigail Mann offers easy-

to-implement techniques that use classroom management, classroom layout, praise and rewards to support student wellbeing. By the same author as *Live Well, Teach Well*, this book offers ideas and activities that will help students to manage their time and workload more effectively, learn coping strategies to manage stress and play a more active role in their local communities. The dip-in-and-out format will enable you to act quickly to support the needs of your students so they feel happy with their studies and confident about their progress. Improving social and emotional wellbeing in this way will build better relationships between you and your students, boost mental health and have a positive impact on academic outcomes.

It's Your Life, Make the Most of it, Here's How Oct 24 2021

Atomic Habits Oct 12 2020 The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

House documents Jul 29 2019

Memories of Bullhead City Jan 03 2020 Bullhead City, Arizona -this pictorial trip down memory lane from the people that lived here from the beginning. From a small dusty town along the Colorado River to a favorite resort town, the River Ratz remember their history here.

From Here to You Dec 02 2019 One woman must decide whether she can trust a complete stranger to protect her and unborn child from the threats of her past in this "touching modern romance" from the author of the #1 New York Times bestseller *Beautiful Disaster* (Library Journal). Named one of the "Best Romance Books of 2018" by Bookbub! As Darby Dixon sits in a tiny Texas church bathroom on her wedding day holding a positive pregnancy test, she realizes that marrying her fiance would be the worst decision of her life. She's never been very good at standing up for herself, but she'll sure as hell stand up for her baby. With very little cash and a ton of courage, she flees town to take a new name and start a new life. As a Marine, Scott "Trex" Trexler worked in the most treacherous, corrupt, war-torn places on earth. With his new top-secret security job, he finally has a chance to return to the one place he's felt at peace: Colorado Springs, Colorado. The moment Trex checks in at the hotel where she's working, Darby knows he's dangerous. He may want her to think he's another hotshot firefighter, along with all the others battling the nearby mountain blaze, but something doesn't add up. No way will she get involved

with another man she can't fully trust - and Trex clearly isn't telling her everything. As Darby's ex gets closer and closer to finding her, both she and Trex will soon find out that what you don't know really can hurt you. "This love story is raw, brilliant, and gives women hope in the impossible. Nothing is more precious than that." --Audrey Carlan, #1 New York Times bestselling author "Jamie McGuire writes with no holds barred ... real and addictive." --USA Today "Heartfelt emotions, serious social concerns and exceptional character development result in a touching modern romance with inspirational overtones; a sure winner." --Library Journal

Blood of Requiem (Epic Fantasy, Dragons, Free Fantasy Novel) May 19 2021 Free epic fantasy novel! Song of Dragons -- a fantasy trilogy of blood, steel, and dragonfire. For fans of epic fantasy like A Game of Thrones and The Lord of the Rings. BOOK ONE: BLOOD OF REQUIEM Long ago stood the kingdom of Requiem, a land of men who could grow wings and scales, breathe fire, and take flight as dragons. Requiem ruled the sky. But Dies Irae, a tyrant leading an army of griffins, hunted Requiem's people, burned their forests, and shattered their temples. Requiem fell. This ancient land now lies in ruin, its halls crumbled, its cries silenced, its skeletons littering the burned earth. In the wilderness, a scattering of survivors lives in hiding. The griffins still hunt them, and every day promises death. Will Requiem's last children perish in exile... or once more become dragons and fly to war? Blood of Requiem -- a free epic fantasy novel for fans of dragons, A Game of Thrones, and swords and sorcery.

A Hoser's Guide to Canadian History Apr 05 2020 The great thing about being Canadian is simply this: we don't take ourselves too seriously, which works out pretty well because no one else on the planet takes us seriously, either. If you're reading this book, there's a good chance you're a Canadian. But what does that mean? There are the stereotypical nods, such as politeness and apologizing, but there's so much more! To be honest, you've probably taken part in (or at least talked about) hockey, poutine, curling, canoes, health care, snowshoes, parkas, camping, beer, road work, Canadian Tire, Slurpees, moose, maple syrup, and Tim Hortons in the last 24 hours. "A Hoser's Guide to Canadian History" is your ticket to even more things "Canadian" that you may have missed during your water-cooler discussions, online chats, or your seventeen-hour wait in the local emergency room. As you read this book, you'll discover new and exciting facts about Canada that simply weren't taught in school. As a History teacher, I found the need to spread the unvarnished truth of this great nation's past. People like Sir John "Eh" MacDonald, Tommy Douglas, and Pierre Trudeau all had a distinct impact on this great country of ours, and part of their stories are included in these pages. Even less-famous folks who helped to shape Canada got a mention: John Humphrey, Laura Secord, and Egerton Ryerson. (Yes, "Egerton" is a real name.) Canada has an exciting past, full of events that have brought us to where we are now. Like all countries, we have some things we'd like to forget, but most of those unpleasant moments happened because we had morons in Parliament, something that doesn't happen anymore. Canadians have no need to apologize for being nice, honest, and caring people. So, please enjoy this book, and if you don't, well, I'm sorry.

Little Lies Dec 14 2020 I don't want you. You mean nothing to me. I never loved

you. I turned my words into swords. And I cut her down. Shoved the blade in and watched her fall. I said I'd never hurt her and I did. Years later I'm faced with all the little lies, the untruths, the false realities, the damage I inflicted when all I wanted was to indulge in my obsession. Lavender Waters is the princess in the tower. Even her name is the thing fairy tales are made of. I used to be the one who saved her. Over and over again. But I don't want to save her anymore. I just want to pretend the lies are still the truth. *Little Lies is a 105k standalone new adult romance.

Energy and Water Development Appropriations for Fiscal Year 2005 Jun 07 2020

Here Take This Book, It'll Make You Feel Better Jan 27 2022 We can all feel a little overwhelmed! This book is packed with valuable mental health tips to help fit a bit more wellness into your lives

Beyond Critique Mar 05 2020 Critique has long been a central concept within art practice and theory. Since the emergence of Conceptual Art, artists have been expected by critics, curators, and art school faculty to focus their work on exposing and debunking ideologies of power and domination. Recently, however, the effectiveness of cultural critique has come into question. The appearance of concepts such as the "speculative," the "reparative," and the "constructive" suggests an emerging postcritical paradigm. *Beyond Critique* takes stock of the current discourse around this issue. With some calling for a renewed criticality and others rejecting the model entirely, the book's contributors explore a variety of new and recently reclaimed criteria for contemporary art and its pedagogy. Some propose turning toward affect and affirmation; others seek to reclaim such allegedly discredited concepts as intimacy, tenderness, and spirituality. With contributions from artists, critics, curators and historians, this book provides new ways of thinking about the historical role of critique while also exploring a wide range of alternative methods and aspirations. *Beyond Critique* will be a crucial tool for students and instructors who are seeking to think and work beyond the critical.

The Quit Alternative Jul 01 2022 Here are the top 5 reasons this professional development book is a MUST READ:1) You can create the job you love without quitting your job and giving up your steady paycheck, 401(k), and insurance. This book shows you how. You won't find this information in traditional career guides. It is 100% possible for you, even if you've been considering how to quit your job or how to snag a job you love.2) You'll be entertained (and secretly educated). You'll laugh, cry, and maybe even feel compelled to leave a copy on your boss' desk. Stick with me, and you'll discover helpful principles that will make you the talk of the water cooler. This isn't another ho-hum professional development book, and it's not a "how to find a job" guide full of blank forms. You'll learn a new and inspiring perspective through unforgettably entertaining stories, like what I learned the day my shrink fired me, how I negotiated for a toilet seat on the corporate jet, and how I got called out by my masseuse.3) You'll become empowered, whether you're the mail clerk or CEO or you fall somewhere in between. This book has been endorsed by 5 senior executive leaders of Fortune 1000 companies and 3 mail clerks.4) You'll discover a return on your investment to earn a car. Invest a few dollars and a little bit of time to read this book, and you'll pick up career development tips that can save you enough to earn a car (page 9).5) You'll have a "Personal Career Counselor in Your Pocket." It's useful and practical with vivid case studies for how to negotiate with the boss to help pay for your MBA or support a relocation to the city of your dreams. You'll also learn how to deal with an unreasonable boss and even say "No" without getting fired.
