A People and a Nation, Volume II: Since 1865 Mar 05 2020 A PEOPLE AND A NATION is a best-selling text offering a spirited narrative that tells the stories of all people in the United States. The authors' attention to race and racial identity and their inclusion of everyday people and popular culture brings history to life, engaging readers and encouraging them to imagine what life was really like in the past. In the tenth edition, the number of chapters has been reduced from 33 to 29, making the text easier to assign in a typical semester. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version. A Van Tuyl Chronicle Jan 27 2022 Ghysbrecht van Tuyl, a knight, and his wife Agnes serve the Duke of Gerle (now province Gelderland in the Netherlands) in the 14th century. In the 17th century, the line branched when descendants emigrated to the US. Each branch is traced to the late 20th century.

Mary Quigley 's D&Sep 30 2019 In 1849, half brothers Michael and Joseph Quigley arrive in America seeking relief from the Irish potato famine. Their dying father tasked Michael to watch over Joe, but young Joe is headstrong and soon runs away. He spends his teen years in the wild cow town of West Bottoms, where his entrepreneurial savvy propels him into a successful business until a worldwide depression sends him scrambling. Joe meets and marries another Irish Catholic, Mary McManus, who comes from a family of higher ilk. The unlikely couple settles in a frontier riddled with lawless violence, which leaves them burned out by Jayhawkers. Natural catastrophes, failed crops, Joe 's military service, and illnesses overburden them, but it is a shocking, single event that leads to the destruction of Joe 's family. Through the eyes of nine-year old Little Mary Quigley—Joe and Mary 's second-born daughter—we observe the ultimate, horrific moment that leaves her and her five siblings orphaned. This particular act becomes their dark family secret and leaves a lamentable legacy that has waited generations to be revealed.

A People and a Nation, Volume I: To 1877 Jun 19 2021 Think history is dull? No way, and you're about to find out for yourself. A PEOPLE AND A NATION offers a lively narrative, telling the stories of the diverse peoples in the United States. The authors bring history to life by encouraging you to imagine what life was really like in the past. Focus questions and key terms (with definitions, of course) help you concentrate on important information and easily review it as you prep for tests. And with MindTap for A People and a Nation, you get convenient digital access to an ebook with note-taking and other time-saving features and apps. You'll also explore the people, events and places in the United States through interactive activities, videos, images and maps. Enjoy your journey.

The American Yawp Sep 03 2022 "I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common threads that help us make sense of the past. Without losing sight of politics and power, the American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, The American Yawp gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

[Song of the Ogeechee](#) Jun 27 2019 Song of the Ogeechee is based on a true story about two cousins who were like brothers born to families of affluent cotton planters in early 19th century Georgia who encountered set backs and ordeals caused by the Civil War followed by other hardships during the Reconstruction period. It continues after this period to tell how they overcame problems and responded to adverse conditions to be recognized for their efforts in a world that was busy with industrial progress and social change. The Allen cousins were born in Burke County near Midville not far from the Ogeechee River. Dr. Young John Allen spent his life in China and when he died was well known throughout China, Korea, Japan, and America for his achievements as a Methodist missionary in China from 1860 to 1907. Capt. John P. Allen spent his life in Dawson and Terrell County, Georgia, and when he died was well known throughout the South as a member of the Immortal Six Hundred and as a pioneer citizen and reputable jeweler in Dawson. The author attempts to tell this story for the first time to relate the amazing account of heritage and inherited talent in the Allen family through the symbol of a silver chalice passed on to descendants from 1857 and the magic of the Ogeechee River, the Indian name for River of Songs.

General Index of the Laws of the State of New York ...: 1876-1885 Jul 01 2022

[The American Promise, Volume II: Since 1865](#) May 07 2020 The American Promise if more teachable and memorable than any other U.S. survey text. The balanced narrative braids together political and social history so that students can discern overarching trends as well as individual stories. The voices of hundreds of Americans - from Presidents to pipe fitters, and sharecroppers to suffragettes - animate the past and make concepts memorable. The past comes alive for students through dynamic special features and a stunning and distinctive visual program. Over 775 contemporaneous illustrations - more than any competing text - draw students into the text, and more than 180 full - color maps increase students' geographic literacy. A rich array of special features complements the narrative offering more points of departure for assignments and discussion. Longstanding favorites include Documenting the American Promise, Historical Questions, The Promise of Technology, and Beyond American's Borders, representing a key part of a our effort to increase attention paid to the global context of American history.

[The Fatal Environment](#) Aug 10 2020 Discusses the subjugation of Native Americans on the American frontier, and explains how it was used to justify American territorial expansion. U.S. History by OpenStax (Print Version, Paperback, B&W, Volume 1 & 2) Aug 02 2022 U.S. History by OpenStax (Print Version, Paperback, B&W, Volume 1 & 2) This is the grayscale (black and white) paperback edition, with a donation made to OpenStax from every new copy sold. Its list price is lower from the use of the latest in printing technology. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The 32 chapters provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.
