Next May 18 2021 Un piccolo libro. Un grande tema. Esiste davvero la globalizzazione? O, in altri termini, esiste davvero un nemico radicale chiamato globalizzazione? Alessandro Baricco prende le mosse da un assunto molto preciso: non dare nulla per scontato. Ecco perché, posto il primo quesito, lo scrittore procede attraverso una serie di ulteriori quesiti e di esemplificazioni alla ricerca di una nitida percezione del fenomeno che abbiamo imparato a chiamare globalizzazione. Prima conclusione: quel che sta accadendo ha certamente un

fondamento reale, ma quanta parte del pianeta coinvolge? Ciò che viene avvertito come globale non è piuttosto una direzione, un correre indistinto seguendo le "indicazioni"? Sì, però, come la ferrovie nel West hanno cambiato il mondo, anche ciò che ora punta verso il futuro cambierà il mondo. E allora i no-global? Da che parte vanno? Resistono a un processo sentito come irrimediabilmente "cattivo", sapendo contemporaneamente che in esso sono veicolati degli elementi positivi. Ma in realtà, dice Baricco, "la globalizzazione buona è fatta con gli stessi mattoni della

globalizzazione cattiva". E allora? La risposta è molto articolata, ma sostanzialmente fa perno intorno alla capacità di immaginare e anche di sognare. "Così come ce la stanno vendendo la globalizzazione non è un sogno sbagliato: è un sogno piccolo. Arrestato. Bloccato. Ostaggio dell'immaginario di manager e banchieri. Sognare quel sogno al posto loro: questo, e nulla meno di questo, sarebbe il nostro compito". *Emaús* Jan 26 2022 El Santo, Luca, Bobby y el narrador son cuatro adolescentes de clase media y profundamente católicos. La aparición de

Andre, una chica de clase alta y costumbres liberales, supondrá el derrumbe de todas sus certezas. Hasta entonces, han sido jóvenes llenos de grandes palabras (amor, deseo, dolor, muerte...) cuyo auténtico significado desconocen. Al igual que en la historia de Emaús, en la que se relata cómo Cristo, ya resucitado, se apareció a dos de sus discípulos y éstos no supieron reconocerlo hasta que fue demasiado tarde, los cuatro protagonistas se enfrentan a la realidad sin saber reconocer todos sus matices, aferrados a una fe monolítica. «El tema puede descolocarnos -catolicismo, fe, calvario, resurrección-, pero los lectores que disfrutaron con Océano mar, Novecento, Seda pueden estar tranquilos: encontrarán de nuevo a su autor, y en óptima forma» (Domenico Starnone, La Repubblica). «Baricco ha escrito su novela más valiente y más hermosa» (P. di Paolo, Gli altri).

The Game Sep 21 2021 Fourteen years after the publication of his cult classic I Barbari, Baricco returns in The Game to the topic of change, in a journey that maps out the transformations that the digital revolution has wrought upon the landscape of human experience. From Space Invaders to the PlayStation, from Windows 95 to the conundrum of artificial intelligence, Baricco traces the trajectory of a revolution in the way we think, feel, and communicate - and seeks to discover what it might actually mean for our future.

Without Blood Jun 30 2022 An unforgettable fable about the brutality of war - and one girl's quest for revenge and healing,

from the author of the acclaimed international bestseller Silk. When - in an unnamed place and time - Manuel Roca's enemies hunt him down to kill him, they fail to discover Nina, his youngest child, hidden in a hole beneath his farmhouse floor. After this carnage Tito, one of the murderers, discovers Nina's trapdoor. Enthralled by the sight of Nina's perfect innocence, he keeps quiet. By the time she has grown up, Nina's innocence will have bloomed into something else altogether, and one by one the wartime hunters will become the peacetime hunted. But not until a striking old woman calls upon a familiar old man selling newspapers in town can we know what Nina will ultimately make of her brutal legacy.

Emmaus Dec 13 2020 The secular and the pious. The rich and the poor. Those with “a capacity for destiny” and those who “cannot afford it.” Emmaus is a world of stark contrasts, one in which four young men—all from proud, struggling families, and all lusting after Andre, a hypersexual woman—are goaded from adolescence to manhood in a torrent of exploits and crises, sexual awakenings and morbid depressions, naivety and fatalism. A brilliant portrait of the perils and uncertainties of youth and faith, Emmaus is a remarkable novel from one of the very best writers in Europe.

The Story of Don Juan Jul 20 2021 "The crazy life and courageous death of a man who loved women too much to want only one." Don Juan is a passionate lover of life and nearly 1,000 women. One

night, the Commendatore of Calatrava catches him kissing his daughter, and challenges him to a duel. Don Juan wins the duel, which of course means that the Commendatore is slain-and so begins the end for the incorrigible seducer. Dave Eggers says, of the series: "I couldn't be prouder to be a part of it. Ever since Alessandro conceived this idea I thought it was brilliant. The editions that they've compiled have been lushly illustrated and elegantly designed."

Spatial Plots Aug 09 2020 In discussions about plot, causality and chronology are sometimes held out as the only possible organising principles. And yet readers often transmute fragmented writings, parallel storylines, or tales within tales into a meaningful whole. Other patterns play a role in guiding our attention and, as Beltrami suggests, they invite us to make sense of narratives as spaces to be explored. The critical analysis of selected works by Alessandro Baricco (b. 1958), Andrea Camilleri (1925-2019) and Italo Calvino (1923-1985) dovetails broader theoretical reflection about the ways in which narrative comprehension, far from being 'extraordinary', is a practice embedded in our everyday life and deeply rooted in the sense-making strategies we use to negotiate the world around us. Drawing on recent studies in cognitive literary criticism and cognitive narratology, this book investigates the techniques that elicit such 'spatial' understanding and illustrates how a cognitive-oriented

approach may help illuminate the internal workings of certain narrative texts and open up novel readings. The images of map, trajectory and fractal are offered to represent three types of spatial plots, three ways in which stories may be understood and navigated as spaces.

Novecento Jan 14 2021 At the turn of the 20th Century, the great cruise liner Virginia shuttles back and forth across the Atlantic Ocean, transporting passengers from old Europe to the New World. When an abandoned baby is found on board the sailors christen Novecento - 1900. The child is destined to a strange fate. Novecento will never leave the ship as long as he lives, yet he becomes the greatest jazz musician the world would never know. He only knows his music, which has a magical effect on everyone who hears. For six years before World War II, Tim Tooney played trumpet with him and Novecento gave him his story... Adapted for film in The Legend of 1900, this stage adaptation presented as a monologue, is a beautiful piece of theatre.

Camus, Sartre, Baricco y Proust Mar 04 2020 Existe entre la filosofía y la literatura una relación tan íntima como misteriosa. Ambas se implican mutuamente, se complementan, se necesitan: la literatura invita a la reflexión filosófica y la filosofía reenvía a la expresión literaria. La figura del "filósofo escritor" o del "escritor filósofo" es un caso ejemplar de esta oscilación: Camus, Sartre, Baricco y

Proust consiguieron desprenderse de las clasificaciones y produjeron obras que expresan el sentido silencioso del mundo. Filósofos escritores, escritores filósofos, no se ajustan a lo establecido por las disciplinas a las que se los asocia y se aventuran más allá en esa área que las aúna. Camus, Sartre, Baricco y Proust. Filósofos escritores & Escritores filósofos examina este campo tan fértil, original y provocativo para el pensamiento y la fruición estética, mediante un recorrido medular por las obras e ideas de estos autores.

The Story of Gulliver Jan 02 2020 "For the first time in his life, Gulliver felt ashamed of himself and his fellow-humans." Gulliver is a travel-hungry and adventurous ship's doctor, who has the odd misfortune of being ship-wrecked four times in as many voyages. Through Jonathan Coe's expert retelling of Swift's famous satire about our human hubris and desires, today's young readers are swept along as Gulliver finds himself a giant among tiny humans in Lilliput; a tiny human among giants in Brobdignag; on the flying island of Laputa, with its most impractical intellectuals; and finally in the land of the Houyhnhnms, talking horses who think precious little of human "Yahoos". Dave Eggers says, of the series: "I couldn't be prouder to be a part of it. Ever since Alessandro conceived this idea I thought it was brilliant. The editions that they've compiled have been lushly illustrated and elegantly designed."

The Barbarians May 30 2022 From one of Italy's most respected literary voices, a manifesto on the state of global culture and how connectivity is changing the way we experience it. For the gatekeepers of traditional high culture, the rise of young ambitious outsiders has indeed seemed like nothing short of a barbarian invasion. In this concise and powerful manifesto, Alessandro Baricco explores a handful of realms that have been "plundered"- wine, soccer, music, and books- and extrapolates that it is not a case of old values against new but a widespread mutation that we are all part of, leading toward a different way of having experiences and creating meaning.

Voicing the Word Oct 11 2020 Drawing on the recent renewal of interest in the debate on orality and literacy this book investigates the varying perceptions and representations of orality in contemporary Italian fiction, providing a fresh perspective on this rich and fast-developing debate and on the study of the Italian literary language. The book brings together a number of complementary approaches to orality from the fields of linguistics, literary and media studies and offers a detailed analysis of a broad variety of authors and texts that

appeared over the last three decades - ranging from internationally acclaimed writers such as Celati, Duranti and Tabucchi, through De Luca and Baricco, to the latest generation of writers, such as Campo, Ballestra and Nove. By exploring the complementary facets of Italian orality, and its diachronical developments since the seventies, this study questions the traditionally dichotomic approach to the study of orality and literacy and posits a more flexible, cross-modal approach that accounts for the increasing hybridisation of text forms and media and for the greater interaction between the spoken and the written as well as their representations.

Ocean Sea Sep 02 2022

"Exotic...erotic... *Ocean Sea* is highly romantic and breathtakingly lyrical."--The New York Times Book Review With *Silk*, his first novel to appear in English, Alessandro Baricco immediately proved himself to be a magical storyteller. With *Ocean Sea*, he has been acclaimed as the successor to Italo Calvino, and a major voice in modern literature. In *Ocean Sea*, Alessandro Baricco presents a hypnotizing postmodern fable of human malady-- psychological, existential,

erotic--and the sea as a means of deliverance. At the Almayer Inn, a remote shoreline hotel, an artist dips his brush in a cup of ocean water to paint a portrait of the sea. A scientist pens love letters to a woman he has yet to meet. An adulteress searches for relief from her proclivity to fall in love. And a sixteen-year-old girl seeks a cure from a mysterious condition which science has failed to remedy. When these people meet, their fates begin to interact as if by design. Enter a mighty tempest and a ghostly mariner with a thirst for vengeance, and the Inn becomes a place where destiny and desire battle for the upper hand. Playful, provocative, and ultimately profound, *Ocean Sea* is a novel of striking originality and wisdom.

Oct 03 2022 The year is 1861. Hervé Joncour is a French merchant of silkworms, who combs the known world for their gemlike eggs. They do not touch; they do not even speak. And he cannot read the note she sends him until he has returned to his own country. But in the moment he does, Joncour is possessed.

The Mirage of America in Contemporary Italian

Literature and Film Feb 01 2020 The *Mirage of America in Contemporary Italian Literature and Film* explores the use of images associated

with the United States in Italian novels and films released between the 1980s and the 2000s. In this study, Barbara Alfano looks at the ways in which the individuals portrayed in these works - and the intellectuals who created them - confront the cultural construct of the American myth. As Alfano demonstrates, this myth is an integral part of Italians' discourse to define themselves culturally - in essence, Italian intellectuals talk about America often for the purpose of talking about Italy. The book draws attention to the importance of Italian literature and film as explorations of an individual's ethics, and to how these productions allow for functioning across cultures. It thus differentiates itself from other studies on the subject that aim at establishing the relevance and influence of American culture on Italian twentieth-century artistic representations.

Seda Jul 08 2020 The novel tells the story of Hervé Joncour, a French silkworm merchant. Hervé travels to Japan for business. There he becomes obsessed with the concubine of a local baron. The Industrialization of Creativity and Its Limits Jun 06 2020 Creativity loosely refers to activities in the visual arts, music, design, film and performance that are primarily intended to produce forms of affect and social meaning. Yet, over the last few decades, creativity has also been explicitly mobilized by governments around the world as a 'resource' for achieving economic growth. The creative economy discourse emphasizes individuality, innovation, self-fulfillment, career advancement and the idea of leading exciting lives as remedies to social alienation. This book critically assesses that discourse, and explores how political shifts and new theoretical frameworks are affecting the creative economy in various parts of the world at a time when creative industries are becoming increasingly 'industrialized.' Further, it highlights how work inequalities, oligopolistic strategies, competitive logics and unsustainable models are inherent weaknesses of the industrial model of creativity. The interdisciplinary contributions presented here address the operationalization of creative practices in a variety of geographical contexts, ranging from the UK, France and Russia, to Greece, Argentina and Italy, and examine issues concerning art

biennials, museums, DIY cultures, technologies, creative writing, copyright laws, ideological formations, craft production and creative co-ops. The Game Apr 16 2021 **Mr. Gwyn** Feb 24 2022 After celebrated author Jasper Gwyn suddenly and publicly announces that he will never write another book, he embarks on a strange new career path as a "copyist," holding thirty-day sittings in a meticulously appointed room and producing, at the end, brief but profoundly rich portraits in prose. The surprising, beautiful, and even frightening results are received with rapture by their subjects—among them Gwyn's devoted assistant, Rebecca; a beautiful fabric importer; a landscape painter; Gwyn's own literary agent; two wealthy newlyweds; a tailor to the Queen; and a very dangerous nineteen-year-old. Then Gwyn disappears, leaving behind only a short note to his assistant—and the portraits. As Rebecca studies his words, she realizes that the mystery is larger than the simple fact of Gwyn's whereabouts, and she begins to unravel a lifetime's worth of clues left by a man who saw so much but said so little, a man whose solitude

masked a heart as hungry as hers.

Internationally bestselling novelist Alessandro Baricco

portrays a cast of mysterious characters whose lives and every act seem to exist beyond the rules of causation as he tells a story about fate and the difficult job of confronting the Other and creating an Us. City Dec 25 2021 The author of the international bestseller Silk now delivers a ravishing and wildly inventive novel about friendship, genius and its discontents, and the redemptive power of narrative. Somewhere in America lives a brilliant boy named Gould, an intellectual guided missile aimed at the Nobel Prize. His only companions are an imaginary giant and an imaginary mute. Improbably—and yet with

impeccable logic--he falls into the care of Shatzy Shell, a young woman whose life up till that point has been equally devoid of human connection. Theirs is a relationship of stories and of stories within stories: of Gould's evolving saga of an underdog boxer and the violent Western that Shatzy has been dictating into a tape recorder since the age of six. Out of these stories, Alessandro Baricco creates a masterpiece of metaphysical pulp fiction that recalls both Scheherazade and Italo Calvino. By turns exhilarating and deeply moving, City is irresistible. Silk by Alessandro Baricco (Book Analysis) Sep 09 2020
