**A Darker Shade of Magic** Sep 21 2021 A Darker Shade of Magic, from #1 New York Times bestselling author V.E. Schwab Kell is one of the last Antari—magicians with a rare, coveted ability to travel between parallel Londons; Red, Grey, White, and, once upon a time, Black. Kell was raised in Arnes—Red London—and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the dullest of Londons, the one without any magic left to see. Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's a defiant hobby with dangerous consequences, which Kell is now seeing firsthand. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. She first robs him, then saves him from a deadly enemy, and finally forces Kell to spirit her to another world for a proper adventure. Now perilous magic is afoot, and treachery lurks at every turn. To save all of the worlds, they'll first need to stay alive. "A Darker Shade of Magic has all the hallmarks of a classic work of fantasy. Schwab has given us a gem of a tale...This is a book to treasure."—Deborah Harkness, New York Times bestselling author of the All Souls trilogy Shades of Magic series 1. A Darker Shade of Magic 2. A Gathering of Shadows 3. A Conjuring of Light At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

**Introduction to Sociology 2e** Jan 02 2020 Introduction to Sociology 2e adheres to the scope and sequence of a typical, one-semester introductory sociology course. It offers comprehensive coverage of core concepts, foundational scholars, and emerging theories, which are supported by a wealth of engaging learning materials. The textbook presents detailed section reviews with rich questions, discussions that help students apply their knowledge, and features that draw learners into the discipline in meaningful ways. The second edition retains the book's conceptual organization, aligning to most courses, and has been significantly updated to reflect the latest research and provide examples most relevant to today's students. In order to help instructors transition to the revised version, the 2e changes are described within the preface. The images in

this textbook are grayscale. Authors include: Heather Griffiths, Nathan Keirns, Eric Strayer, Susan Cody-Rydzewski, Gail Scaramuzzo, Tommy Sadler, Sally Vyain, Jeff Bry, Faye Jones

**Decolonizing Anthropology** Aug 21 2021 Decolonizing Anthropology is part of a broader effort that aims to advance the critical reconstruction of the discipline devoted to understanding humankind in all its diversity and commonality. The utility and power of a decolonized anthropology must continue to be tested and developed. May the results of ethnographic probes--the data, the social and cultural analysis, the theorizing, and the strategies for knowledge application--help scholars envision clearer paths to increased understanding, a heightened sense of intercultural and international solidarity, and last, but certainly not least, world transformation.

The Scribe Method Jul 20 2021 Ready to write your book? So why haven't you done it yet? If you're like most nonfiction authors, fears are holding you back. Sound familiar? Is my idea good enough? How do I structure a book? What exactly are the steps to write it? How do I stay motivated? What if I actually finish it, and it's bad? Worst of all: what if I publish it, and no one cares? How do I know if I'm even doing the right things? The truth is, writing a book can be scary and overwhelming—but it doesn't have to be. There's a way to know you're on the right path and taking the right steps. How? By using a method that's been validated with thousands of other Authors just like you. In fact, it's the same exact process used to produce dozens of big bestsellers—including David Goggins's *Can't Hurt Me*, Tiffany Haddish's *The Last Black Unicorn*, and Joey Coleman's *Never Lose a Customer Again*. The Scribe Method is the tested and proven process that will help you navigate the entire book-writing process from start to finish—the right way. Written by 4x New York Times Bestselling Author Tucker Max and publishing expert Zach Obront, you'll learn the step-by-step method that has helped over 1,500 authors write and publish their books. Now a Wall Street Journal Bestseller itself, The Scribe Method is specifically designed for business leaders, personal development gurus, entrepreneurs, and any expert in their field who has accumulated years of hard-won knowledge and

wants to put it out into the world. Forget the rest of the books written by pretenders. This is the ultimate resource for anyone who wants to professionally write a great nonfiction book.

*The Every* Dec 25 2021 From the award-winning, bestselling author of *The Circle* comes an exciting new

follow-up. When the world's largest search engine/social media company, the Circle, merges with the planet's dominant ecommerce site, it creates the richest and most dangerous—and, oddly enough, most beloved—monopoly ever known: the Every. Delaney Wells is an unlikely new hire at the Every. A former forest ranger and unwavering tech skeptic, she charms her way into an entry-level job with one goal in mind: to take down the company from within. With her compatriot, the not-at-all-ambitious Wes Makazian, they look for the Every's weaknesses, hoping to free humanity from all-encompassing surveillance and the emoji-driven infantilization of the species. But does anyone want what Delaney is fighting to save? Does humanity truly want to be free? Studded with unforgettable characters, outrageous outfits, and lacerating set-pieces, this companion to *The Circle* blends absurdity and terror, satire and suspense, while keeping the reader in apprehensive excitement about the fate of the company—and the human animal.

**Atomic Habits** Oct 11 2020 The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-

saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. *Atomic Habits* will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

**The Paperback Art of James Avati** Jul 28 2019 James Avati (1912-2005) is regarded as the pre-eminent painter of paperback covers in the second half of the 20th century. He was known in the business as the 'King of the Paperbacks'. Avati designed realistic cover illustrations for novels by the likes of Steinbeck, Faulkner, Salinger, Caldwell and Moravia, covers that appealed directly to broad sections of the population. He worked for the New American Library (Signet Books) and for every other major paperback publisher including Bantam, Avon, Pocket, Fawcett and Dell. In this lavishly illustrated book graphic designer Piet Schreuders reconstructs Avati's life and 40-year career. During the past 25 years most of Avati's original paintings have been salvaged from the warehouses of American publishers and now fetch many thousands of dollars among collectors. Here, for the first time, Avati's universally admired work is available in full-size quality reproductions and expertly described. This is a paperback volume with sewn signatures

*(Don't) Call Me Crazy* Aug 09 2020 Who's Crazy? What does it mean to be crazy? Is using the word crazy offensive? What happens when such a label gets attached to your everyday experiences? In order to understand mental health, we need to talk openly about it. Because there's no single definition of crazy, there's no single experience that embodies it, and the word itself means different things—wild? extreme? disturbed? passionate?—to different people. *(Don't) Call Me Crazy* is a conversation starter and guide to better understanding how our mental health affects us every day. Thirty-three writers, athletes, and artists offer essays, lists, comics, and illustrations that explore their personal experiences with mental illness, how we do and do not talk about mental health, help for better understanding how every person's brain is wired differently, and what, exactly, might make someone crazy. If you've ever struggled with your mental health, or know someone who has, come on in, turn the pages, and let's get talking.

Explore the significance of the home library, embellished with alluring photography and illustrations, in a keepsake worthy of any bibliophile's collection. *For the Love of Books* shares the vision of Juniper Books, a business that embraces the roles that books fulfill in our lives and their staying power. It recounts the history of books and private libraries, and champions the resilience of books in the digital era. Dive into the nuances that define books for reading, books for decoration, and books for inspiration. Instructive chapters provide useful details for creating and curating one's own home library, whether it be a single shelf or multiple rooms each with their own collection. You will never look at your bookshelves the same way again. *For the Love of Books* is about storytelling beyond the pages of our favorite books. Our books—the ones we choose to keep—tell the story of who we are. They remind us who we once were and who we aspire to be. Thatcher Wine founded Juniper Books in 2001. The company creates custom libraries and has perfected the art of turning books inside out to

allow for books to tell stories not just to us, but about us. Working with booklovers, homeowners, and designers, Juniper Books has provided the world with a fresh new approach to the printed book. Thatcher grew up in New York City where his parents owned and operated The Quilted Giraffe, one of the most innovative restaurants in America. Thatcher graduated from Dartmouth College with a degree in history and art history and lives in Boulder, Colorado. Elizabeth Lane is the founder of Quarterlane, a quarterly subscription book service which merged with Juniper Books in 2018. She is also the book buyer for her local independent bookstore, Partners Village Store and Kitchen in Westport, Massachusetts. Prior to working in books, Elizabeth worked in contemporary visual art—in galleries, nonprofit initiatives and museums in New York, Austin, and Chicago. Elizabeth graduated from Davidson College with a degree in art history and received her masters degree from the School of the Art Institute of Chicago.

The Lightness Mar 16 2021 "A teen thriller in the vein of the '90s horror movie *The Craft* . . . A beautiful meditation on meditation . . . Frequently hilarious, and thoughtful throughout." —The New York Times Book Review "The *Lightness* could be the love child of Donna Tartt and Tana French, but its savage, glittering magic is all Emily Temple's own." —Chloe Benjamin, New York Times bestselling author of *The Immortalists* A Belletrist Book Club Pick! A Most Anticipated Novel by Entertainment Weekly • USA Today • Marie Claire • Elle • WSJ. Magazine • Glamour • Vulture • Bustle • BuzzFeed • The Millions • The Philadelphia Inquirer • Minneapolis Star Tribune • The Daily Beast • Refinery 29 • Publishers Weekly • Literary Hub • Electric Literature • and more! A stylish, stunningly precise, and suspenseful meditation on adolescent desire, female friendship, and the female body that shimmers with rage, wit, and fierce longing—an audacious, darkly observant, and mordantly funny literary debut for fans of Emma Cline,

Otessa Moshfegh, and Jenny Offill. One year ago, the person Olivia adores most in the world, her father, left home for a meditation retreat in the mountains and never returned. Yearning to make sense of his shocking departure and to escape her overbearing mother—a woman as grounded as her father is mercurial—Olivia runs away from home and retraces his path to a place known as the Levitation Center. Once there, she enrolls in their summer program for troubled teens, which Olivia refers to as “Buddhist Boot Camp for Bad Girls”. Soon, she finds herself drawn into the company of a close-knit trio of girls determined to transcend their circumstances, by any means necessary. Led by the elusive and beautiful Serena, and her aloof, secretive acolytes, Janet and Laurel, the girls decide this is the summer they will finally achieve enlightenment—and learn to levitate, to defy the weight of their bodies, to experience ultimate lightness. But as desire and danger intertwine, and Olivia comes ever closer to discovering what a body—and a girl—is capable of, it becomes increasingly clear that this is an advanced and perilous practice, and there’s a chance not all of them will survive. Set over the course of one fateful summer that unfolds like a fever dream, *The Lightness* juxtaposes fairy tales with quantum physics, cognitive science with religious fervor, and the passions and obsessions of youth with all of these, to explore concepts as complex as faith and as simple as loving people—even though you don’t, and can’t, know them at all. “A suspenseful debut.” –People Pick

Faber and Faber May 18 2021 Joseph Connolly - book collector, antiquarian dealer, and acclaimed novelist - has compiled an impassioned guide and love letter to the designers, artists and authors at the heart of Faber's design story. From its beginnings in the 1920s and 1930s on to the classic years of innovation under Berthold

Wolpe after the War, and from the celebrated period of collaboration with Pentagram on to the modern day, here is, as he concludes in his preface, 'a lavish celebration of the art and beauty of these magnificent covers, from just the first eighty years'. Even gazing at these so slim spines, I was taken. And at the foot of each one, the word Faber. The vitality of the design, even on these very narrow spines, compelled me to slide out the books. And the covers! Oh my goodness, the covers ... the colour, strength and typography were not at all brash, but merely dynamic: here, I thought, was splendour. And it was the covers that encouraged me to open the books. And to read. And then to discover.
