Writing British Columbia History, 1784-1958 Feb 21 2022 Captain James Cook first made contact with the area now known as British Columbia in 1778. The colonists who followed soon realized they needed a written history, both to justify their dispossession of Aboriginal peoples and to formulate an identity for a new settler society. Writing British Columbia History traces how Euro-Canadian historians took up this task, and struggled with the newness of colonial society and overlapping ties to the British Empire, the United States, and Canada. This exploration of the role of history writing in colonialism and nation building will appeal to anyone interested in the history of British Columbia, the Pacific Northwest, and history writing in Canada.

Christmas in Mariposa Aug 18 2021 A funny and heart-warming tribute to Canada's most famous small town, and its most celebrated humourist, Stephen Leacock. Many Canadians grew up in small towns, or at least in neighbourhoods that acted like small towns. But what if you grew up in Canada's most famous small town—Stephen Leacock's Mariposa? This was the world that journalist Jamie Lamb was raised in, the actual place that inspired Leacock's Canadian classic, *Sunshine Sketches of a Little Town*, over a century ago. The Mariposa of Lamb's time was slightly different, yet it still embodied the heart and soul, the eccentricities and the bizarre local customs of Leacock's sketches. *Christmas in Mariposa* is a celebration of that town and its people. It tells of secret gardens, special rinks, oddball hotels, remarkable foods, fast boats and sunken aircraft, Christmas Eve fireworks, and the best Christmas office party in the country. It describes a place where Christmas could be celebrated in summer with a Baby Jesus look-alike contest, Canada's only officially sanctioned reindeer races, and the Three Wise Men arriving with gifts by parachute. It transports readers to a world where where Gordie Howe once dropped by for a skate, and Glenn Gould regularly came to eat a well-done steak and six Parker House rolls slathered in butter at a Chinese restaurant. Jamie Lamb's Mariposa is timeless and quintessentially Canadian.

The Lamb and the Tiger Dec 10 2020 This book focuses on the broad implications of the transformation of Canada from a peacekeeping to a war-making nation during the Conservative Party's recent decade in power. Funds were poured into the Canadian Forces, and a newly militarized nation found itself entrenched in conflicts around the globe. For decades, Canada had played a leading role in UN peacekeeping, and when the Cold War ended, the prospect of international harmony was infectious. Yet in short order hostilities erupted in the failed states of Rwanda, Somalia, and the Balkans; terrorism - including 9/11 - raised its head; and Iraq and Afghanistan became war zones. In the face of these immense challenges, the UN was dismissed by its opponents as irrelevant. Structured around an anti-war perspective, *The Lamb and the Tiger* critically examines the ageless genetic and more recent cultural (civilizational) explanations of war, concluding with a close look at the impact of war and right-wing politics on women and Indigenous peoples. *The Lamb and the Tiger* encourages Canadians to think about what kind of military and what kind of country they really want.

Queerly Canadian, Second Edition Oct 27 2019 In the second edition of this remarkable and comprehensive anthology, many of Canada's leading sexuality studies scholars examine the fundamental role that sexuality has played—and continues to play—in the building of our nation, and in our national narratives, myths, and anxieties about Canadian identity. Covering both historical and contemporary perspectives on nation and community, law and criminal justice, organizing and activism, health and medicine, education, marriage and family, sport, and popular culture and representation, the essays also take a strong intersectional approach, integrating analyses of race, class, and gender. This interdisciplinary collection is essential for the Canadian sexuality studies classroom, and for anyone interested in the mythologies and realities of queer life in Canada.

[Watching the Devil Dance](#) Oct 20 2021 The unbelievable true story of Canada's first known spree killer, told by a veteran of the Royal Canadian Mounted Police. In June 1966, Matthew Charles Lamb took his uncle's shotgun and wandered down Ford Blvd in Windsor, Ontario. At the end of the bloody night, two teenagers lay dead, with multiple others injured after an unprovoked shooting spree. In his investigation into Lamb's story, Will Toffan pieces together the troubled childhood and history of violence that culminated in the young man's dubious distinction as Canada's first known spree killer—at which point the story becomes, the author writes “too strange for fiction.” Travelling from the border city streets, to the courtroom, to the Oak Ridge rehabilitation centre, and finally Rhodesia, *Watching the Devil Dance* is both a thrilling narrative about a shocking true crime and its bizarre aftermath and an insightful analysis of the 1960s criminal justice system.

Harold Mortimer Lamb Jan 29 2020 Harold Mortimer-Lamb's name is in the index of almost every book written on the history of Canadian art, yet his place in that world has never been clear.

Photographer, writer, painter, promoter—he was a man of many parts and the ideal patron and friend to some of Canada's most famous artists, including A.Y. Jackson, Emily Carr, and Jack Shadbolt. At the centre of his story are his relationships with painter Frederick Varley and young student Vera Weatherbie, whom Mortimer-Lamb, at the age of seventy, eventually married, when she was just thirty. Profusely illustrated with his photos, paintings, and the art he collected, *Harold Mortimer-Lamb: The Art Lover* brings into focus an unknown chapter in Canadian art history.

[The Shadow and Night](#) Jul 25 2019 In the first book in the epic *Lamb among the Stars* series, author Chris Walley weaves the worlds of science and the spirit, technology and supernatural into something unique in science fiction. Twelve thousand years into the future, the human race has spread across the galaxy to hundreds of terraformed worlds. The effects of the Fall have been diminished by the Great Intervention, and peace and contentment reign under the gentle rule of the Assembly. But suddenly, almost imperceptibly, things begin to change. On the remotest planet of Farholme, Forester Merral D'Avanos hears one simple . . . lie. Slowly a handful of men and women begin to realize that evil has returned and must be fought. What will this mean for a people to whom war and evil are ancient history? Thus begins the epic that has been described as “If C. S. Lewis and Tolkien had written *Star Wars*.” *The Shadow and Night* was previously published in two volumes: *The Shadow at Evening* and *The Power of the Night*.

118 Days (Canadian Edition) Sep 06 2020 On November 26, 2005 Christian Peacemaker Teams (CPT) members Tom Fox and Jim Loney along with delegation members Norman Kember and Harmeet Sooden were kidnapped in Iraq. Tom Fox was killed on March 9, 2006. Jim, Norman and Harmeet were freed two weeks later on March 23 after 118 days of captivity. The kidnapping of these four men was like a rock thrown into a pond. This book describes the ripples on the water, the impact and results of that rock. Ripples in the lives of CPT teams and the communities in which they work. Ripples among families and friends of those taken. Ripples across the world in faith communities, prisons, in the media and among their audiences, and in the lives of the four men. Dozens of Muslim leaders who knew CPT's peacemaking work courageously called for the release of the CPT delegation. Christian leaders in turn called for justice for the 14,000 Iraqis held by Multinational Forces in Iraq without charges or access to their families.

Grimoire of the Lamb: An Iron Druid Chronicles Novella Mar 25 2022 From the author of The Iron Druid Chronicles comes a rollicking urban-fantasy adventure featuring Atticus O'Sullivan. Atticus has a history of messing with the gods, and now he'll have to outfox a deity at her own deadly cat-and-mouse game. When he's not vanquishing villainous gods or dodging demons, two-thousand-year-old Druid Atticus O'Sullivan can be found behind the counter of Third Eye Books and Herbs in modern-day Tempe, Arizona, literally minding his own business. But when an evil sorcerer—and amateur shoplifter—snatches an ancient Egyptian tome of black magic, The Grimoire of the Lamb, Atticus is not sheepish about pursuing him to the ends of the earth . . . or at least to the Land of the Pharaohs. Unfortunately, Atticus already has enemies in Egypt—including cat goddess Bast, who wants her own book of mischief back from the Druid. In the streets of Cairo, she sends a feline phalanx after Atticus and his Irish wolfhound, Oberon. With fur still flying, Atticus must locate the sorcerer's secret lair—where he will face killer crocodiles, spooky sarcophagi, and an ancient evil Egyptian who's determined to order the sacrificial lamb special tonight. Includes an excerpt from Kevin Hearne's Iron Druid Chronicles novel *Hunted!* Praise for Kevin Hearne and The Iron Druid Chronicles "Celtic mythology and an ancient Druid with modern attitude mix it up in the Arizona desert in this witty new fantasy series."—Kelly Meding, author of *Three Days to Dead* "[Atticus is] a strong modern hero with a long history and the wit to survive in the twenty-first century. . . . Superior Rendezvous-Place Oct 08 2020 Jean Morrison has written a fascinating and important book, full of drama and colourful historical figures. Rare paintings, drawings, maps and archival photographs complement her impeccable research and lively text. Superior Rendezvous-Place encompasses the French predecessors of Fort William, Native Peoples of the time and the evolution of the fur trade, with an emphasis on the North West Company era. This most important work concludes with details of the reconstruction of the fort and the development of Old Fort William, one of Ontario's "must see" attractions. "Jean Morrison is a natural story teller, and hers is an essential historical document in the compelling history of Fort William, once the centre of the North American commercial universe." - Peter C. Newman, author of *Caesars of the Wilderness* "This book is wonderful reading. Jean Morrison's prose is beautiful." - Carolyn Podruchny, fur trade historian, Newberry Library, Chicago
