[Finance Advice For Writers](#) May 19 2021 If you're like most writers, you're probably beside yourself wondering what you can deduct against your writing income when it comes to taxes. What does the Internal Revenue Service allow? What deductions send up a red flag? Will you be audited? And the big one: How much will you have to pay in taxes? Your tax liability will be greater than if you were on the payroll. When you find out how much greater, you'll want to find all the deductions you can get. This book is for UK authors, particularly the new ebook authors, many of whom do not realize the wide range of expenses they may legally claim as tax deductions. Where an author's income is lower than the expenses claimed - which is often the case in the early years - the author will usually enjoy a repayment of tax. Even for the established authors, the principles contained in this book, when properly applied, will significantly lower their tax liability.

Tax Secrets of the Rich Aug 22 2021 Ever wondered how the wealthy always seem to pay less tax than the average person? Allan Mason shares his over 40 years of tax and accounting knowledge in an easy to read format. While tax may be a boring subject, unfortunately it is something we all need to master. As the saying goes there are only 2 things certain in life - death and taxes. By reading this book you will learn about real case studies and tips on how Allan has helped many clients reduce their tax, improve their business and hence grow their personal wealth. You will also discover: How the wealthy view tax and their mindset. How to play the tax game using structures to take advantage of different tax rates. Read about actual real life case studies. 11 tax tips covering nearly every tax situation a person can encounter. 7 Money tips that successful people use to create wealth or run their business in a way that it creates life rather than taking it away from them. Some interesting facts about money and wealth. The millionaire mindset of the wealthy and how to emulate that. The psychological aspect of success and failure in business. How to harness the power you have within you to run a successful and profitable business while still retaining enough after tax dollars to build wealth. This is a must read for every person who aspires to be in control of their finances. You owe it to yourself, your family and the community to be successful.

Original.

Wall Street Secrets for Tax-Efficient Investing Sep 03 2022 When looking at a monthly brokerage statement, an investor's eyes go straight to the bottom line—the account value. But there's a catch. If you have big gains and decide to play it safe and take some of that money off the table, taxes will take a hefty chunk of those profits. Brokerage firms know how to handle such risk for their own accounts, hedging holdings, for example, to iron out volatility instead of incurring taxable capital gains. Savvy individual investors can use the same techniques to protect themselves. In this indispensable guide, Robert Gordon, a Wall Street veteran, shares the strategies of an insider to demonstrate how you can use the tax laws to your advantage. Written in plain English, this book explains federal and state tax considerations that investors need to know to make the most tax-efficient choices and to protect their portfolios. The emphasis is on practical application, aimed at guiding you to specific, accessible tax-saving goals without having to wrestle down the entire Internal Revenue Code. Thanks to the talents of Gordon and respected journalist Jan M. Rosen, this book is clearly organized along transactional lines, offering easy entry for busy readers and allowing investors to zero in on a powerful array of proven, tax-minimizing techniques and strategies. By the time you finish reading Wall Street Secrets for Tax-Efficient Investing, you will be on your way to reducing your tax bite to a nibble and enjoying the full benefit of your investment earnings.

Cracking the Secrets of Tax Anxiety Disorder Jan 15 2021 This book is written for taxpayers who have been enduring IRS problems for years, many without help from their loved ones. Most of them are successful professionals, entrepreneurs, dedicated mothers, fathers, wives, and husbands who want to protect their careers, businesses, spouses, and children from any financial troubles at all costs. They have kept their IRS troubles a secret and suffered tax anxiety disorder for years. These people can be the most admired, gentlest, and easy-going persons; however, they sometimes vent their secret frustrations at their employees or their loved ones. Because of tax anxiety disorder, they can be a completely different person in public and in private with different personalities. These relatives wonder what is happening to their fathers, mothers, and spouses who are very compassionate in public but sometimes act violently at home. Studies have been conducted about this type of emotional disorder that has taken a toll on a large population and some have suggested how to combat this mental disorder. Anxiety disorders can take on several forms, such as chronic worry, phobias, social anxiety, obsessive-compulsive, and panic. It is a psychological condition that affects highly productive people in a myriad of ways, including shame, frustration, hostility, fatigue, insomnia, irritable bowel syndrome and various other stress-induced diseases. Fear of IRS, panic at tax filing time, afraid of receiving IRS letters, etc. are among the symptoms of tax anxiety disorder syndrome. The disorder also affects the way a sufferer thinks, acts, and interacts with others. Ironically, most sufferers are extremely proficient at concealing their symptoms, and as such, they typically suffer in silence. As with any disorder syndrome, as long as the cause can be discovered, the cure will be found with help of professionals in the field. The treatment utilizes strategies such as providing education on the nature of anxiety and helping clients learn to identify and adjust from unhelpful thought patterns. In some cases, help comes too late to be effective. Some have to spend time in jail; some even commit suicide before their problems come to light. Anh Le, CPA, EA, is a Certified Public Accountant licensed in Illinois and Missouri. He is also a federal certified Enrolled Agent in front of the IRS. He specializes in tax resolution, and tax defense in finding solution for client's tax debt. He has been in business for more than 25 years with taxation focus for the last 10 years. In this book, Anh Le will start the transformation process by identifying tax anxiety disorder syndrome symptoms, analyzing the roots of tax anxiety disorder, consequences of the disorder and IRS actions against them, finding solutions, and avoiding the same problems from happening again. In the process, he will also dispel any myths of quick-fix solutions for your IRS problems. Also, he will discuss a new travel ban used against trouble taxpayers, and also some tax issue trivia. Anh Le works with average clients who are for whatever reason at odd with the IRS. He has helped thousands resolve their IRS issues. His clients are from all over the country, but the majority is in greater St Louis area and southwestern Illinois. Most of clients praise him for his "quick, efficient, and effective services" (Robert Gagliano, Glen Carbon, IL). The keys of success have been his comprehensive approach in tax resolution process, from case discovery to tax compliance, in order to arrive at the best tax solution for clients.

Drobnick Sr. owner of Easy Tax Pro LLC 963 East Johnstown Road Gahanna, Ohio 43230 1(614)477-5215

Lower Your Taxes - BIG TIME! 2019-2020: Small Business Wealth Building and Tax Reduction Secrets from an IRS Insider Apr 05 2020 Learn how to navigate the latest changes to the tax law—and save big on your taxes! For most people, tax time is the most dreaded time of the year. After the recent tax overhaul enacted by Congress, taxpayers are more anxious and confused than ever. Lower Your Taxes—Big Time! helps you understand how the latest tax bill affects your personal and business taxes. Fully updated for the 2019 – 2020 season, this essential book covers everything you need to know about saving money on tax day—and every other day of the year. Whether you're a consultant, business owner, independent contractor, or home filer, you'll learn how to legally, morally and ethically take advantage of the tax system to get a yearly subsidy of \$5,000 or more back from the IRS—and bulletproof your records forever. Written by tax expert and former IRS attorney Sandy Botkin, this is a must-have resource for saving thousands of dollars at tax time. Lower Your Taxes Big Time! shows you how to: •Properly document any business deduction so you never have to worry about being audited•Get a tax subsidy of \$5,000 or more for starting up your own home-based business •Turn tuition, entertainment, orthodontia, and other expenses into huge deductions •Take advantage of small-business tax changes and extensions recently passed by the American Tax Cuts and Jobs Act, and more. •Learn how to easily navigate and maximize the new 20% pass through deduction for most small businesses

Secrets of the U.S. Tax Code Nov 05 2022 Misunderstanding The Internal Revenue Code Costs Americans About A Trillion Dollars Every Year FOOD FOR THOUGHT For the past one-hundred and four years of its existence, the U.S. Internal Revenue Code has been ridiculed, feared, and despised by virtually everyone. And why not? As presented by the Internal Revenue Service, the Code appears illogical, inconsistent, and incomprehensible. The Code defies practically the entire Bill of Rights- requiring citizens to testify against themselves, allowing searches and seizures without warrants, levying fines and penalties without trials, and imposing a tax on our basic right to earn a living. As presented by the IRS, the IRC would appear to turn everything we all thought we had learned in grade-school English and Civics on its head.

Dirty Secrets Oct 04 2022 What happens when the rich are allowed to hide their money in tax havens, and what we should do about it The Panama Papers were a reminder of how the superrich are allowed to hide their wealth from the rest of us. Dirty Secrets uncovers the extent of the corruption behind this crisis and shows what needs to be done in the face of this unregulated spread of rampant greed. Tax havens, we are often told, are part of the global architecture of capitalism, providing a freedom from regulation necessary to make markets work. In this book, leading authority Richard Murphy uncovers the truth behind this lie. The fact of the matter is that this increasingly popular practice threatens the foundations of democracy, sowing mistrust and creating a regime based upon opacity. As Murphy shows, how we manage our economy is a political decision, and one that can be changed. Dirty Secrets proposes ways to regulate tax havens and what the world might look like without them.

Tax Resolution Secrets Jan 27 2022 Now you can utilize the proven methods utilized by tax professionals to reduce tax liabilities and resolve problems with the IRS. This inside look at professional tax resolution strategies is written in plain language and includes step-by-step instructions for using the strategies. Tax Resolution Secrets is authored by one of the leading practitioners in the tax resolution industry today, and is a sought after trainer for teaching these strategies to other tax professionals.

The Hidden Wealth of Nations Dec 14 2020 Everyone knows the super rich are hiding tons of money and not paying near enough taxes. This common knowledge that the wealthy have found ways around taxation by moving their assets to countries that don't tax them raises the question of how much of the world's wealth is hidden and how. Gabriel Zucman, a prominent young French economist, has come up with novel yet effective ways of quantifying how big the problem is, how tax havens work and are organized, and how we can begin to tackle the problem. Digging deep into the global data and comparing it with that of individual and international institutions, "The Hidden Wealth of Nations" offers for the first time a full picture of how this sophisticated international system works and is organized in practice. It is an invaluable glimpse at one of the most powerful forces contributing to inequality across the globe."

How America was Tricked on Tax Policy Mar 05 2020 How America was Tricked on Tax Policy explains how regular citizens were "tricked" by the outdated view of economists that much heavier taxation of labor rather than capital is economically justifiable. The truth is that workers pay their taxes while the rich pay very little. Based on reputable sources of information, including publications of the Organization for Economic Cooperation and Development (OECD), official statistics data, and the publications in high-ranked journals, the book paves the way for a new policy-making process aimed to achieve more sustainable taxation and to increase the wellbeing of citizens as the main goal of any modern state policy. Dealing with critically important and underexplored topics in tax policy, the book challenges an enshrined dogma that is rarely challenged at the level of policy. In doing so, this book envisions policy changes that could be highly impactful in a new political administration. This book proposes that governments should look for not just corporate income tax rate reduction when announcing their tax reforms but should equally focus on the reduction of the overall tax burden on labor. The negative impact and high social cost of wage taxation is exemplified by the key areas of tax policy that are relevant for every wealthy state, such as taking due care of public health, investing in education and wellbeing of children, and supporting small business for the overall benefit to society. The book compellingly argues how tax policy could be improved by incorporating science and scientific methods.

The point is that you need to build a solid foundation for your business in order to be successful. So, if you want to save hours and money during tax season, buy it now and let your customers get addicted to this amazing book! BOOK #2: *Credit Secrets Want to Drive The Car of Your Dreams, or Live in The Perfect House to Grow Your Family?* This book will show you exactly how to do that! Credit repair is a term that is utilized to allude to the procedure/methods taken or applied so as to transform an awful credit report into a decent one. This repair procedure, otherwise called restoration, should be possible by erasing negative/wrong data from one's record and finding a way to change one's costs so as to raise one's score. The demonstration itself is otherwise called fixing one's credit. The book covers: - THE RIGHT WAY TO CHECK YOUR CREDIT REPORT - HOW TO CONVERT BAD CREDIT INTO GOOD CREDIT - MISTAKES TO AVOID WHILE REPAIRING CREDIT - DEBUNKING COMMON CREDIT SCORE MYTHS - STEPS TO CREDIT REPAIR - 7 QUICKEST AND EASIEST STRATEGIES TO RAISE YOUR SCORE .. and much more! So if you are one of those people who like to become financially stable and have a good line of credit, what are you waiting for? It's time to secure your future! Buy it now and let your customers get addicted to this amazing book!

Winning the IRS Game Feb 02 2020

CPA Trade Secrets and Tax Strategies Aug 02 2022 For the Business owner, learn some strategies to improve your cash flow, protect your assets and create a wealthy retirement. The CPA's Trade Secrets and Tax Strategies is a book aimed at the existing business person who thinks that he or she is paying too much in income taxes. It presents 6 chapters of different tax strategies that may be useful to the business owner. It presents the logic and procedures in which to implement these various tax strategies. It presents the positives and negatives of using these tools. It provides details on how to use these strategies that could be implemented by a tax professional or by the business owner. This book is unique, because it illustrates methods that can increase cash flow to the user. It does not read like a textbook. Unlike most books written by tax experts, it does not just recite the tax code, but provides an educated insight into interpreting these codes to the user's benefit. The strategies have been tested and utilized by the author, who is a practicing Certified Public Accountant.

This easy read is packed full of information that will provide you with strategies to save taxes and put your money back where it belongs? in your bank account. If you own a small business and want to maximize your tax benefit, this book is for you! Do you own a rental, contribute to 401K's, IRA's, HSA's, 529's or other accounts with letters and numbers? Then this book is for you! This book gives you the answers you need quickly, with straightforward guidance that will give you a tremendous head start toward keeping more cash in your pocket every month and year after year. About the authors: Michael A. York, EA (Michael A. York & Associates, Salt Lake City, UT) literally grew up in a CPA firm - his dad didn't teach him how to fix anything, he taught Michael how to deduct it, and Michael has spent decades focusing on nothing but taxes. Andrew L. Stevens, EA, MBA (Houston Tax Advisors, Houston, TX) began working in that same tax firm in 1999, and has since gone to business school, worked in management consulting, started a business and sold it, all while remaining grounded to his roots in taxes. When Michael and Andrew sat down to compare notes, they started with the question, "What is the best thing we have found to educate clients about tax strategy?" Their answers were identical: relatable stories! No one likes code sections and very few understand tax language, but everyone can relate to (and remember!) real stories about real people. So they wrote a book full of real stories about how real people save real money on their taxes, and the best part is that you can use these strategies, too! Taxes don't need to tax you anymore! Need a tax professional? Contact The York Tax Group Tel: (801) 733-8637 info@notataxbook.com www.notataxbook.com
