Welcome to Patricia Briggs's
world, a place where "witches,
vampires, werewolves, and
shape-shifters live beside
ordinary people" (Booklist). It
takes a very unusual woman to
call it home—and there's no
one quite like Mercy
Thompson. By day, Mercy
Thompson is a car mechanic in
the sprawling Tri-Cities of
Eastern Washington. By night,
she explores her preternatural
side. As a shape-shifter with
some unusual talents, Mercy's
found herself maintaining a
tenuous harmony between the
human and the not-so-human
on more than one occasion.
This time she may get more
than she bargained for.
Marsilia, the local vampire
queen, has learned that Mercy
crossed her by slaying a
member of her clan—and she's
out for blood. But since Mercy
is protected from direct

reprisal by the werewolf pack (and her close relationship with its sexy Alpha), it won't be Mercy's blood Marsilia is after. It'll be her friends'.

Mission for the Maharaja

Sep 30 2022 When Patricia returned the missing sapphire of Zangrabar she had no idea the Maharaja would consider himself eternally in her debt. Hardly surprising then that she has been invited to his son's coronation as the new Maharaja. There's intrigue and mystery afoot though; the Marahaja's invite suggested he had a mystery for her to solve, but in true Patricia style, it's nowhere near that simple. Someone in Zangrabar wants her dead but they didn't count on the tenacity of her friends and the loyalty of her butler. Beware wrongdoers, Patricia is getting used to ruining nefarious plans. However, with her friends going missing, secretive servants, lies and unexplained events, it's soon time for Patricia to ditch the willing smiles and go full sleuth-mode. Get ready for adventure in the desert as

Patricia and her entourage take on a secret mission that will place them in the middle of a perilous conspiracy and may cost them more than they want to pay.

No One Is Talking About This
May 03 2020 FINALIST FOR THE 2021 BOOKER PRIZE & A NEW YORK TIMES TOP 10 BOOK OF 2021 WINNER OF THE DYLAN THOMAS PRIZE
"A book that reads like a prose poem, at once sublime, profane, intimate, philosophical, witty and, eventually, deeply moving."
—New York Times Book Review, Editors' Choice "Wow. I can't remember the last time I laughed so much reading a book. What an inventive and startling writer...I'm so glad I read this. I really think this book is remarkable." —David Sedaris From "a formidably gifted writer" (The New York Times Book Review), a book that asks: Is there life after the internet? As this urgent, genre-defying book opens, a woman who has recently been elevated to prominence for her social media posts travels around the

world to meet her adoring fans. She is overwhelmed by navigating the new language and etiquette of what she terms "the portal," where she grapples with an unshakable conviction that a vast chorus of voices is now dictating her thoughts. When existential threats--from climate change and economic precariousness to the rise of an unnamed dictator and an epidemic of loneliness--begin to loom, she posts her way deeper into the portal's void. An avalanche of images, details, and references accumulate to form a landscape that is post-sense, post-irony, post-everything. "Are we in hell?" the people of the portal ask themselves. "Are we all just going to keep doing this until we die?" Suddenly, two texts from her mother pierce the fray: "Something has gone wrong," and "How soon can you get here?" As real life and its stakes collide with the increasingly absurd antics of the portal, the woman confronts a world that seems to contain both an abundance of proof that there is goodness,

empathy, and justice in the universe, and a deluge of evidence to the contrary. Fragmentary and omniscient, incisive and sincere, *No One Is Talking About This* is at once a love letter to the endless scroll and a profound, modern meditation on love, language, and human connection from a singular voice in American literature.

When Steve Higgs writes, he hits it out of the park. I find myself laughing out loud and often, which is rare for me when reading. This book's roster of suspects, witnesses, and victims are all new and Steve doesn't write a character just to have another body count, he writes each and every one to evoke some feeling, be it anger, humor, or someone you wish you had in your own roster of friends. I always say that each new story in Steve Higg's series is the best one yet, and this one had a lot going on, but it really was

the best one for me yet.'

“brilliant” (Lupita Nyong’o, Time), “poignant”

(Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid “Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.”—Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time,

USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah's unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents' indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa's tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that

young man's relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother's unconventional, unconditional love.
