Our digital library hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Today Matters By John C Maxwell is universally compatible with any devices to read

May God Have Mercy Mar 16 2021 In some states by law, in others by tradition, judges imposing a sentence of death complete the grim ritual with the words "May God have mercy on your soul." In 1982, in Grundy, Virginia, a young miner named Roger Coleman was sentenced to death for the murder of his sister-in-law. Ten years later, the sentence was carried out, despite the extraordinary efforts of Kitty Behan, a brilliant and dedicated young lawyer who devoted two years of her life to gathering evidence of Coleman's innocence, evidence so compelling that media around the world came to question the verdict. The courts, ruling on technicalities, refused to hear the new evidence and witnesses. Finally, the governor of Virginia ordered a lie-detector test to be administered on the morning of Coleman's scheduled execution, and in a chair that to Coleman surely looked like nothing so much as an electric chair. In John Tucker's telling, this story is an emotional and unforgettable roller-coaster ride from the awful night of the crime to the equally awful night of the execution. Perhaps it was not Roger Coleman whose soul was in need of God's mercy, but the judges, prosecutors, and politicians who procured his death.

The Fred Factor Jan 02 2020 Seize the chance to be extraordinary. Who has made the biggest difference in your life? Whose words and actions have uplifted and motivated you to excel? Chances are it was someone like Fred the Postman -- so outstanding in his service that Mark Sanborn realized this mail carrier could be an example for any person wanting to be extraordinary. The "Fred Factor" is summarized by four principles that will release fresh energy, enthusiasm, and creativity in your career and life: • Make a Difference • Build Relationships • Create Value • Reinvent Yourself You, too, can apply The Fred Factor to enrich the lives of customers, co-workers, friends, and family members, as well as reach new levels of personal success yourself. Sanborn also shows how to discover and develop other Freds. Why not become a "Fred" yourself? You will turn the ordinary moments of life into extraordinary opportunities to make a difference in the world.

Make Today Count Mar 04 2020 Drawing from the text of the Business Week bestseller Today Matters, this condensed, revised edition boils down John C. Maxwell's 12 daily practices to their very essence, giving maximum impact in minimal time. Presented in a quick-read format, this version is designed to be read cover to cover in one sitting or taken in as brief lessons in a few spare minutes each day. It covers such topics as: -- Priorities -- Health -- Family -- Finances -- Values -- Growth Readers will learn how to make decisions on important matters and apply those decisions daily to put them on a path to more successful, productive, and fulfilling lives.

You can bring about positive, lasting change in the world and you don't have to be rich and famous or lead a big organization to do it. Global leadership icons and bestselling authors John C. Maxwell and Rob Hoskins provide the inspiring and practical roadmap to get started being the change you want to see – in your community and beyond. Learn from the firsthand experiences shared by the authors from their work helping to transform communities, businesses, and millions of lives around the world. In *Change Your World*, Maxwell and Hoskins will show you how to: Identify your cause Live out the values that make a difference Become a catalyst for change Join the right team or recruit one of your own Work together with others to make a difference Measure your impact and keep improving For many of us, the world we live in feels broken yet change is easier than we think. You'll not only be encouraged to make a difference based on the needs you see around you, but you'll be equipped to implement change immediately.

Winning with People Oct 11 2020 Relationships are at the heart of every positive human experience. Maxwell, a master communicator and relational expert, makes learning about relationships accessible to everyone. The most sophisticated leaders and salespeople will pick up on skills that will make them even better, and relational novices will learn skills that can transform them into relational dynamos.

Beyond Talent Aug 01 2022 New York Times best-selling author John C. Maxwell shows that talent is just the starting point for a successful impact in any organization. It's what takes you beyond your talent that matters. People everywhere are proving him right. Read the headlines, watch the highlights, or just step out your front door: Some talented people reach their full potential, while others self-destruct or remain trapped in mediocrity. What makes the difference? Maxwell, the go-to guru for business professionals across the globe, insists that the choices people make—not merely the skills they inherit—propel them to greatness. Among other truths, successful people know that: Belief lifts your talent. Initiative activates your talent. Focus directs your talent. Preparation positions your talent. Practice sharpens your talent. Perseverance sustains your talent. Character protects your talent. . . . and more! It's what you add to your talent that makes the greatest difference. With authentic examples and time-tested wisdom, Maxwell shares thirteen attributes you need to maximize your potential and live the life of your dreams. You can have talent alone and fall short of your potential. Or you can go beyond talent and really stand out.

Ultimate Leadership Oct 03 2022 Bundle of leadership books authored by John C. Maxwell. Includes * 21 Irrefutable Laws * *Developing the Leader Within You* * 17 Indisputable Laws of Teamwork

Noel, Tallulah, Cole, and Me Apr 28 2022 This is a memoir by John C. Wilson, a key figure of Broadway during the 1940s and 50s. Wilson died in 1961, three years after penning his autobiography. This newly discovered memoir stretches from Wilson's youth at the turn of the twentieth century to his semi-retirement in the late 1950s. A Broadway producer and director, Wilson was close friends with some of the most notable figures in the world of entertainment, including Cole Porter, Tallulah Bankhead, and Noel Coward, with whom Wilson had an intimate relationship. Thomas Hischak, a noted author of several books on theatre, fills the gaps left in Wilson's prose to help the reader put the events of his life and career into context."

The Morgue and Me Oct 23 2021 After getting a job in the local morgue after his senior year, Christopher's life is forever changed when he discovers a murder cover-up, gets involved in a dangerous investigation, and becomes partners with an attractive newspaper reporter whose ambitious nature puts them both in great danger.

Failing Forward Apr 16 2021 Chock full of action suggestions and real-life stories, "Failing Forward" is a strategic guide that will help men and women move beyond mistakes to fulfill their potential and achieve success.

Introduction to Futures and Options Markets Sep 29 2019 This introduction to futures and options markets is ideal for readers with limited backgrounds in mathematics. Emphasizing the use of binomial trees for explaining how options are priced, it shows how one- and two-step binomial trees can be analyzed and includes comprehensive treatment of numerical procedures based on binomial trees.

Trial and Error Dec 13 2020 Trial and Error is a legal memoir that gives an unvarnished account of life as one of America's leading trial lawyers; detailing the

path from nervous novice to the top of the legal profession. In 1958, John C. Tucker began a legal career that would lead the Chicago Tribune to call him "one of Chicago's finest and most idiosyncratic trial lawyers." Now, in a book reminiscent of Scott Turow's classic *One L*, Tucker employs painstaking honesty and fascinating detail to illuminate the difficult steps in learning the trial trade and the reality of life as one of the country's leading civil and criminal trial lawyers. Free of the impenetrable language and self-congratulation found in the memoirs of many trial lawyers' memoirs, Tucker skillfully chronicles an extraordinary variety of engrossing cases. From the infamous 1969 trial of the "Chicago Eight" war protesters -- including Abbie Hoffman, Tom Hayden and Bobbie Seale, heard before the notorious Judge Julius Hoffman -- to one of the most important civil rights cases of the era, the Supreme Court decision that spelled the death knell for the corrupt political patronage system in Mayor Daley's Chicago, Tucker's career spanned three decades of legal landmarks. In *Trial and Error* Tucker becomes the star witness whose crisp prose and penetrating voice carries readers rung by rung up the legal ladder, altering common misconceptions of lawyers and their craft. Relating both the highs and lows, while also recounting tales from the trial of a giant Mafia gambling ring to a legal showdown with heavyweight champion Muhammad Ali, Tucker gives aspiring young attorneys, law students, recent graduates, and all fans of courtroom drama -- and comedy -- the chance to see it all through the eyes of the man in the middle of the ring.

Changeology Jun 18 2021 An internationally recognized expert on behavior change presents a revolutionary approach to personal improvement that converts scientifically proven techniques into a 90-day plan with five simple steps. 35,000 first printing.

The Power of Significance Sep 02 2022 John C. Maxwell, #1 New York Times bestselling author, shows you how to achieve a life of purpose and meaning in this compact new book derived from his previous title, *Intentional Living*. We all have a longing to be significant, to make a contribution, to be a part of something noble and purposeful. But know this: you don't have to be a certain age, have a lot of money, or be powerful or famous to make a real difference. You can be significant starting today--if you know your purpose. In *THE POWER OF SIGNIFICANCE*, you will find the pathway to a life that matters. Drawing on over 50 years of experience helping people around the world, John Maxwell gives practical guidance and motivation to get you started on your unique personal path to significance. Learn how to find your why, start small but believe big, and live every day as if it matters--because it does!

Superluminary Jul 28 2019 Being assassinated once may be an accident. Being assassinated twice is enemy action. Aeneas Tell of the House of Tell is one of the youngest Lords of Creation. More gods than men, the Lords of Creation have cheated Death itself. But even a quasi-immortal god will take exception to being assassinated. Twice.

The Difference Maker Jun 30 2022 What can make the difference in your life today? How can two people with the same skills and abilities, in the same situation, end up with two totally different outcomes? Leadership expert John C. Maxwell says the difference maker is attitude. For those who have ever wondered what may be separating them from achieving the kind of personal and professional success they've always dreamt of, Dr. Maxwell has some words of insight: "Your attitude colors every aspect of your life. It is like the mind's paintbrush." In *The Difference Maker*, Maxwell shatters common myths about attitude--what it can do for you and what it can't. Showing you how to overcome the five biggest attitude obstacles, Dr. Maxwell teaches the skills you need to make attitude your biggest asset. Most importantly, you'll learn not only how to develop an attitude that will have a tremendous impact on career, family, and daily living, but also how to maintain that attitude for the rest of your life.

No Limits Mar 28 2022 #1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive as off limits rather than what's really possible. Could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us? What if our limits are not really our limits? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life.

Calhoun Dec 01 2019 A new biography of the intellectual father of Southern secession--the man who set the scene for the Civil War, and whose political legacy still shapes America today. John C. Calhoun is among the most notorious and enigmatic figures in American political history. First elected to Congress in 1810, Calhoun went on to serve as secretary of war and vice president. But he is perhaps most known for arguing in favor of slavery as a "positive good" and for his famous doctrine of "state interposition," which laid the groundwork for the South to secede from the Union--and arguably set the nation on course for civil war. Calhoun has catapulted back into the public eye in recent years, as some observers connected the strain of radical politics he developed to the tactics and extremism of the modern Far Right, and as protests over racial injustice have focused on his legacy. In this revelatory biographical study, historian Robert Elder shows that Calhoun is even more broadly significant than these events suggest, and that his story is crucial for understanding the political climate in which we find ourselves today. By excising Calhoun from the mainstream of American history, he argues, we have been left with a distorted understanding of our past and no way to explain our present.

The Very First Light Nov 11 2020 In the early 1990s, a NASA-led team of scientists changed the way we view the universe. With the COBE (Cosmic Background Explorer) project, they showed that the microwave radiation that fills the universe must have come from the Big Bang--effectively proving the Big Bang theory beyond any doubt. It was one of the greatest scientific findings of our generation, perhaps of all time. In *The Very First Light*, John Mather, one of COBE's leaders, and science writer John Boslough tell the story of how it was achieved. A gripping tale of big money, bigger egos, tense politics, and cutting-edge engineering, *The Very First Light* offers a rare insider's account of the world of big science.

Think on These Things Jul 08 2020 'A leader's ability to achieve anything great for God begins in his or her heart and mind.' --John C. Maxwell Effective leadership starts with healthy, clear thinking. Successful leaders know how to focus on the essentials. Best-selling author and leadership specialist John C. Maxwell shares meditations sure to challenge us as leaders to reach our full potential as servants of God. In this 30th anniversary edition of his very first book, we learn that 'our ability to achieve anything great for God begins in our hearts and minds.' Ready for a change of heart? Ready to be transformed by the renewing of your mind? Increase your effectiveness as both leader and servant as you 'think on these things.'

The 21 Irrefutable Laws of Leadership Aug 09 2020 An expanded edition of the best-selling leadership guide features updated profiles of Maxwell's Laws of Leadership, two new laws, 17 additional stories, a revised evaluation tool for identifying one's strengths and weaknesses and new application exercises in every chapter.

Developing the Leader Within You Aug 21 2021 *Developing the Leader Within You* is Dr. Maxwell's first and most enduring leadership book, having sold more than one million copies. In this Christian Leaders Series edition of this Maxwell classic, you will discover the biblical foundation for leadership that John Maxwell has used as a pastor and business leader for more than forty years. These same principles and practices are available for everyday leaders in every walk of life. It is a lofty calling to lead a group--a family, a church, a nonprofit, a business--and the timeless principles in this book will bring positive change in your life and in the lives of those around you. You will learn: The True Definition of Leader. "Leadership is influence. That's it. Nothing more; nothing less." The Traits of Leadership. "Leadership is not an exclusive club for those who were 'born with it.' The traits that are the raw materials of leadership can be acquired. Link them up with desire, and nothing can keep you from becoming a leader." The Difference Between Management and Leadership. "Making sure the work is done by others is the accomplishment of a manager. Inspiring others to do better work is the accomplishment of a leader." God has called every believer to influence others, to be salt and light. *Developing the Leader Within You* will equip you to improve your leadership and inspire others.

John C Calhoun Nov 04 2022 John C. Calhoun was a rare figure in American history: a lifelong politician who was also a profound political philosopher. Vice president under John Quincy Adams and Andrew Jackson, he was a dominant presence in the U.S. Senate. Now comes a major new biography from the author of *Daniel Webster*.

The Illusion of God's Presence Jul 20 2021 An essential feature of religious experience across many cultures is the intuitive feeling of God's presence. More than any rituals or doctrines, it is this experience that anchors religious faith, yet it has been largely ignored in the scientific literature on religion. Starting with a vivid narrative account of the life-threatening hike that triggered his own mystical experience, biologist John Wathey takes the reader on a scientific journey to find the sources of religious feeling and the illusion of God's presence. His book delves into the biological origins of this compelling feeling, attributing it to innate neural circuitry that evolved to promote the mother-child bond. Dr. Wathey, a veteran neuroscientist, argues that evolution has programmed the infant brain to expect the presence of a loving being who responds to the child's needs. As the infant grows into adulthood, this innate feeling is eventually transferred

to the realm of religion, where it is reactivated through the symbols, imagery, and rituals of worship. The author interprets our various conceptions of God in biological terms as illusory supernormal stimuli that fill an emotional and cognitive vacuum left over from infancy. These insights shed new light on some of the most vexing puzzles of religion, like the popular belief in a god who is judgmental and punishing, yet also unconditionally loving; the extraordinary tenacity of faith; the greater religiosity of women relative to men; religious obsessions with sex; the mysterious compulsion to pray; the seemingly irrepressible feminine attributes of God, even in traditionally patriarchal religions; and the strange allure of cults. Finally, Dr. Wathey considers the hypothesis that religion evolved to foster reproductive success, arguing that, in an age of potentially ruinous overpopulation, magical thinking has become a luxury we can no longer afford, one that distracts us from urgent threats to our planet. Deeply researched yet elegantly written in a jargon-free and accessible style, this book presents a compelling interpretation of the evolutionary origins of spirituality and religion.

Leading in Tough Times Jun 06 2020 Challenging times will come, but great leaders know how to lead their teams and emerge even stronger—prepare yourself now using this helpful guide to personal and professional success. Great leaderships will face challenges. Markets will collapse; pandemics will come; people will always provide new and interesting ways to make things difficult. But leaders must achieve results and build a team that produces, even when you are faced with difficult circumstances. This all-new book from John Maxwell, created using content from several of his previous bestselling titles, is the ultimate guide to helping your team survive and even thrive when the unexpected happens. Maxwell helps leaders identify their team's main challenges, take stock of their liabilities, understand what they can control, and use challenges as opportunities to rethink the way they do things. He ultimately gives leaders the tools to grow their teams in the midst of difficult times. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell reassures leaders that they can still lead well and help people develop the skills they need to become great leaders, even when times are tough.

How Successful People Lead Sep 21 2021 In this perfectly compact read, #1 New York Times bestselling author John C. Maxwell explains how true leadership works. It is not generated by your title. In fact, being named to a position is the lowest of the five levels every effective leader achieves. To be more than a boss people are required to follow, you must master the ability to inspire and invest in people. You need to build a team that produces not only results, but also future leaders. By combining the advice contained in these pages with skill and dedication, you can reach the pinnacle of leadership—where your influence extends beyond your immediate reach for the benefit of others. Derived from material previously published in the Wall Street Journal bestseller *The 5 Levels of Leadership*.

Hull-White on Derivatives Apr 04 2020 A classic collection of the writing of John Hull and Alan White.

The White Mountains Feb 01 2020 Young Will Parker and his companions make a perilous journey toward an outpost of freedom where they hope to escape from the ruling Tripods, who capture mature human beings and make them docile, obedient servants.

How Successful People Think May 18 2021 Gather successful people from all walks of life—what would they have in common? The way they think! Now you can think as they do and revolutionize your work and life! A Wall Street Journal bestseller, *HOW SUCCESSFUL PEOPLE THINK* is the perfect, compact read for today's fast-paced world. America's leadership expert John C. Maxwell will teach you how to be more creative and when to question popular thinking. You'll learn how to capture the big picture while focusing your thinking. You'll find out how to tap into your creative potential, develop shared ideas, and derive lessons from the past to better understand the future. With these eleven keys to more effective thinking, you'll clearly see the path to personal success.

Strategic Science Communication Feb 24 2022 This guidebook is essential reading for all professionals in the field.

A Great Healing Aug 28 2019 In the midst of the COVID-19 pandemic, our world is in a kind of pain that it hasn't seen in a long time. But we have gone through many periods of great difficulty and somehow survived, and the same will occur again. In *A Great Healing*, author John C. Davis presents a series of essays written during the COVID-19 pandemic. Coming from a place of love and compassion, he writes about the many ways we can be a more loving society. Although his essays emerged from a need to cope with a particular time in history, the principles he explores are universal and applicable to any challenging or life-altering situation. Davis provides a healing balm for your soul and a guiding light to help you recognize the source of your healing, bringing you home to the reality of your beautiful soul. Uplifting and encouraging, this series of essays takes you on a journey to discover your inner strength through compassion, allowing you to overcome the challenges of our times.

Fk It** Dec 25 2021 In this inspiring and humorous book, John C. Parkin suggests that saying F**k It is the perfect Western expression of the Eastern spiritual ideas of letting go, giving up, and finding real freedom by realizing that things don't matter so much (if at all). It's a spiritual way that doesn't require chanting, meditating, or wearing sandals. And it's the very power of this profanity that makes it perfect for shaking us Westerners out of the stress and anxiety that dominate our daily lives. With the help of this book, people around the world are now saying F**k It to their worries and concerns, to the "shoulds" and the "oughts" that dominate their lives, and finally doing what they want to, no matter what others might think. "Self-help for the time-poor and psycho-babble intolerant." MARIE CLAIRE

Enough Nov 23 2021 John Bogle puts our obsession with financial success in perspective Throughout his legendary career, John C. Bogle—founder of the Vanguard Mutual Fund Group and creator of the first index mutual fund—has helped investors build wealth the right way and led a tireless campaign to restore common sense to the investment world. Along the way, he's seen how destructive an obsession with financial success can be. Now, with *Enough*, he puts this dilemma in perspective. Inspired in large measure by the hundreds of lectures Bogle has delivered to professional groups and college students in recent years, *Enough* seeks, paraphrasing Kurt Vonnegut, "to poison our minds with a little humanity." Page by page, Bogle thoughtfully considers what "enough" actually means as it relates to money, business, and life. Reveals Bogle's unparalleled insights on money and what we should consider as the true treasures in our lives Details the values we should emulate in our business and professional callings Contains thought-provoking life lessons regarding our individual roles in society Written in a straightforward and accessible style, this unique book examines what it truly means to have "enough" in world increasingly focused on status and score-keeping.

Center of the Cyclone Sep 09 2020 In this long-out-of-print counterculture classic, Dr. John C. Lilly takes readers behind the scenes into the inner life of a scientist exploring inner space, or "far-out spaces," as Lilly called them. The book explains how he derived his theory of the operations of the human mind and brain from his personal experiences and experiments in solitude, isolation, and confinement; LSD; and other methods of mystical experience. It also includes glimpses into Lilly's friendship with such 1960s' notables as Oscar Ichazo, Ram Dass, Timothy Leary, Albert Hofmann, Fritz Perls, and Claudio Narajo. Written for the non-specialist, *Center of the Cyclone* shows an important, modern thinker at his most personal and profound.

The 5 Levels of Leadership May 06 2020 Use this helpful book to learn about the leadership tools to fuel success, grow your team, and become the visionary you were meant to be. True leadership isn't a matter of having a certain job or title. In fact, being chosen for a position is only the first of the five levels every effective leader achieves. To become more than "the boss" people follow only because they are required to, you have to master the ability to invest in people and inspire them. To grow further in your role, you must achieve results and build a team that produces. You need to help people to develop their skills to become leaders in their own right. And if you have the skill and dedication, you can reach the pinnacle of leadership—where experience will allow you to extend your influence beyond your immediate reach and time for the benefit of others. The 5 Levels of Leadership are: 1. Position—People follow because they have to. 2. Permission—People follow because they want to. 3. Production—People follow because of what you have done for the organization. 4. People Development—People follow because of what you have done for them personally. 5. Pinnacle—People follow because of who you are and what you represent. Through humor, in-depth insight, and examples, internationally recognized leadership expert John C. Maxwell describes each of these stages of leadership. He shows you how to master each level and rise up to the next to become a more influential, respected, and successful leader.

Rooster May 30 2022 John Gallo is a professional hitman with a history that's spattered in blood and littered with bodies. Known in the criminal underworld as Rooster, Gallo is an assassin suffering from mental illness and constantly battling the black dog of depression that stalks him. When able to crawl out of his downward spiral and throw himself into the job, he's a proficient, stealthy and unforgiving killer. A relentless wheeler-dealer in the game of death. But now he finds there's a price on his head. A vendetta that could have been placed by anyone in the gangland underground. And everyone wants to collect. From two-bit street punks to the highest echelons of organized crime. The Mafia. Yakuza. Russians. Chinese. Every crime syndicate that's ever been on the bullet-end of his gun is now taking aim at him, intent on ending the reign of the Rooster. After making a fast break from New York with a young actress rescued from certain death at the hands of the Chinese mob, Rooster is on the run and headed to his native Boston and promised refuge with his on-again, off-again criminal associate Grace. He quickly learns Beantown's dark underbelly is only interested in welcoming Rooster home so thugs and gangsters can line up to seize the prize that is his head. Determined to solve the mystery of who wants him dead and exact his own revenge, Rooster uncovers a deadly plot with tendrils that stretch across the country, revealing a conspiracy designed to achieve the ultimate retribution. From the author of *The Isle and Mister White*, and proudly

presented by Grey Matter Press, the multiple Bram Stoker Award-nominated independent publisher. Grey Matter Press: Where Dark Thoughts Thrive
There's No Such Thing as "Business" Ethics Oct 30 2019 There's no such thing as business ethics. How can that be? Because a single standard applies to both your business and personal life-and it's one we all know and trust: the Golden Rule. Now bestselling author John C. Maxwell shows you how this revered ideal works everywhere, and how, especially in business, it brings amazing dividends. There's No Such Thing As "Business" Ethics offers: * Stories from history, business, government, and sports that illustrate how talented leaders invoked this timeless principle * Examples of difficult business decisions-layoffs, evaluations, billing clients, expansion-and how the Golden Rule applies to each * The five most common reasons people compromise their ethics-and how you can prevail over such moral obstacles * How applying the Golden Rule to business builds morale, increases productivity, encourages teamwork, lowers employee turnover, and keeps clients coming back. John C. Maxwell not only reveals the many ways the Golden Rule creates the perfect environment for business success, but does it with great wisdom, warmth, and humor. Backed by flawless research and the ideas of history's best thinkers, this engaging book brilliantly demonstrates how doing the right thing fosters a winning situation for all, with positive results for employees, clients, investors, and even your own state of mind. Business runs much more smoothly, profits increase, and you know that you've set the groundwork for years of future prosperity...and it's all thanks to the tried-and-true Golden Rule.

Maxwell Jan 14 2021 A sweet, romantic love story, awash in heartbreak and emotion- Malee was sheltered all her life, Until the day she walked into Brothers Ink Lucky for her... he's waiting. She's naive and wary. But that's okay... Maxwell O'Rourke is a patient man. Some things are worth waiting for. He's nothing Malee ever thought she'd want, but everything she needs. He makes her feel beautiful and worthy, even as he makes her burn with desire. When an overprotective father with deep-rooted family traditions tries to come between them, she'll have to make some hard choices. And she'll have to be ready to face the consequences. And just how far is Maxwell willing to go for the girl who owns his heart?

The Cipher Jan 26 2022 Robert "Smiles" Smylie and his friend Ben become embroiled in a high-stakes negotiation with a pair of suspicious Feds when Ben cracks a code with the power to unlock all the Internet's secrets.
