The Address Book Oct 23
2021 Finalist for the 2020
Kirkus Prize for Nonfiction |
One of Time Magazine's 100
Must-Read Books of 2020 |
Longlisted for the 2020
Porchlight Business Book
Awards "An entertaining quest
to trace the origins and
implications of the names of
the roads on which we reside."
—Sarah Vowell, The New York
Times Book Review When most
people think about street
addresses, if they think of them
at all, it is in their capacity to
ensure that the postman can
deliver mail or a traveler won't
get lost. But street addresses
were not invented to help you
find your way; they were
created to find you. In many

parts of the world, your
address can reveal your race
and class. In this wide-ranging
and remarkable book, Deirdre
Mask looks at the fate of
streets named after Martin
Luther King Jr., the wayfinding
means of ancient Romans, and
how Nazis haunt the streets of
modern Germany. The flipside
of having an address is not
having one, and we also see
what that means for millions of
people today, including those
who live in the slums of
Kolkata and on the streets of
London. Filled with fascinating
people and histories, The
Address Book illuminates the
complex and sometimes hidden
stories behind street names
and their power to name, to
hide, to decide who counts,

who doesn't—and why.

The Man in the Iron Mask

Jun 18 2021 Alexandre Dumas said that his famous Three Musketeers never existed, but Athos, Aramis and Porthos were flesh and blood. Their supposedly fictional duel with Cardinal Richelieu's guards actually took place in 1640 and Charles d'Artagnan, a teenager on his first day in Paris, fought alongside the Musketeers. According to Oxford historian Macdonald, several other elements of the tale are also based in fact -- the Cardinal's agent, Milady de Winter, really was an English aristocrat, and against all odds, the country boy without influence, d'Artagnan, did succeed in becoming Captain of the King's Musketeers, the only man whom Louis XIV could trust to arrest his over-mighty minister, Fouquet. It was d'Artagnan who escorted Fouquet to the feared Alpine fortress of Pignerol, wherein lived the most mysterious of all prisoners, the Man in the Iron Mask. Macdonald has spent five years unraveling fact from

fiction to reveal the true story of the Musketeers and their link with the Man in the Iron Mask. It is a reality more extraordinary than anything Dumas could devise. Honor and heroism, betrayal and intrigue, are set amidst the lust, jealousy, and deadly poisons that made the Sun King's court a world of glittering paranoia.

White Face, Black Mask

May 06 2020 Although African influences undeniably pervade the popular music of Brazil, until now few books have examined the role of Blackness — what author Darién Davis calls "Africaneity" — in the creation and development of twentieth-century Brazilian musical traditions. This innovative, accessible work offers a fascinating look at Brazilian music from the 1920s to the 1950s, as it expanded at home and traveled abroad. Whether he's talking with samba musicians, watching classic movie musicals, or listening to recordings made more than half a century ago, Davis explores how the historical forces of race, class,

and gender colluded in the development and export of Afro-Brazilian culture.

Inventing Masks Aug 21 2021
Who invents masks, and why? Such questions have rarely been asked, due to stereotypes of anonymous African artists locked into the reproduction of "traditional" models of representation. Rather than accept this view of African art as timeless and unchanging, Z. S. Strother spent nearly three years in Zaire studying Pende sculpture. Her research reveals the rich history and lively contemporary practice of Central Pende masquerade. She describes the intensive collaboration among sculptors and dancers that is crucial to inventing masks. Sculptors revealed that a central theme in their work is the representation of perceived differences between men and women. Far from being unchanging, Pende masquerades promote unceasing innovation within genres and invention of new genres. *Inventing Masks* demonstrates, through first

hand accounts and lavish illustrations, how Central Pende masquerading is a contemporary art form fully responsive to twentieth-century experience. "Its presentation, its exceptionally lively style, the perfection of its illustrations make this a stunning book, perfectly fitting for the study of a performing art and its content is indeed seminal. . . . A breakthrough."—Jan Vansina, *African Studies Review*

The Gas Mask Mar 28 2022
Man in the Iron Mask (an Essay) Oct 30 2019
Theatre Masks Out Side in May 18 2021
Theatre Masks Out Side In examines masks from different angles and perspectives, combining the history, design, construction, and use of masks into one beautifully illustrated resource. Each chapter includes key information about an element of mask study: history and uses, theatre traditions, practical principles for directing, performing exercises, design considerations, mask making

techniques, and considering makeup as mask. Artist interviews, theatre company profiles, and hundreds of images provide insight into the variety of mask styles and performance applications. Project suggestions, discussion questions, useful worksheets, creative prompts, and resources for sourcing masks are included to inspire further exploration. Theatre Masks Out Side In is designed with the beginning theatre maker in mind, as well as prop makers, costume designers and technicians, and actors learning to use masks in performance.

The Wan With the Iron Mask Jun 26 2019 The Wan With the Iron Mask is an unchanged, high-quality reprint of the original edition of 1870. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Novels for Students for all of your research needs.

Behind the Mask of Chivalry Jan 14 2021 On Thanksgiving night, 1915, a small band of hooded men gathered atop Stone Mountain, an imposing granite butte just outside Atlanta. With a flag fluttering in the wind beside them, a Bible open to the twelfth

chapter of Romans, and a flaming cross to light the night sky above, William Joseph Simmons and his disciples proclaimed themselves the new Knights of the Ku Klux Klan, named for the infamous secret order in which many of their fathers had served after the Civil War. Unsure of their footing in the New South and longing for the provincial, patriarchal world of the past, the men of the second Klan saw themselves as an army in training for a war between the races. They boasted that they had bonded into "an invisible phalanx...to stand as impregnable as a tower against every encroachment upon the white man's liberty...in the white man's country, under the white man's flag." Behind the Mask of Chivalry brings the "invisible phalanx" into broad daylight, culling from history the names, the life stories, and the driving passions of the anonymous Klansmen beneath the white hoods and robes. Using an unusual and rich cache of internal Klan records from Athens, Georgia, to

anchor her observations, author Nancy MacLean combines a fine-grained portrait of a local Klan world with a penetrating analysis of the second Klan's ideas and politics nationwide. No other right-wing movement has ever achieved as much power as the Ku Klux Klan of the 1920s, and this book shows how and why it did. MacLean reveals that the movement mobilized its millions of American followers largely through campaigns waged over issues that today would be called "family values": Prohibition violation, premarital sex, lewd movies, anxieties about women's changing roles, and worries over waning parental authority. Neither elites nor "poor white trash," most of the Klan rank and file were married, middle-aged, and middle class. Local meetings, or klonklaves, featured readings of the minutes, plans for recruitment campaigns and Klan barbecues, and distribution of educational materials--Christ and Other Klansmen was one popular tome. Nonetheless, as

mundane as proceedings often were at the local level, crusades over "morals" always operated in the service of the Klan's larger agenda of virulent racial hatred and middle-class revanchism. The men who deplored sex among young people and sought to restore the power of husbands and fathers were also sworn to reclaim the "white man's country," striving to take the vote from blacks and bar immigrants. Comparing the Klan to the European fascist movements that grew out of the crucible of the first World War, MacLean maintains that the remarkable scope and frenzy of the movement reflected less on members' power within their communities than on the challenges to that power posed by African Americans, Jews, Catholics, immigrants, and white women and youth who did not obey the Klan's canon of appropriate conduct. In vigilante terror, the Klan's night riders acted out their movement's brutal determination to maintain

inherited hierarchies of race, class, and gender. Compellingly readable and impeccably researched, *The Mask of Chivalry* is an unforgettable investigation of a crucial era in American history, and the social conditions, cultural currents, and ordinary men that built this archetypal American reactionary movement.

The True History of the Prisoner called The Iron Mask

Dec 13 2020 Who was the mysterious figure who was held in custody by French authorities for nearly 35 years, with his faced constantly cloaked in an identity-concealing iron mask? Though writers ranging from Voltaire to Dumas have advanced their own theories, this exhaustive examination of historical documents comes closest to presenting a viable answer to this centuries-old mystery. [Behind the Mask of Chivalry](#) Oct 11 2020 Elegantly written and meticulously researched, this book offers a major new interpretation of the Ku Klux Klan in America, placing the

organization in its context of class and gender as well as race and religion.

Mask of the Sun: The Science, History and Forgotten Lore of Eclipses

Feb 24 2022 They have been thought of as harbingers of evil as well as a sign of the divine. Eclipses—one of the rarest and most stunning celestial events we can witness here on Earth—have shaped the course of human history and thought since humans first turned their eyes to the sky. What do Virginia Woolf, the rotation of hurricanes, Babylonian kings and Einstein's General Theory of Relativity all have in common? Eclipses. Always spectacular and, today, precisely predictable, eclipses have allowed us to know when the first Olympic games were played and, long before the first space probe, that the Moon was covered by dust. Eclipses have stunned,

frightened, emboldened and mesmerized people for thousands of years. They were recorded on ancient turtle shells discovered in the Wastes of Yin in China, on clay tablets from Mesopotamia and on the Mayan "Dresden Codex." They are mentioned in Homer's Iliad and Odyssey and at least eight times in the Bible. Columbus used them to trick people, while Renaissance painter Taddeo Gaddi was blinded by one. Sorcery was banished within the Catholic Church after astrologers used an eclipse to predict a pope's death. In *Mask of the Sun*, acclaimed writer John Dvorak tells the importance of the number 177 and why the ancient Romans thought it was bad to have sexual intercourse during an eclipse (whereas other cultures thought it would be good luck). Even today, pregnant women in Mexico wear safety pins on their underwear during an eclipse. Eclipses are an amazing phenomenon—unique to Earth—that have provided the key to much of what we now

know and understand about the sun, our moon, gravity, and the workings of the universe. Both entertaining and authoritative, *Mask of the Sun* reveals the humanism behind the science of both lunar and solar eclipses. With insightful detail and vividly accessible prose, Dvorak provides explanations as to how and why eclipses occur—as well as insight into the forthcoming eclipse of 2017 that will be visible across North America.

Face and Mask Oct 03 2022

Face and Mask: Changing Views -- Portrait and Mask: the Face as Representation -- Media and Masks: the Production of Faces

The Face Mask In COVID

Times Mar 16 2021 The simple fabric face mask is a key agent in the fight against the global spread of COVID-19. However, beyond its role as a protective covering against coronavirus infection, the face mask is the bearer of powerful symbolic and political power and arouses intense emotions. Adopting an international perspective informed by social theory, *The Face Mask in COVID Times: A Sociomaterial Analysis* offers an intriguing and original investigation of the social, cultural and historical dimensions of face-masking as a practice in the age of COVID. Rather than Beck's 'risk society', we are

now living in a 'COVID society', the long-term effects of which have yet to be experienced or imagined. Everything has changed. The COVID crisis has generated novel forms of sociality and new ways of living and moving through space and time. In this new world, the face mask has become a significant object, positioned as one of the key ways people can protect themselves and others from infection with the coronavirus. The face mask is rich with symbolic meaning as well as practical value. In the words of theorist Jane Bennett, the face mask has acquired a new 'thing-power' as it is coming together with human bodies in these times of uncertainty, illness and death. The role of the face mask in COVID times has been the subject of debate and dissension, arousing strong feelings. The historical and cultural contexts in which face masks against COVID contagion are worn (or not worn) are important to consider. In some countries, such as Japan and other East

Asian nations, face mask wearing has a long tradition. Full or partial facial coverings, such as veiling, is common practice in regions such as the Middle East. In many other countries, including most countries in the Global North, most people, beyond health care workers, have little or no experience of face masks. They have had to learn how to make sense of face masking as a protective practice and how to incorporate face masks into their everyday practices and routines. Face masking practices have become highly political. The USA has witnessed protests against face mask wearing that rest on 'sovereign individualism', a notion which is highly specific to the contemporary political climate in that country. Face masks have also been worn to make political statements: bearing anti-racist statements, for example, but also Trump campaign support. Meanwhile, celebrities and influencers have sought to advocate for face mask wearing as part of their branding, while art

makers, museums, designers and novelty fashion manufacturers have identified the opportunity to profit from this sudden new market. Face masks have become a fashion item as well as a medical device: both a way of signifying the wearer's individuality and beliefs and their ethical stance in relation to the need to protect their own and others' health. The Face Mask in COVID Times: A Sociomaterial Analysis provides a short and accessible analysis of the sociomaterial dimensions of the face mask in the age of COVID-19. The book presents seven short chapters and an epilogue. We bring together sociomaterial theoretical perspectives with compelling examples from public health advice and campaigns, anti-mask activism as well as popular culture (news reports, blog posts, videos, online shopping sites, art works) to illustrate our theoretical points, and use Images to support our analysis.

Masks Nov 23 2021 "John Emigh and Lesley K. Ferris explore the role of masks in theater, whose roots lie in

ritual performance. Cara McCarty looks at the ways in which masks are featured in the medium of film as well. But these artistic examples are not the only masks found in industrial societies. McCarty also discusses the proliferation of masks for physical protection, in areas such as military combat, sports competitions, and space exploration."--BOOK JACKET.

Confessions of a Mask Aug 28 2019 When a Japanese youth discovers he has homosexual tendencies he hides himself behind conventional behavior

The Venetian Mask Apr 04 2020 Enduring friendships and long-held vendettas come alive against the splendor and decadence of eighteenth-century Venice. In 1775 Venice--known to outsiders as "the brothel of Europe"--the tradition of mask-wearing has allowed adultery and debauchery to flourish. But Marietta and Elena, two friends at the Ospedale della Pietà, a world-famous orphanage and music school for girls, know

little of that milieu--until they come of age. Elena is forced to wed the head of the Celano clan, a jealous, brutal man, while Marietta marries Domenico Torrisi, whose family vendetta with the Celanos is centuries old. Tradition dictates that the friends should never speak again, but their bond is too strong to break. As the French Revolution unsettles all of Europe, Elena's husband frames Domenico and he becomes a political prisoner. Marietta and Elena plot to save him, and the women discover that Venetian masks have noble purposes, too--but will their efforts put their own lives at risk? Embodying the glitter and the treachery of the city it portrays, *The Venetian Mask* will keep you turning pages long into the night.

Masks and Shadows Feb 01 2020 The year is 1779, and Carlo Morelli, the most renowned castrato singer in Europe, has been invited as an honored guest to Eszterháza Palace. With Carlo in Prince Nikolaus Esterházy's carriage,

ride a Prussian spy and one of the most notorious alchemists in the Habsburg Empire. Already at Eszterháza is Charlotte von Steinbeck, the very proper sister of Prince Nikolaus's mistress. Charlotte has retreated to the countryside to mourn her husband's death. Now, she must overcome the ingrained rules of her society in order to uncover the dangerous secrets lurking within the palace's golden walls. Music, magic, and blackmail mingle in a plot to assassinate the Habsburg Emperor and Empress--a plot that can only be stopped if Carlo and Charlotte can see through the masks worn by everyone they meet. From the Trade Paperback edition.

Behind the Mask of the Strong Black Woman Jan 02 2020 Explores the restrictive myth of the strong black woman through interviews, revealing the emotional and physical toll this "performance" can have.

The Man in the Iron Mask

Aug 09 2020 Set in the backdrop of France, this novel is one of the masterpieces of Dumas. An intriguing and complex plot captures the life of a Bastille prisoner who is related to the French Royalty. The mysterious events are entangled to create a fast-paced, action-packed novel that also reflects some facts of that era. Captivating!

People of the Masks Feb 12 2021 As the prophets have foretold, a child of power has been born unto the Turtle People of the Iroquois Nation. The Elders call him False Face Child, for he is the son of a powerful spirit. A living talisman, the child has inhuman eyes--black mirrors, ageless and deep--and all fear him. All but Jumping Badger, the most powerful war leader of the Bear People. He destroys an entire village to take the boy to use as a spiritual weapon. But his triumph is short-lived. The Bear People suffer terrible visions and hear the voices of the spirits. Strange ailments and mysterious deaths take them one by one. Though he is

a seer, False Face Child is also a sad and lonely young boy named Rumbler. Twelve-year-old Wren befriends him and together they escape across the winter landscape of New York and Ontario with Jumping Badger close behind. He now fears the boy's power and seeks to kill him. Their only hope is to stay alive long enough to find Rumbler's legendary father, known only as The Disowned. An epic journey, *People of the Masks* is another riveting volume in New York Times and USA Today bestselling authors W. Michael Gear and Kathleen O'Neal Gear's North America's Forgotten Past series. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

[The Man in the Iron Mask](#) Apr 28 2022 A vivid, dramatic, and eye-opening historical narrative, *The Man in the Iron Mask* reveals the story behind the most enduring mystery of Louis XIV's reign. *The Man in the Iron Mask* has all the hallmarks of a thrilling

adventure story: a glamorous and all-powerful king, ambitious ministers, a cruel and despotic jailor, dark and sinister dungeons— and a secret prisoner. It is easy for forget that this story, made famous by Alexandre Dumas, is that of a real person, Eustache Danger, who spent more than thirty years in the prison system of Louis XIV's France—never to be freed. This narrative brings to life the true story of this mysterious man and follows his journey through four prisons and across decades of time. It introduces the reader to those with whom he shared his imprisonment, those who had charge of him, and those who decided his tragic fate. *The Man in the Iron Mask* reveals one of the most enduring mysteries of Louis XIV's reign; but it is, above all, a human story. Using contemporary documents, this book shows what life was really like for state prisoners in seventeenth-century France—and offers tantalising insight into why this mysterious man was arrested

and why, several years later, his story would become one of France's most intriguing legends that still sparks debate and controversy today.

The Man in the Iron Mask Sep 02 2022

The Search for the Man in the Iron Mask Nov 04 2022 The Search for the Man in the Iron Mask triumphantly solves an enduring puzzle that has stumped historians for centuries and seduced novelists and filmmakers to this day. Who was the man who was rumored to have been kept in prison and treated royally during much of the reign of Louis XIV while being forced to wear an iron mask? Could he possibly have been the twin brother of the Sun King? Like every other serious scholar, intrepid historian Paul Sonnino discounts this theory, instead taking the reader along on his adventures to uncover the truth behind this ancient enigma. Exploring the hidden, squalid side of the lavish court of France, the author uncovers the full spectrum of French society, from humble servants

to wealthy merchants to kings and queens. All had self-interested reasons to hold their secrets close until one humble valet named Eustache Dauger was arrested and jailed for decades, simply because he knew too much and opened his mouth at the wrong time.

Presenting his dramatic solution to the mystery, Sonnino convincingly shows that no one will be able to tell the story of the man in the iron mask without taking into account the staggering array of evidence he has uncovered over the course of decades.

[Saving Face](#) Sep 21 2021 Who was the first goaltender to wear a mask in a game? Who was the last to go without one? When did goalies start painting their masks? These are just a few of the questions that are answered in this definitive book on goalie masks. *Saving Face* looks at the development of the mask from its earliest days as a rudimentary face-saving device to its current high-tech design, bullet-proof construction, and cutting-edge artwork. The book offers a

visual journey, too. More than 150 historic and modern photos, including thirty-plus full-page shots of some of the most famous masks ever created, support a text that weaves the tale of the mask's development. Based on extensive archival research and exclusive interviews, *Saving Face* tells the story of the goalies behind the mask and their fight for the right to wear one. It also looks at the talented mask makers, artisans, and artists behind hockey's modern masterpieces. This updated edition includes masks worn by some of the most exciting stars in the game today. While goaltenders the world over owe a debt of thanks to those who created, developed, championed, and continuously improved the mask, hockey fans everywhere are thankful, too. For the mask today has gone far beyond its original function—saving face—to become the most intriguing piece of equipment in sports. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud

to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home. *Who was the Man in the Iron Mask?* Apr 16 2021 Sheds new light on a broad spectrum of tantalizing historical mysteries, answering questions, re-

evaluating the evidence, and drawing on the latest research to offer provocative questions about Charles I's executioner, the true identity of the Man in the Iron Mask, the real father of Elizabeth I, and more.

Original.

Man in the Iron Mask Jun 30 2022

The Count of Monte Cristo, The Man in the Iron Mask & The Three Musketeers (3 Books in One Edition) Jul 28 2019

The Count of Monte Cristo The Three Musketeers The Man in the Iron Mask The Count of Monte Cristo is an adventure novel by Alexandre Dumas, first published in serial form from August 1844 until January 1846. The story takes place in France, Italy, islands in the Mediterranean, and in the Levant during the historical events of 1815-1838. It begins from just before the Hundred Days period and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. It focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a

fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. The Three Musketeers is a novel by Alexandre Dumas, first published in serial form in 1844. Set in the 17th century, it recounts the adventures of a young man named d'Artagnan after he leaves home to travel to Paris, to join the Musketeers of the Guard. D'Artagnan is not one of the musketeers of the title; those are his friends Athos, Porthos and Aramis, inseparable friends who live by the motto "all for one, one for all", a motto which is first put forth by d'Artagnan. The Man in the Iron Mask climactically concludes the epic adventures of the three Musketeers. Alexandre Dumas (1802-1870) was a French writer whose works have been translated into nearly 100 languages and he is one of the most widely read French authors. His most famous works are The Count of Monte Cristo and The Three Musketeers.
