The Bianchi of 1399 Aug 01 2022 In the summer of 1399 a wave of popular devotion swept through Italy from the Alps to Rome. Men, women, and children from city and countryside joined in pious processions lasting nine days. Dubbed "Bianchi" because of their white robes, they listened to sermons, sang hymns, observed dietary restrictions, and prayed for "peace and mercy." Daniel E. Bornstein reconstructs the history of the Bianchi in unparalleled detail, and his conclusions offer new insight into the character of late medieval Christianity. Drawing on a wide range of sources including diaries, hymns, and government reports, Bornstein offers nuanced analyses of both the spiritual and the political dimensions of the movement. After describing the origins of the Bianchi as a movement concerned with the conflict and violence of the age, he traces its spread through Italy, paying particular attention to local variations. Focusing on the relationship between lay participants and ecclesiastical authorities, Bornstein demonstrates that the Bianchi represent what might be called a popular orthodoxy—a spontaneous and deeply sincere rallying to the approved beliefs and traditional practices of the church. In conclusion, he argues that scholars who have assumed a sharp division between lay and clerical religion in the late Middle Ages have misconstrued the development of Christianity in fundamental ways.

Epidemics Jul 08 2020 In this study, Samuel K. Cohn, Jr. investigates hundreds of descriptions of epidemics reaching back before the fifth-century-BCE Plague of Athens to the 2014 Ebola outbreak to challenge the dominant hypothesis that epidemics invariably provoke hatred, blaming of the 'other', and victimizing bearers of epidemic diseases.--

Provincial Families of the Renaissance May

18 2021 Distinguished by its clarity and eloquence, this is a superior work of historical writing and analysis that merits comparison with the best monographs on the social history of Renaissance Italy."—Gene Brucker, University of California at Berkeley

White Noise Jan 02 2020 A brilliant satire of mass culture and the numbing effects of technology, *White Noise* tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical cloud, unleashed by an industrial accident, floats over their lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

Sleepless Nights and Kisses for Breakfast Jul 20 2021 This #1 Italian bestseller, offering a father's observations of the everyday moments that might otherwise go unnoticed, has struck a chord with readers around the globe. Matteo Bussola is a designer and cartoonist who lives in Verona, Italy with his wife Paola; their three young daughters, Virginia, Ginevra, and Melania (ages eight, four, and two); and their two dogs. For two years, he's been writing posts on Facebook capturing the beauty of ordinary moments with his family. *Sleepless Nights and Kisses for Breakfast* is the memoir that grew out of these writings. Divided into

winter, spring, summer, and fall, the book follows the different seasons of parenthood and life. At times moving, and at others humorous, these writings remind people to savor the present and appreciate the simple things in life. As Matteo says, "Virginia, Ginevra, and Melania are the lens through which I observe the world. . . . My daughters remind me that being a father means living in that gray area between responsibility and carelessness, strength and softness." *Sleepless Nights and Kisses for Breakfast* is an eloquent memoir by a gifted storyteller. *Sleepless Nights and Kisses for Breakfast* is a winner of the 2017 Family Choice Awards.

[Peace and Penance in Late Medieval Italy](#) Oct 23 2021 Medieval Italian communes are known for their violence, feuds, and vendettas, yet beneath this tumult was a society preoccupied with peace. *Peace and Penance in Late Medieval Italy* is the first book to examine how civic peacemaking in the age of Dante was forged in the crucible of penitential religious practice. Focusing on Florence in the thirteenth and fourteenth centuries, an era known for violence and civil discord, Katherine Ludwig Jansen brilliantly illuminates how religious and political leaders used peace agreements for everything from bringing an end to neighborhood quarrels to restoring full citizenship to judicial exiles. She brings to light a treasure trove of unpublished evidence from notarial archives and supports it with sermons, hagiography, political treatises, and chronicle accounts. She paints a vivid picture of life in an Italian commune, a socially and politically unstable world that strove to achieve peace. Jansen also assembles a wealth of visual material from the period, illustrating for the first time how the kiss of peace—a ritual gesture borrowed from the Catholic Mass—was incorporated into the settlement of secular disputes. Breaking new ground in the study of peacemaking in the Middle Ages, *Peace and Penance in Late Medieval Italy* adds an entirely new dimension to our understanding of Italian culture in this turbulent age by showing how peace was conceived, memorialized, and occasionally achieved.

The Bianchi of 1399 in Central Italy Sep 02 2022 Offering new insight into a medieval popular religious revival, this book highlights how the Bianchi movement adapted to local norms and traditions during an epidemic of plague in two Tuscan towns at the turn of the fifteenth century.

La devozione dei bianchi nel 1399 Oct 30 2019

Renaissance Mass Murder Aug 28 2019 *Renaissance Mass Murder* explores the devastating impact of war on the men and women of the Renaissance. In contrast to the picture of balance and harmony usually associated with the Renaissance, it uncovers in forensic detail a world in which sacks of Italian cities and massacres of civilians at the hands of French, German, Spanish, Swiss, and Italian troops were regular occurrences. The arguments presented are based on a wealth of evidence - histories and chronicles, poetry and paintings, sculpture and other objects - which

together provide a new and startling history of sixteenth-century Italy and a social history of the Italian Wars. It outlines how massacres happened, how princes, soldiers, lawyers, and writers justified and explained such events, and how they were represented in contemporary culture. On this basis, *Renaissance Mass Murder* reconstructs the terrifying individual experiences of civilians in the face of war and in doing so offers a story of human tragedy which redresses the balance of the history of the Italian Wars, and of Renaissance warfare, in favour of the civilian and away from the din of battle. This volume also places mass murder in a broader historical context and challenges claims that such violence was unusual or in decline in early modern Europe. Finally, it shows that women often suffered disproportionately from this violence and that immunity for them, as for their children, was often partially developed or poorly respected. *Strumenti di filologia pirandelliana* Dec 01 2019

Rivista penale di dottrina, legislazione e giurisprudenza, diretta da Luigi Lucchini Jun 06 2020

Resurrection from the Underground Mar 04 2020 In a fascinating analysis of critical themes in Feodor Dostoevsky's work, René Girard explores the implications of the Russian author's "underground," a site of isolation, alienation, and resentment. Brilliantly translated, this book is a testament to Girard's remarkable engagement with Dostoevsky's work, through which he discusses numerous aspects of the human condition, including desire, which Girard argues is "triangular" or "mimetic"—copied from models or mediators whose objects of desire become our own. Girard's interdisciplinary approach allows him to shed new light on religion, spirituality, and redemption in Dostoevsky's writing, culminating in a revelatory discussion of the author's spiritual understanding and personal integration. *Resurrection* is an essential and thought-provoking companion to Dostoevsky's *Notes from the Underground*.

Art and Miracle in Renaissance Tuscany Feb 24 2022 Miraculous images are the focus for an exploration of art and devotion in Renaissance Italy.
