**Ten Years a Nomad** Sep 18 2021 Part memoir and part philosophical look at why we travel, filled with stories of Matt Kepnes' adventures abroad, an exploration of wanderlust and what it truly means to be a nomad. "Matt is possibly the most well-traveled person I know...His knowledge and passion for understanding the world is unrivaled, and never fails to amaze me." —Mark Manson, New York Times bestselling author of The Subtle Art of Not Giving a F\*ck Ten Years a Nomad is New York Times bestselling author Matt Kepnes’ poignant exploration of wanderlust and what it truly means to be a nomad. Part travel memoir and part philosophical look at why we travel, it is filled with aspirational stories of Kepnes' many adventures. New York Times bestselling author of How to Travel

the World on \$50 a Day, Matthew Kepnes knows what it feels like to get the travel bug. After meeting some travelers on a trip to Thailand in 2005, he realized that living life meant more than simply meeting society's traditional milestones, such as buying a car, paying a mortgage, and moving up the career ladder. Inspired by them, he set off for a year-long trip around the world before he started his career. He finally came home after ten years. Over 500,000 miles, 1,000 hostels, and 90 different countries later, Matt has compiled his favorite stories, experiences, and insights into this travel manifesto. Filled with the color and perspective that only hindsight and self-reflection can offer, these stories get to the real questions at the heart of wanderlust. Travel questions that transcend the basic "how-to," and plumb the depths of what drives us to travel — and what extended travel around the world can teach us about life, ourselves, and our place in the world. Ten Years a Nomad is for travel junkies, the travel-curious, and anyone interested in what you can learn about the world when you don't have a cable bill for a decade or spend a month not wearing shoes living on the beach in Thailand.

*The Great Psychedelic Armadillo Picnic* Mar 25 2022 Kinky Friedman, the original Texas Jewboy, takes us on a rollicking, rock-and-rolling tour of his favorite city: Austin. Maybe you want to know which restaurant President Bush rates as his favorite Austin burger joint. Or maybe you want a glimpse of Willie Nelson's home life (hint: Willie plays a lot of golf). Perhaps you want to get the best view of the Mexican free-tail bats as they make their nightly flights to and from the Congress Avenue Bridge. Or maybe you're itching to learn the history of a city that birthed Janis Joplin, Stevie Ray Vaughan, and countless other music legends. It's all here in *The Great Psychedelic Armadillo Picnic*, the slightly insane, amazingly practical, and totally kick-ass guide to the coolest city in Texas by none other than Kinky Friedman. This ain't no ordinary travel guide, neither. "Like most other busy cities these days, Austin is not very effectively traversed by foot," Kinky explains. "You must understand that 'a walk in Austin' is primarily a spiritual sort of thing." As might be expected from this politically incorrect country-singer-turned-bestselling-mystery-author, the Kinkster's tour includes a bunch of stuff you won't find in a Frommer's guide, from descriptions of Austin's notable trees and directions to skinny-dipping sites to lists of haunted places and quizzes and puzzles. So put on your cowboy hat and your brontosaurus-foreskin boots and head down south with the only book you need to get to the big heart of this great city.

Eat Like a Local- Austin Feb 09 2021 Are you excited about planning your next trip? Do you want an edible experience? Would you like some culinary guidance from a local? If you answered yes to any of these questions, then this Eat Like a Local book is for you. Eat Like a Local, Austin, Texas by Erika C W Evans bestows the inside scoop about some of the greatest restaurants Austin has to offer. Culinary tourism is an important aspect of any travel experience. Food has the ability to tell you a story of a destination, its landscapes, and culture on a single plate. Most food guides tell you how to eat like a tourist. Although there is nothing wrong with that, as part of the Eat Like a Local series, this book will give you a food guide from someone who has lived at your next culinary destination. In these pages, you will discover advice on having a unique edible experience. This book will not tell you exact addresses or hours but instead will give you excitement and knowledge of food and drinks from a local that you may not find in other travel food guides. Eat like a local. Slow down, stay in one place, and get to know the food, people, and culture. By the time you finish this book, you will be eager and prepared to travel to your next culinary destination. OUR STORY Traveling has always been a passion of the creator of the Eat Like a Local book series. During Lisa's travels in Malta, instead of tasting what the city offered, she ate at a large fast-food chain. However, she realized that her traveling experience would have been more fulfilling if she had experienced the best of local cuisines. Most would agree that food is one of the most important aspects of a culture. Through her travels, Lisa learned how much locals had to share with tourists, especially about food. Lisa created the Eat Like a Local book series to help connect people with locals which she discovered is a topic that locals are very passionate about sharing. So please join me and: Eat, drink, and explore like a local.

Do You Talk Funny? Sep 26 2019 Public speaking can be terrifying. For David Nihill, the idea of standing in front of an audience was scarier than cliff jumping into a thorny pit of spiders and mothers-in-law. Without a parachute or advanced weaponry. Something had to change. In what doesn't sound like the best plan ever, David decided to overcome his fears by pretending to be an accomplished comedian called "Irish Dave" for one full year, crashing as many comedy clubs, festivals, and shows as possible. One part of the plan was at least logical: he was already Irish and already called Dave. In one year, David went from being deathly afraid of public speaking to hosting a business conference, regularly performing stand-up comedy and winning storytelling competitions in front of packed houses. And he did it by learning from some of the best public speakers in the world: stand-up comedians. Do You Talk Funny?: 7 Comedy Habits to Become a Better (and Funnier) Public Speaker shows how the key principles of stand-up comedy can be applied to your speaking engagements and presentations to make you funnier, more interesting, and better looking. (Or at least two of the three.) Whether you are preparing for a business presentation, giving a wedding toast, defending your thesis, raising money from investors, or simply want to take on something you're afraid of, this book will take you from sweaty to stage-ready. You'll learn how to: - Craft a story and content that your audience will want to listen to - Find the funniest parts of your material and how to get to them faster - Deal with stage fright - Master the two most important parts of your performance: timing and delivery Ten percent of the author's proceeds from this book will go to Arash Bayatmakou via Help Hope Live until he is fully back on his feet and thereafter
