Kanada Apr 29 2022 Kanada. The name meant untold riches and promise to Jutka, a young Hungarian girl who was captivated by stories of a vast, majestic country where people were able to breathe free of hatred and prejudice. Freedom was in short supply, but hatred was everywhere in Hungary as hundreds of thousands of Jews were deported to concentration camps during the last year of WWII. Jutka, her friends, and her family are sent to Auschwitz. In that hellish place, there was another Kanada. It was the ironic name given to the storehouse at Auschwitz where the possessions — clothing and jewelry — stripped from the victims were deposited, and where Jutka was put to work. The war may have ended, but it did not end the suffering of many of the inmates of concentration camps. Many had no homes to go to, and if they did, they were not welcome. Hundreds went back to Poland and were murdered. Famished, diseased, and homeless, they lived in the hopelessness of camps, wondering if they could ever find a home in the world. Some went to Israel, but for Jutka there was only one dream left her — the dream of a country full of hope, where she would no longer have to live in fear. Eva Wiseman's powerful novel describes the war and its long, difficult aftermath with compassion and tenderness.

Eva and Eve May 31 2022 Julie Metz's unforgettable account of her late mother's childhood in Nazi-occupied Austria and the parallels she sees in present-day America.

The Lost Life of Eva Braun Aug 22 2021 Eva Braun is one of history's most famous nonentities. She has been dismissed as a racist, feathered-headed shop girl, yet sixty-two years after her death her name is still instantly recognizable. She left her convent school at the age of seventeen and met Hitler a few months later. She became his mistress before she was twenty. How did unsophisticated little Fraulein Braun, twenty-three years his junior, hold the most powerful man in Europe in an exclusive sexual relationship that lasted from 1932 until their joint suicide? Were they really lovers, and what were the background influences and psychological tensions of the middle-class Catholic girl from Munich who shared his intimate life? How can her ordinariness and apparent decency be reconciled with an unshakeable loyalty to the monster she loved? She left almost no personal material or documents but her private diary and photograph albums show that her life with Hitler, far from being a luxurious sinecure, caused her emotional torture. His chauffeur called her "the unhappiest woman in Germany." The Führer humiliated her in public while the top Nazis' wives, living in his privileged enclave on a Bavarian mountainside, despised her. Yet Albert Speer said: "She has been much maligned. She was very shy, modest. A man's woman: gay, gentle, and kind; incredibly undemanding . . . a restful sort of girl. And her love for Hitler---as she proved in the end---was beyond question." Eva loved the Führer, not for his power, nor because, thanks to him, she lived in luxury. His material gifts were nothing compared with the one thing she really wanted: his child. She remained invisible and unknown, a nonperson. They were never seen in public together and she never saw him alone except in the bedroom, yet their long relationship was a sort of marriage. Angela Lambert reveals a woman the world never knew until the last twenty-four hours of her life. In the small hours of April 29, 1945, as Allied troops raced to capture Berlin and the bunker below the Reichskanzlei where the defeated Nazi leaders were hiding, Eva Braun finally achieved her life's ambition by becoming Hitler's wife. Next day they both swallowed cyanide and died instantly. She was young, healthy, and thirty-three years old. Based on detailed new research, this is an authoritative biography, only the second life of Eva written in English.

After Auschwitz Feb 13 2021 Eva was arrested by the Nazis on her fifteenth birthday and sent to Auschwitz. Her survival depended on endless strokes of luck, her own determination and the love and protection of her mother Fritzi, who was deported with her. When Auschwitz was liberated, Eva and Fritzi began the long journey home. They searched desperately for Eva's father and brother, from whom they had been separated. The news came some months later. Tragically, both men had been killed. Before the war, in Amsterdam, Eva had become friendly with a young girl called Anne Frank. Though their fates were very different, Eva's life was set to be entwined with her friend's for ever more, after her mother Fritzi married Anne's father Otto Frank in 1953. This is a searingly honest account of how an ordinary person survived the Holocaust. Eva's memories and descriptions are heartbreakingly clear, her account brings the horror as close as it can possibly be. But this is also an exploration of what happened next, of Eva's struggle to live with herself after the war and to continue the work of her step-father Otto, ensuring that the legacy of Anne Frank is never forgotten.

Eva Luna Apr 17 2021 **The remarkable novel from the multi-million-bestselling author of The House of the Spirits and The Japanese Lover** Meet the unforgettable Eva Luna: a lover, a writer, a revolutionary and above all, a storyteller. Eva Luna is the daughter of a professor's assistant and a snake-bitten gardener – born poor, orphaned at an early age and working as a servant. Eva is a naturally gifted and imaginative storyteller who meets people from all walks of life. Though she has no wealth, she trades her stories like currency with people who are kind to

her. As she shares her stories, she introduces an eccentric cast of characters: the Lebanese émigré who takes her in, her Catholic godmother who believes in saints, a street urchin who grows up to be the leader of the guerrilla struggle, a celebrated trans cabaret star and a young refugee whose flight from postwar Europe will change Eva's life forever. As Eva tells her story, Isabel Allende brings to life a complex South American country – the rich, the poor, the sophisticated – in a novel that celebrates the power of imagination and storytelling. Eva Evergreen, Semi-Magical Witch Dec 26 2021 A young witch must pass a coming-of-age quest or risk losing her magic forever in this enchanting fantasy -- perfect for fans of *Kiki's Delivery Service* and *Aru Shah and the End of Time*. Sometimes all you need is a pinch of magic... Eva Evergreen is determined to earn the rank of Novice Witch before her thirteenth birthday. If she doesn't, she'll lose her magic forever. For most young witches and wizards, it's a simple enough test: One: Help your town, do good all around. Two: Live there for one moon, don't leave too soon. Three: Fly home by broomstick, the easiest of tricks. The only problem? Eva only has a pinch of magic. She summons heads of cabbage instead of flowers and gets a sunburn instead of calling down rain. And to add insult to injury, whenever she overuses her magic, she falls asleep. When she lands in the tranquil coastal town of Auteri, the residents expect a powerful witch, not a semi-magical girl. So Eva comes up with a plan: set up a magical repair shop to aid Auteri and prove she's worthy. She may have more blood than magic, but her "semi-magical fixes" repair the lives of the townspeople in ways they never could have imagined. Only, Eva's bit of magic may not be enough when the biggest magical storm in history threatens the town she's grown to love. Eva must conjure up all of the magic, bravery, and cleverness she can muster or Auteri and her dreams of becoming a witch will wash away with the storm.

The records they keep in the *Book of Lost Names* will become even more vital when the Resistance cell they work with is betrayed and Rémy disappears. As the Germans close in, Eva records a last, vital message in the book. Decades later, does she have the strength to seek out its answer—and help reunite those lost during the war?

The Gift Apr 05 2020 This practical and inspirational guide to healing from the award-winning, New York Times bestselling author of *The Choice* shows us how to stop destructive patterns and imprisoning thoughts to find freedom and enjoy life. Edith Eger's powerful first book *The Choice* told the story of her survival in the concentration camps, her escape, healing, and journey to freedom. Oprah Winfrey says, "I will be forever changed by Dr. Eger's story." Thousands of people around the world have written to Eger to tell her how *The Choice* moved them and inspired them to confront their own past and try to heal their pain; and to ask her to write another, more "how-to" book. Now, in *The Gift*, Eger expands on her message of healing and provides a hands-on guide that gently encourages us to change the thoughts and behaviors that may be keeping us imprisoned in the past. Eger explains that the worst prison she experienced is not the prison that Nazis put her in but the one she created for herself, the prison within her own mind. She describes the twelve most pervasive imprisoning beliefs she has known—including fear, grief, anger, secrets, stress, guilt, shame, and avoidance—and the tools she has discovered to deal with these universal challenges. Accompanied by stories from Eger's own life and the lives of her patients each chapter includes thought-provoking questions and takeaways, such as: -Would you like to be married to you? -Are you evolving or revolving? -You can't heal what you can't feel. Filled with empathy, insight, and humor, *The Gift* captures the vulnerability and common challenges we all face and provides encouragement and advice for breaking out of our personal prisons to find healing and enjoy life.

Walter's Welcome Nov 24 2021 "[A] captivating life account of an extended German-Jewish family that survived the Holocaust thanks to the determined efforts by one of its members" (Leo Spitzer, author of *Hotel Bolivia*). *Walter's Welcome* is the story of Walter Neisser and the more than fifty members of his family he helped to escape Nazi Germany. The story is told through the letters of the Neisser family, which have been meticulously translated and arranged by Walter's niece, Eva, who also provides moving historical contextualization and commentary. After fleeing Germany, the Neissers resettled in Peru. However, their flight was neither easy nor seamless. Walter worked tirelessly to provide the resources and guidance necessary for the many members of the family to escape, but communications to Europe were frazzled and travel off the continent became increasingly impossible with each passing day, requiring extraordinary will and coordination to contact the correct officials and receive the necessary documentation. The family's letters reveal the toll these efforts put on them and the challenges of waiting and surviving in a foreign land as they tried to hold together. The story of Jewish escapees to Latin America has only recently begun to be widely explored. This memoir-in-letters explores the difficulties of daily life in this little explored context, as the Neisser family and many other escaped Jews adjusted to a new home and tried to build a new life in the shadow of the many horrific things happening back in the land they'd left behind. "A fascinating and little-known account... I am still digesting the book's riches—and sharing it with others."—Walter Laqueur, historian and bestselling author of *Putinism: Russia and Its Future with the West*

His day-to-day life largely sheltered him from the horrors of the authoritarian government, until he founded a successful internet company—which landed him on the regime's radar. Suddenly Sami finds himself in jail, then forcibly enlisted into the Syrian army during the early days of a fast-growing civil uprising. Assigned to the mapmaking division, Sami yearns to simply serve his time and go home, even as he finds himself literally charting the course of the army's response to the growing revolt. The situation that hits him full-force when he receives a text from his girlfriend: "They're shooting at us." Another Me Jan 03 2020 Set against the backdrop of plague-ravaged Europe, this spellbinding new novel from one of Canada's foremost writers of historical fiction for young people will have readers racing to the electrifying climax. Seventeen-year-old Natan has a safe and happy life in fourteenth-century Strasbourg, France. He works with his father in his rag trade, helps his

mother around the house, and studies the Torah at night with his young brother, Shmull. He's even feeling the first stirrings of love with Elena, the daughter of the master draper who is his father's best customer. But something is rotten in the streets of Strasbourg. There is tension between the Jewish community and the rest of the citizens, and there is fear as the deadly plague sweeps through towns and cities nearby. When rumors begin to circulate that Jewish residents are contaminating the town's well water to try to hasten the plague's arrival in their city, Natan knows that there are dangerous days ahead. When he sees who really poisoned Strasbourg's water, he is determined to speak the truth and save his people from the false accusations being made against them. But a moment of violence threatens to derail his plans and change his life in ways he could never have imagined.

We Need to Talk About Kevin Jun 19 2021 The inspiration for the film starring Tilda Swinton and John C. Reilly, this resonant story of a mother's unsettling quest to understand her teenage son's deadly violence, her own ambivalence toward motherhood, and the explosive link between them remains terrifyingly prescient. Eva never really wanted to be a mother. And certainly not the mother of a boy who murdered seven of his fellow high school students, a cafeteria worker, and a much-adored teacher in a school shooting two days before his sixteenth birthday. Neither nature nor nurture exclusively shapes a child's character. But Eva was always uneasy with the sacrifices and social demotion of motherhood. Did her internalized dislike for her own son shape him into the killer he's become? How much is her fault? Now, two years later, it is time for her to come to terms with Kevin's horrific rampage, all in a series of startlingly direct correspondences with her estranged husband, Franklin. A piercing, unforgettable, and penetrating exploration of violence and responsibility, a book that the *Boston Globe* describes as "impossible to put down," is a stunning examination of how tragedy affects a town, a marriage, and a family.
