Police Officer Exam Oct 11 2020 Rated "Best of the Best" in Police Exam Prep Books by BestReviews, September 2018

This updated manual presents information, practice tests, and strategies for the different question types used by police departments throughout the country. It includes: Four full-length practice exams with all questions answered and explained
Two official exams given by a large metropolitan police department
Streamlining of chapters to more closely reflect the latest question types currently in use
General strategies for dealing with multiple-choice questions and specific strategies for taking computer-based multiple-choice tests, as well as for taking the traditional paper/pencil multiple-choice exam
All important time management strategies
New reading comprehension question types, plus strategies for answering these questions
An additional diagnostic exam presents questions like those that have appeared on recent entry-level exams used by police departments across the country. Also included are test-taking tips for all question types, suggested rules for effective study, and a detailed description of a police officer's duties. Updated chapters take into account the recent trend by police departments to rely on oral interviews and computerized testing when selecting police officers.
