The core belief that Popular Science and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better. Old House Interiors Jan 27

2022 National architectural magazine now in its fifteenth year, covering period-inspired design 1700-1950. Commissioned photographs show real homes, inspired by the past but livable. Historical and interpretive rooms are included; new construction, additions, and new kitchens and baths take their place along with restoration work. A feature on furniture appears in every issue. Product coverage is extensive. Experts offer advice for homeowners and designers on finishing, decorating, and furnishing period homes of every era. A

garden feature, essays, archival material, events and exhibitions, and book reviews round out the editorial. Many readers claim the beautiful advertising—all of it design-related, no “lifestyle” ads—is as important to them as the articles.
